

## FUNDING AGREEMENT

This Agreement (the "Agreement") is made as of this the day of [EFFECTIVE DATE] (the "Effective Date") by and between Moon of Tribe LLC, with an address of 3031 Beryl PL Castaic Ca ("Production Company") and [INVESTOR NAME], ("Funder").

**NOW THEREFORE**, in consideration of the foregoing and of the mutual covenants and agreements hereinafter set forth and intending to be legally bound, Funder and Production Company (each a "Party," and collectively, the "Parties") agree as follows:

**1.0 FUNDS.** Funder shall provide to Production Company the amount of [\$[AMOUNT]] ("Investment") for use in the production of, and, if funds remain, the marketing and distribution of, the feature length motion picture currently entitled [*Moon Tribe*] (the "Picture"), to be directed by Ammar Dieri. Funder shall have no rights hereunder unless and until the entire Investment is timely received by Production Company in its required account, in US dollars.

**2.0 EXCLUSIVE USE.** Production Company shall use funding proceeds as provided in section 1.0 and not for general expense or other projects. Production Company has no obligation to greenlight production of the Picture, or to continue to produce or exploit the Picture, such as for example in the event of force majeure.

**3.0 SHARE OF REVENUE.** From the receipt by Production Company of monies due solely to licensing to third parties of feature distribution rights in any and all territories and media of the Picture (ie, "Gross Proceeds"), if any, and subject to the other terms and conditions hereof, Funder shall recoup its Investment in the following manner, pro rata in proportion of its Investment to all equity funding raised for the Picture determined as of completion of the Picture ("Pro Rata"), and in the following order of priority:

**a)** First, if necessary, Production Company shall have the right to repay any higher priority investors, including any premium owed, such as debt investors (creditors) or 'last in, first out' investors, provided that such amounts are used by Production Company towards the production, marketing, or distribution of the Picture.

**b)** Second, Funder shall receive its Pro Rata share of one hundred percent (100%) of the remaining amount of Gross Proceeds on a pari passu basis with the other Funders, if any, until Funder and all other Funders have recouped one hundred and twenty percent (120%) of their respective investments. The remaining Gross Proceeds, if any, shall be referred to as the "Net Profits".

**c)** Third, Funder shall receive its Pro Rata share of forty percent (40%) of the Net Profits of the Picture, pari passu with the other Funders, if any. The definition of Net Profits applicable to Funder will be substantially the same as that accorded to Company by all Funders who are investing in the Picture via this offering, and, in no event will the definition, calculation and accounting of "Net Profits" (including, without limitation, the frequency of accounting) applicable to Funder be less favorable than that accorded to any other such Funder.

### **Adjusted Gross Proceeds.**

**4.1.** Adjusted Gross Proceeds (as defined in Paragraph 4.2 below) shall be allocated as follows: (i) First, one hundred percent (100%) of Adjusted Gross Proceeds shall be paid to Financier and the Additional Financiers on a pro rata (based on the ratio that their respective financing contributions bears to the aggregate of the Financier Funds and the Additional Equity Funds) and Filmmaker Funds and pari passu basis until such time, if ever, as Financier has received an amount equal to one hundred twenty percent (120%) of the Financier Funds and the Additional Financiers have received an amount equal to one hundred twenty percent (120%) of the Additional Funds; and (ii) following such time, if ever, as Financier has recouped an amount equal to one hundred percent (100%) of the Financier Funds and the

Additional Equity Financiers have recouped an amount equal to one hundred twenty percent (120%) of the Additional Equity Funds, then any remaining Adjusted Gross Proceeds shall be referred to as “Net Proceeds”, and shall be paid as follows: (a) sixty percent (60%) to Producer (“Producer’s Net Proceeds”); and (b) forty percent (40%) to Financier and the Additional Equity Financiers on a pro rata (based on the ratio that their respective financing contributions bears to the aggregate of the Financier Funds, the Additional Equity Funds and the Filmmaker Funds (as defined below) and pari passu basis. All third-party participations in Net Proceeds (other than those payable to Additional Financiers) shall be borne out of Producer’s share of Net Proceeds.

