CEO

Cloud Financial Corporation

Sep 2018 – Present · 1 yr 10 mos

Community banks treat people like we want to be treated - but their technology and services are outdated.

Big banks have great technology - but we are just a number where they play the odds under an outdated and often inaccurate credit scoring system to see if we "win" the credit game.

That just doesn't work. That game is about protecting the bank not helping people.
