About The Current Raise

About Eli Electric Vehicles

About Regulation Crowdfunding

What’s your share price?

What is the minimum investment size?

What kind of shares are you issuing?

How much are you raising?

What is the current valuation of the company?

Why should I invest?

How will Eli Electric Vehicles make money?

How do you plan to use the proceeds from this funding round?

How long are you expecting the company to operate before needing another round?

How many investors do you have already?

When will I receive my shares?

Are there higher fees if you invest via credit card vs. ACH?

Will you be paying out dividends to investors?

What is your IPO timeline?
