4. We note your disclosures that your stock option plan was approved by the Board and shareholders on December 1, 2020 and implemented on that same date. Please reconcile these disclosures with disclosure elsewhere that your Equity Plan will be effective upon the completion of this offering. To the extent references to the "Option Plan," the "Plan," the "Compensation Plan," and the "Equity Plan" all refer to your single stock option plan, please clarify this throughout. If your Equity Plan differs from your stock option plan, please file a copy of the Equity Plan.
5. We note your stock option plan at Exhibit 10.1 authorizes issuance of up to 2,800,000 Option Shares; however, your tabular disclosures at page 72 appear to contemplate issuance of 2,855,100 Option Shares. Please revise or advise.

Financial Statements

Report of Independent Registered Public Accounting Firm, page F-25

6. We note your auditor Manning Elliott LLP's opinion stating that "the consolidated financial statements present fairly....in conformity with International Financial Reporting Standards (IFRS)." Please have your auditor clarify whether it meant to express in conformity with IFRS as issued by the International Accounting Standards Board (IASB), and if yes, revise the audit report as appropriate. If not by the IASB, please have your auditor identify the jurisdiction of origin of the framework for its opinion and explain reason for such jurisdiction instead of the IASB. In this regard, we note your disclosure on page F-31 stating that your consolidated financial statements have been prepared in accordance with IFRS as issued by the IASB.
