INDEPENDENT ACCOUNTANT'S COMPIATON REPORT

Board of Directors

CLOUD COMPUTING SOLUTIONS GROUP, INC.

Las Vegas, Nevada

I have compiled the accompanying statements of assets, liabilities, and stockholder's equity of Cloud Computing Solutions Group, Inc. as of May 31, 2020, and the related statement of revenue, expenses and retained earnings, as well as the statement of cash flows for five month period then ended. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the income tax basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the income tax basis of accounting, and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's financial position. Accordingly, the financial statements are not designed for those who are not informed about such matters.

My opinion is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.
