**Accountant's Review Report**

To the Board of Directors  
Artesano Rum Corporation  
Jayuya Puerto Rico

***Independent Accountant's Review Report***

I have reviewed the accompanying financial statements of Artesano Rum Corporation, which comprise the balance sheets as of December 31, 2021, and 2020, and the related statements of income, cash flows, and stockholders equity for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

***Accountant's Responsibility***

My responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

We are required to be independent of Artesano Rum Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Artesano Rum Corporation  
Notes to Financial Statement  
For the year ended December 31, 2021

**1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

Artesano Rum Corporation (“the Company”) es a domestic corporation organized under the laws of the Commonwealth of Puerto Rico in 2020. It is engaged in the retail and manufacturing of alcoholic products from a warehouse located in Jayuya, Puerto Rico.

**Summary of Significant Accounting Policies**

The significant accounting policies of the company as summarized below, conform to accounting principles generally accepted in the United States of America and reflect practices appropriate to the business in which operates.

**Cash and Cash Equivalents**

The Company considers as cash and cash equivalents all cash on hand, demand deposits with banks, and highly liquid investments with original maturities of three months or less.

**Inventory**

Inventory is stated at the lower cost or market first-in, first-out (FIFO) method or net realizable value for finished products. Net realizable value is defined as estimated selling prices, less reasonably predictable costs of completion, disposal, and transportation.

**Trade Accounts Receivable**

Trade accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for the trade account receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to valuation allowance and a credit to trade account receivable.

For the year ended December 31, 2021

**Revenue Recognition**

Revenue is recognized using the retail sale approach. Any sale on account is recorded as sales using the accrual basis accounting. Expenses are recorded using the accrual basis of accounting when goods are received, or services are rendered.

**Advertising Cost**

Advertising communications cost is expensed the first time the advertising takes place. Total advertising cost for the year ended December 31, 2021, amounted to \$39,817.88

**Salaries & Wages**

Salaries & wages are expenses related to the service provided directly by employees of the company. For the year ended December 31, 2021, the company has one employee. The salary paid was \$27,103.41.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**2. INVENTORY**

Inventory balance reflects amounts related to inventory available for sale at the warehouse along with raw materials that will be used in the manufacturing department.

Merchandise inventory	\$ 1,042.80
Finished goods inventory	14,870.69
Raw materials inventory	<u>36,928.74</u>
Total inventory amount	<u>\$ 52,842.23</u>

**3. ACCOUNT PAYABLE**

The Company reflect losses in the first year of operation, also the Company does not believe that any reasonable possible changes will occur within the next twelve months that will have a material impact on the financial statements.

**6. SIMPLE AGREEMENT FOR FUTURE EQUITY (SAFE)**

The Company has a contract with “Wefunder Company” in which the Company will give Preferred Stock in exchange for the investment they made in the years 2020 and 2021. The total amount of this investment was \$215,815 at the end of year 2021. The cost of this investment is amortized for three years as “startup cost for the organization” The total amount of this cost was \$16,176.12. The company estimated the conversion of this investment as preferred stock at the end of the year 2024. In addition, there is a SAFE agreement with an individual investor for \$3,500. The total SAFE investment is \$219,315.

**7. COVID 19 – OUTBREAK**

Since early 2019 the spread of COVID 19 has severely impacted many local economies around the globe. In many countries, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, capacity limits in facilities, closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in economic slowdown. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions. About the Company, several measures have been taken to minimize the effects of the virus however, there have been no negative financial impacts to the Company. Recently the vaccination process has been underway and is advancing rapidly, this is expected to normalize the economic slowdown and eventually end the pandemic. However, the duration and impact of the COVID-19 pandemic remains unclear.
