Dear Mr. Bradley:

We have reviewed your registration statement and have the following comment.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to our comment, we may have additional comments.

Amendment No. 3 to Form S-1

Manner of Conducting Redemptions, page 30

1. In our prior comment 1, we asked you to file a copy of the agreement between the anchor investor and the sponsor as an exhibit to the registration statement. Please file this agreement as an exhibit or tell us why it is not a material contract in which the company has a beneficial interest, given that it contemplates the purchase by the anchor investor of 14.9% of the units in the offering and includes the anchor investor's waiver of rights to funds in the trust account with respect to its allocation of founder shares, as well as a waiver of any future claims it may have against the company. Please see Item 601(b)(10)(i) of Regulation S-K.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
