Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Amendment No. 4 to Form S-4

Item 21. Exhibits and Financial Statement Schedules, page II-1

1. We note your response to prior comment 6. Because Bakkt's business will be the business of VPC Impact Acquisition Holdings following the business combination, investors voting on the business combination should have access to material information about Bakkt, including certain material contracts such as related party agreements, in order to make an informed investment decision. Accordingly, please file the Triparty Agreement as an exhibit to the registration statement.
