GAME Credits
May 2020 – Present · 3 mos

GAME Credits is the first gaming cryptocurrency in history, launched in February of 2014. The
GAME Credits platform delivers a suite of esports and NFT services (non-fungible tokens) via
seamless integration of our robust API's and SDK.

This includes the GAME Tournament, our esports tournament organizer, GAME Mint, our NFT
creator tool, GAME Exchange, our decentralized in-game item marketplace and GAME
Rewards, which is our staking portal where gamers can stake their GAME tokens on various
games and earn GAME tokens, in-game items, tournament entry tickets, booster pa ...see mor
