January 27, 2021, Ed was a client
of Anthony's

Anthony worked for my company as a freelancer early in his career and I knew that he was going to have great success from the beginning. He showed insight beyond his years and his design talent and technological prowess brought him to my attention soon after he started freelancing. I am happy to see tha... See more

December 12, 2020, Fran worked
with Ed in the same group

Fran has a unique ability to review complex processes and relationships and translate them into language that makes them relatable and understandable. Her ability to determine what is, in fact, fundamental to processes with relation to desired outcomes in the health care environment is beyond compare. Her wi... See more