A. The 40% distribution split assumes that the Financier and Additional Financiers contribute the entire budget of the project to the Company. To the extent they contribute less than the entire budget, the 40% distribution split shall be adjusted on a pro rata basis. For purposes of clarity and by way of example, if \$800,000 of a \$1 million budget is raised by the Financier and Additional Equity Financiers, that would equal 80% of the \$1M, which would result in them receiving 80% of the 40% split, or 32% of the Net proceeds.

(iii) “Filmmaker Funds” is defined as all the additional funds required to produce and market the Picture in addition to Financier Funds, Additional Funds, and Additional Equity Funds, e.g. loans, advances, minimum guarantees, etc.

**4.2.** As used herein, “Gross Proceeds” shall mean any and all amounts, including nonrefundable advances, received by Producer from the exploitation of the Picture and all elements thereof and all rights therein, in any and all manner and media, now known or hereafter devised, worldwide, in perpetuity. Notwithstanding anything to the contrary contained in this Agreement: (a) if a distributor(s) of the Picture pays for the costs of deliverables, such amounts shall not be included in Gross Proceeds; (b) any amounts used to fund production costs of the Picture shall not be included in Gross Proceeds; (c) any advance received from a record company in connection with a soundtrack album for the Picture shall be included in Gross Proceeds only to the extent that such advance is not used to pay music or other production costs; and (d) tax credits or other tax incentives received in connection with the production of the Picture shall be included in Gross Proceeds only to the extent not used to repay financiers providing financing secured by such tax credits or incentives or used to directly fund production costs of the Picture. “Adjusted Gross Proceeds” shall mean Gross Proceeds remaining after deduction of the following: (i) third party sales agent and producer representative fees and expenses; (ii) actual, third party, out of pocket amounts incurred by or on behalf of Producer in connection with the sale, marketing, licensing, delivery, distribution and/or exploitation of the Picture; (iii) ongoing third party accounting costs and expenses actually incurred by or on behalf of Producer in connection with the processing of payments to profit participants (including, without limitation, collection agent fees and expenses), and audit costs; (iv) actual, third party, out of pocket expenses incurred by or on behalf of Producer in connection with the ongoing ownership of the Picture (e.g., costs incurred in connection with the preservation and storage of negatives and master prints and digital storage of the Picture and any expenses incurred in connection with the copyrighting of the Picture); (v) actual, third party, out of pocket expenses incurred in connection with the existence and management of Producer (e.g., taxes, accounting fees, filing fees, etc.); (vi) any residual and/or pension, health and welfare payments paid to unions, guilds, or their members in accordance with the agreements between Producer and the applicable guild with respect to the Picture (to the extent not assumed by the distributor(s) of the Picture); (vii) any amounts required to be withheld by law; (viii) payments pursuant to music licensing “step” deals which require additional payments based on the performance of the Picture; (ix) any actual, third party, out of pocket costs incurred by or on behalf of Producer or its affiliates in connection with enforcement of Producer’s rights in the Picture, including, without limitation, actual, direct, out-of-pocket accounting, legal and auditor fees and expenses; (x) any amounts used to repay loans received in connection with the production of the Picture; (xi) any deferred compensation and bonuses (e.g., box office bonuses, award bonuses,) payable to parties rendering services in connection with the Picture (to the extent not assumed by the distributor(s) of the Picture); (xii) any amounts paid to the completion guarantor of the Picture (if any) in repayment of sums advanced

by such completion guarantor; and (xiii) any reasonable reserve amounts, as determined by Producer in its good faith business judgment, required to cover anticipated future costs or liabilities, provided that such reserve amounts shall be liquidated every twelve (12) months. It is understood that Producer makes no representations or warranties as to the amount of Gross Proceeds, if any, that Producer will receive from the exploitation of the Picture.
