Amendment No. 6 to Offering Statement on Form 1-A

General

1. We note publicly available videos and interviews, including an interview with the CEO on a Tech Path show. Please advise us how the interview has been conducted consistent with Rules 251 and 255 of Regulation A. For example, it is unclear why you have not filed transcripts of videos containing what appear to be solicitations. Please confirm the material information addressed in the videos and interviews are presented in the offering circular. In this regard, the CEO interview addresses the importance of state and local regulatory approvals. Please advise us why you have not filed the agreement with the "third party testing and inspection company" as an exhibit.
