### OFFERING MEMORANDUM

#### Purpose of This Form

A company that wants to raise money using Regulation Crowdfunding must give certain information to prospective investors, so investors will have a basis for making an informed decision. The Securities and Exchange Commission, or SEC, has issued regulations at 17 CFR §227.201 listing the information companies must provide. This form – Form C – is the form used to provide that information.

Each heading below corresponds to a section of the SEC's regulations under 17 CFR §227.201.

THIS OFFERING IS BEING CONDUCTED ON AN EXPEDITED BASIS DUE TO CIRCUMSTANCES RELATED TO COVID-19 AND PURSUANT TO THE SEC'S TEMPORARY REGULATORY COVID-19 RELIEF.

#### (D) The Company's Business and Business Plan

##### The Opportunity

Whitecap Mountains Resort offers year-round family recreation, lodging, and down-home hospitality in Northern Wisconsin. Spread over a vast 400 acres within the ancient Penokee Mountains, it's the perfect location for a corporate retreat, mountaintop wedding, extended family reunion, or relaxing getaway.

Penokee Skiing Group acquired Whitecap Mountains Recreation, inc in 2019, with the primary business goal and mission of expanding upon existing assets of the Whitecap Mountains Resort. The group made strategic capital investments into the resort with a mission to increase the quality of service and offerings; building the Whitecap Mountains brand into the premiere destination resort community environment for our customers and employees. Our short and long-term investment strategy is centered around continued improvements to the infrastructure of the ski operations, hotel, golf course, and overall operations of the entity. With additional capital, we will build out lodging for our customers since the original building was burnt down due to a fire.

##### Location

What makes Whitecap's terrain so unique is that it spreads across three peaks. Most of the skiable terrain cannot be seen from the base area and from the top, skiers have an amazing view of Lake Superior. Whitecap Mountains serve as an entrance into the area, with one chairlift and a half-dozen runs, but another 30 trails are on Thunderhead Mountain and Eagles Nest Mountain.

Thunderhead has two distinct sides. The north face is a great collection of expert to intermediate tree-lined trails with lots of twists, turns, and opportunities to link trails together into an endless variety. The south face contains huge expanses of beginner terrain, very wide trails with lots of length.

Eagles Nest Mountain is something for the memory bank, however. There are four true, rock-strewn, boulder-laden, buckle-your-chin-strap, double black diamond runs form the most terrifying quartet in all of the Midwest. Two of the runs, The Dragon and Southern Cross, are so narrow that jump turns are the only way to negotiate their descents. Eagles Nest is also the only peak in the Midwest where only the certifiable may ski; you have to be tested and certified as an expert by the ski patrol to earn access to the trails.

One other "memory" is distinctly Whitecap too. The Midwest's longest chairlift, one mile long and over 200 feet aloft at its highest point, connects Thunderhead and Eagles Nest. The chair forms a continuous loop running from the base of each mountain and over the top of the two peaks; load at the bottom of a peak, unload at the top of that peak, or ride from one peak to the other.

The base area is styled to resemble a Swiss village, which also unique to Whitecap. The day lodge is designed with lots of nooks and alcoves, and features an Old World bakery. The Davos Swiss Inn is built into the side of Whitecap Mountain about a quarter of the way up the hill; it's accessed

via skis or by walking through a tunnel. And this year, the new Whitecap Mountain Lodge opens, with an indoor swimming pool, hydro spa, multi-level suites, and micro-kitchen units.

The Company may extend the Offering Deadline and shall treat such an extension as a material change to the original offer and provide Investors with notice and opportunity to reconfirm their investment in accordance with Section (K) of this Memorandum.

**(H) Commitments that Exceed the Target Offering Amount**

Will the Company accept commitments that exceed the Target Offering Amount?	Yes

##### Other Information on the Investment Process

- Investors may cancel an investment commitment until 48 hours prior to the Offering Deadline.
- MainVest will notify investors when and if the Target Offering Amount has been raised.
- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five business days before such new Offering Deadline, absent a material change that would require an extension of the offering and reconfirmation of the investment commitment.

#### (K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. IF AN INVESTOR DOES NOT RECONFIRM HIS OR HER INVESTMENT COMMITMENT WITHIN FIVE (5) DAYS OF THE NOTICE OF MATERIAL CHANGE BEING SENT, THE INVESTOR'S INVESTMENT COMMITMENT WILL BE CANCELLED, THE COMMITTED FUNDS WILL BE RETURNED,

AND THE INVESTOR WILL NOT BE ISSUED ANY OF THE SECURITIES REFERENCED IN THIS OFFERING.

#### Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

#### (L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

## (M) Terms of the Securities

### Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

### Summary of Terms

Revenue Percentage <sup>1</sup>	0.7 - 1.8% <sup>2</sup>
Payment Deadline	2026-10-01
Maximum Payment Multiple <sup>3</sup> - Early Investors - All Other Investors	1.8 x 1.6 x
Sharing Start Date	The first day after disbursement that the Company has revenues greater than one (\$1) dollar
First Payment Date	Thirty (30) days after the last day of the calendar quarter ending not less than Sixty (60) days after the sharing start date.
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	0.41%

<sup>1</sup> as defined in the note agreement included in Appendix A

<sup>2</sup> The rate of revenue sharing is calculated on a linear scale with a minimum rate of 0.7% and a maximum rate of 1.8% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$100,000	0.7%
\$137,500	1.0%
\$175,000	1.2%
\$212,500	1.5%
\$250,000	1.8%

<sup>3</sup> To reward early participation, the investors who contribute the first \$100,000.0 raised in the offering will receive a 1.8x cap. Investors who contribute after \$100,000.0 has been raised in the offering will receive a 1.6x cap.

### Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

#### Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

#### No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

#### Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

#### Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

#### Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited liability company interests are equity securities, with voting rights, whereas the revenue sharing notes being offered are debt securities with no voting rights.

### Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

### The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
David Dziuban	100%

### How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

### How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

### (N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

### (O) Compensation of the Funding Portal

MainVest will be paid 6.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

### (P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

**(Q) Other Offerings of Securities within the Last Three Years**

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

**(R) Transactions Between the Company and “Insiders”**

The Company has not entered into any business transactions, including stock Purchases, salaries, property rentals, consulting arrangements, guaranties, or other agreements with any individual identified in Section 227.201 (r)(1)-(4) of Regulation Crowdfunding during the 12 months preceding this Offering.

**(S) The Company’s Financial Condition**

After a fire destroyed our newly renovated base lodge on Jan 18, 2019 the plans for the rebuild of the resort took a drastic turn. We are currently in court with our insurance company as we have not received any money from them as of this date. We continue to move ahead everyday preparing for the upcoming seasons but our new Base Village (5 buildings) would greatly benefit the resort in both stay packages and daily visitors.

**(T) The Company’s Financial Statements**

Please see Appendix B for historical financial statements.

**Pro Forma Income Statement**

In order to illustrate its future earning potential, the Company has provided a summary of its - year financial forecast. The forecast has been developed by the Company using reasonable best efforts based on their understanding of the industry and market they wish to enter. Please refer to Section (F) of this Offering Memorandum for a list of the risks associated with an investment in the Company and utilizing any pro forma provided by the Company for making investment decisions.
