### California State University-Los Angeles

LA BioStart Bioscience Entrepreneurs Boot Camp

2019 – 2019

The LA BioStart Bioscience Entrepreneurs Boot Camp is a five-week, intensive training program that prepares emerging bioscience entrepreneurs to launch their own bioscience ventures. The boot camp is a collaborative project of Cal State LA, the Biocom Institute and the Los Angeles Cleantech Incubator.

Participants learn business fundamentals, leadership skills and bioscience knowledge from industry leaders and business experts. Funded by the Economic Development Administration.

### Case Western Reserve University

Bachelor of Science - BS, Biology

2005 – 2009

## Skills & Endorsements

### Research

### Molecular Biology

## Life Sciences
