## Jama Software

4 yrs 1 mo

### Sr. Customer Success Manager

Apr 2014 – Jul 2015 · 1 yr 4 mos

Responsible for working with Jama's largest and most strategic customers to ensure a high level of customer satisfaction (measured through adoption and expansion). Focused on building long-term strategic relationships to ensure our customers are realizing the full value from their investment in Jama.

### Principal Consultant

Sep 2013 – Mar 2014 · 7 mos

Partnered early in the sales cycle with sales to help position Jama services as a critical element of a successful deployment. Worked to understanding the customers needs, scope the right level of services and deliver statements of work outlining the strategy for how to support a customers short/long term success. Post the sales engagement; continued strategic guidance was provided... [see more](#)
