GOOD INVESTOR VENTURES LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1

Organization and Summary of Significant Accounting Policies

Organization and Description of Business

Good Investor Ventures LLC (the "Company") is a wholly owned subsidiary of Pattern Technologies Inc. ("Member"). The Company was formed in July 2020 under the laws of the state of Delaware. The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). As a limited liability company, the member's liability is limited to its investment.

Revenue Recognition

The Company has yet to generate any revenue from customers. The recognition and measurement of revenue is based on the assessment of individual contract terms. The Company's revenue is expected to be derived from Regulation Crowdfunding platform fees that are recognized at an agreed-upon rate based on the amount invested in an offering. The Company also intends to recognize revenue from Regulation A and Regulation D platform fees at an agreed-upon per-investor rate based on the number of new investors subscribed to an offering. These revenue streams are transaction based and revenue would be recognized at the point in time that performance under the agreements is completed.

Income Taxes

The Company's taxable income or loss is included in consolidated corporate income tax returns filed by its sole member. The accompanying financial statements reflect the Company's income tax effects as if the Company filed separate tax returns.

Income taxes are accounted for by the asset/liability approach. Deferred taxes represent the expected future tax consequences when the reported amounts of assets and liabilities are recovered or paid. They arise from differences between the financial reporting and tax bases of assets and liabilities and are adjusted for changes in tax laws and tax rates when those changes are enacted. The provision for income taxes represents the total of income taxes paid or payable for the current year, plus the change in deferred taxes during the year. The Company provides deferred taxes for differences in the timing of deductions for book and tax reporting purposes principally related to net operating loss carryforwards.

Under the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status and the decision not to file a return. The Company has evaluated each of its tax positions and has determined that no provision or liability for income taxes is necessary.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Good Investor Ventures LLC

We have reviewed management's statements included in the accompanying Broker Dealers Annual Exemption Report in which (1) Good Investor Ventures LLC did not claim an exemption from Rule 15c3-3 in reliance upon Footnote 74 of the 2013 Release, and (2) Good Investor Ventures LLC stated that Good Investor Ventures LLC met the identified conditions for such reliance throughout the most recent fiscal period without exception. Good Investor Ventures LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Good Investor Ventures LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 of the 2013 Release.

To Whom it May Concern:

We, as members of management of Good Investor Ventures LLC (the "Company"), are responsible for complying with Rule 17a-5, "Reports to be made by certain brokers and dealers". We have determined that the Company does not meet any of the exemption conditions of paragraph (k) of Rule 15c3-3 (i.e., paragraph (k)(1), (k)(2)(i) or (k)(2)(ii)) but also (1) does not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Exchange Act Rule 15c2-4 ("Rule 15c2-4"); (2) does not carry accounts of or for customers; and (3) does not carry PAB accounts (as defined in Rule 15c3-3) and therefore is covered by Footnote 74 of the 2013 Release.
