Notes to the Financial Statements

December 31, 2021, and 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

a) Basis of Accounting

The accompanying financial statements have been prepared in accordance with Financial Accounting Reporting Standard as issued by the Financial Accounting Standards Board. The accounting principles that compose the framework are appropriate for the preparation of the entity's financial statements.

b) Nature of Operations

The Company offers 'Last Mile' delivery services using AI robots in select cities in the United States. At the moment, The Company is focused on food delivery services in Universities.

c) Use of Estimates

The preparation of financial statements in conformity with Financial Accounting Reporting Standard as issued by the Financial Accounting Standards Board requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

d) Statement of Assets, Liabilities, and Equity classification

A one-year time period is used as the basis for classifying all other current assets and liabilities.

e) Principles of Consolidation

The consolidated financial statements contain one wholly owned Foreign corporate subsidiary (Kiwibot SAS). All intercompany transactions are eliminated in the consolidated financial statements above.

The Colombian subsidiary, Kiwibot SAS, hires engineers, builds prototypes, and develops the AI used for the service. As such, the majority of expenses incurred via the Colombian entity are Research and Development expenditures. The Colombian entity sells these services to the parent company. These transactions were eliminated.

f) Contracts Receivable

The company's invoices are due 30 days after presentation. So far, the company has never had an uncollectable receivable. As such, Management decided not to accrue an allowance for doubtful accounts. All sales and invoices are billed via the US company.

g) Property and Equipment

The company has significant capital expenditures in Robots used to deliver orders to consumers. The company also has other types of traditional fixed assets, including Computer equipment, vehicles, and Real Estate.

Management has determined the following useful lives of each type of fixed asset:

<i>Fixed Asset Type</i>	Useful Life (Years)
Robots and Delivery Equipment	2
Office Equipment	5
Vehicles	5
Real Estate	30

The company's fixed assets are as follows:

	2021	2020
Robots and Delivery Equipment Placed in Service	\$788,501	\$362,608
Office Equipment	209,833	200,430
Vehicles	4,300	0
Real Estate	40,463	48,177
Robots being built	1,843,746	246,027
Accumulated Depreciation	(522,922)	(359,139)
Fixed Assets, Net	\$2,363,921	\$498,103

h) Revenue and Cost Recognition

The Company's revenue consists primarily of commissions billed to establishments and/or companies who need to deliver their product to consumers. Revenues from services are recognized using the Revenue Recognition Principle. As such, revenues are recognized when realized and earned.

The Company recognizes all expenses using the accrual method of accounting.

i) Income Taxes

The Company accrues for income taxes in the year for which the tax liability is levied or the tax benefit is earned. So far, The Company has not been required to pay US Income taxes. However, The Company does pay income taxes in Colombia as the Colombian operation reports a profit by selling R&D services to its parent company.

j) Evaluation of Subsequent Events

The Company has evaluated subsequent events through April 20th, 2022, which is the date the financial statements were available to be issued. Management has determined that there are no material subsequent events needed to be disclosed in the financial statements.

2. CASH AND EQUIVALENTS

The Company has Cash and Cash equivalents, including money market accounts, in Colombia and The United States. The breakdown of Cash and Equivalents, converted to US Dollars, are as follows:

	2021	2020
<i>United States</i>	\$4,576,257	\$21,509
<i>Colombia</i>	14,948	7,316
Cash and Cash Equivalents	<u>\$4,591,205</u>	<u>\$28,825</u>

3. INVESTMENTS

The Company has one wholly owned foreign subsidiary, Kiwi Campus SAS, which was founded and operates under the laws of Colombia. No investments in subsidiaries are reflected in the balance sheet as these transactions were eliminated.

4. INTANGIBLE ASSETS

Goodwill

The Company's sole intangible asset is a cryptocurrency investment that it made in 2021.

5. ACCOUNTS AND RETENTION PAYABLE

The company has suppliers both in the US and Colombia which issue invoices for Robot parts that are due 30 day after presentation.

6. CONTINGENCIES

From time to time, the Company is involved in routine litigation that arises in the ordinary course of business. There are no pending significant legal proceedings to which the Company is a party for which management believes the ultimate outcome would have a material adverse effect on the Company's financial position.

7. EQUITY

The Company's most recent funding round was in 2021, also known as "Series A". As a result, the company's SAFE investors were given preferred shares, and additional cash was raised. The breakdown of equity can be found on the balance sheet.

The Company entered into a contract with one of its founders to repurchase his shares of the company. This is reflected in the treasury stock account.

10. OTHER NON-OPERATING INCOME AND EXPENSES, NET

The Company has non-operating Expenses/(Income) via its Colombian Subsidiary. They are mostly due to subsidies and benefits received from the Colombian government due to COVID-19.
