## Form 8-K filed July 24, 2023

<u>Item 4.02 Non-Reliance On Previously Issued Financial Statements Or A Related Audit Report</u> Or Completed Interim Review., page 2

1. Please amend your filing to address all required elements contemplated in Item 4.02(a) & (b) of Form 8-K as applicable. In addition, we note your brief description of the facts underlying the conclusion only addresses the par value of the share issuance. It appears you should also address in your disclosure, the previously recognized \$5.9 billion of share-based compensation expense associated with the shares and how the reversal is expected to impact your accounts.
