Report of Independent Registered Public Accounting Firm

To the Member and Management of Newmark Securities, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Newmark Securities, LLC (the "Company") as of December 31, 2022 and the related notes (the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company at December 31, 2022, in conformity with U.S. generally accepted accounting principles.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2021.

1. General and Summary of Significant Accounting Policies

Description of Business – Newmark Securities, LLC (the “Company”) is a Delaware Limited Liability Company, wholly owned by Newmark Partners, L.P. (the “Partnership”), and is an indirect subsidiary of Newmark Group, Inc. (“Newmark”), which is a subsidiary of Cantor Fitzgerald, L.P. (collectively with its affiliates “Cantor”). The Company is a registered broker-dealer with the Securities and Exchange Commission (“SEC”).

The Company conducts real estate related investment banking advisory services to institutional clients. The Company’s activity is limited to acting as agent on real estate related transactions and collecting advisory and success fees, primarily for private equity and private debt securities. The Company does not handle any customer funds or securities.

Basis of Presentation – The statement of financial condition is prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – Management makes estimates and assumptions that affect the reported amounts of the assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Management believes that the estimates utilized in preparing the statement of financial condition are reasonable. Estimates, by their nature, are based on judgment and available information. As such, actual results could differ materially from the estimates included in the statement of financial condition.

Cash and Cash Equivalents – The Company considers all highly liquid investments with maturity dates of 90 days or less at the date of acquisition to be cash equivalents.

Income Taxes – The Company is a single-member limited liability company and as such is not liable for income tax. Instead, income or loss attributable to the Company’s operations is passed through to its sole member, the Partnership, which is owned by Newmark. The Partnership files federal, state and local partnership returns and is subject to the Unincorporated Business Tax (“UBT”) in New York City and Pass-Through Entity (“PE”) Tax in Connecticut. The Company has not elected to push down and allocate current and deferred tax expense from Partnership, and therefore no provision for income tax is required to be included in the Company’s financial statements, in accordance with the requirements of Accounting Standards Codification (“ASC”) 740, *Income Taxes*.

2. Commitments and Contingencies

Legal Matters – In the ordinary course of business, various legal actions are brought and may be pending against the Company. The Company is also involved, from time to time, in other reviews, investigations and proceedings by governmental and self-regulatory agencies (both formal and informal) regarding the Company's business. Any of such actions may result in judgments, settlements, fines, penalties, injunctions or other relief. As of December 31, 2022, no such claims or actions have been brought against the Company and therefore no reserves were recognized.

Legal reserves are established in accordance with the guidance in ASC 450, *Contingencies*, when a material legal liability is both probable and reasonably estimable. Once established, legal reserves are adjusted when additional information becomes available or when an event occurs requiring a change.

Conflict in Ukraine – Management has evaluated the impact of the military conflict in Ukraine on the industry and concluded that, while it is reasonably possible that the conflict could have an effect on the Company's financial condition, the specific impacts are not readily determinable as of the date of these audited statement of financial condition. The statement of financial condition does not include any adjustments that might result from the outcome of this uncertainty.

3. Related Party Transactions

Cantor and Newmark provide the Company with administrative services and other support for which they charge the Company based on the cost of providing such services. Such support includes allocations for utilization of overheads and fixed assets, accounting, treasury, operations, human resources, legal and regulatory, audit, and technology services. For the year ended December 31, 2022, the Company was charged for such services and the unpaid balances are included in Payables to related parties in the Company's statement of financial condition

4. Regulatory Requirements

As a registered broker-dealer, the Company is subject to the SEC's Uniform Net Capital Rule ("Rule 15c3-1"). The Company has elected to compute its net capital using the basic method, which requires the maintenance of minimum net capital equal to the greater of \$5 or 6-2/3% of aggregate indebtedness. At December 31, 2022, the Company had net capital of \$254, which was \$247 in excess of its required net capital.
