Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe that our comments apply to your facts and circumstances or do not believe that an amendment is appropriate, please tell us why in your response.

After reviewing the information that you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

such as "we believe" and "generally" from your statement that you have discussed the material provisions of the contracts and documents.

3. Please have the auditors address their audit report not only to the stockholders but also to the board of directors of Smith & Wesson Brands, Inc. Reference is made to Rule 2-02 of Regulation S-X.

4. In your response to prior comment 10, we note your analysis of why you do not disclose revenue by your four brand lanes. Consider revising to disclose revenue by major product line rather than by brand lane. For example, we note your disclosure on page 85 that your outdoor products and accessories encompass hunting, fishing, camping, shooting, and personal security and defense products, and you provide several examples of they types of products within these categories. Further, you indicate part of the increase in revenue from 2018 to 2019 was from electro-optics products and market acceptance of newly introduced shooting, hunting, and cutlery products over the past several years.

You may contact Beverly A. Singleton, Staff Accountant, at (202) 551-3328 or Melissa Raminpour, Accounting Branch Chief, at (202) 551-3379 if you have questions regarding comments on the financial statements and related matters. Please contact Edward M. Kelly, Senior Counsel, at (202) 551-3728 or Erin M. Purnell, Senior Counsel, at (202) 551-3454 with any other questions.

Sincerely,
