CEO

Swift Rails, Inc.

Oct 2014 – Present · 5 yrs 11 mos

Buffalo/Niagara, New York Area

Swift Rails is new kind of transit. Typically, it will get you to your destination up to 5 times faster. It is also quicker to build, less costly and great to the environment. There is a cool video on our website at www.swiftrails.com that shows how the system work. If you get a chance to check it out, let me know what you think.
