# Nexus Brewery, LLC

## FORM C

### OFFERING MEMORANDUM

#### Purpose of This Form

A company that wants to raise money using Regulation Crowdfunding must give certain information to prospective investors, so investors will have a basis for making an informed decision. The Securities and Exchange Commission, or SEC, has issued regulations at 17 CFR §227.201 listing the information companies must provide. This form – Form C – is the form used to provide that information.

Each heading below corresponds to a section of the SEC's regulations under 17 CFR §227.201.

THIS OFFERING IS BEING CONDUCTED ON AN EXPEDITED BASIS DUE TO CIRCUMSTANCES RELATED TO COVID-19 AND PURSUANT TO THE SEC'S TEMPORARY REGULATORY COVID-19 RELIEF.

#### (D) The Company's Business and Business Plan

The Nexus Brewery is the brainchild of Ken Carson, a former banker who once served as the state's banking commissioner, and a craft beer enthusiast who who loved visiting breweries from state to state. He chose the name Nexus because it reflects his desire to create a sense of community—and as a tribute to Star Trek The Next Generation where in “the Nexus,” circumstances are whatever you want them to be. For Duke City diners lamenting the absence of non-chain Cajun food and something better than the Colonel's fried chicken, the circumstances are exactly as we want them at Nexus where both are offered along with what Carson terms “New Mexican soul food.”

New Mexican soul food is a combination of Southern and Cajun entrees honoring both the Carson family's Southern roots and their adopted home's New Mexican favorites. Nexus may have the only menu in which red chile nachos share space on the appetizer menu with fried pickles and fried okra. Signature dishes include both home-style open faced enchiladas and Southern fried chicken and waffles. Everything is made fresh in the brewery's kitchen. The Southern fried chicken, in fact, takes 25 minutes to prepare because it's made to order so it arrives at your table steaming hot.

In 2019, Ken opened his second Nexus concept called Nexus Blue Smokehouse. Just as Nexus Brewery brought the best New Mexican Soul food to you, Nexus Blue Smokehouse is bringing the very best New Mexican BBQ featuring our red chili BBQ sauce and an awesome Pit Master Crew.

Ken and Nexus are inviting investors to participate in funding and expanding the smokehouse location. There is an opportunity to expand and renovate further into the vacant space attached to the location, which will allow for more seating. This will not only increase revenues during COVID-19, as the location can seat more patrons with comfortable distancing, but will be a valuable improvement as the business continues to grow.

### Other Information on the Investment Process

- Investors may cancel an investment commitment until 48 hours prior to the Offering Deadline.
- MainVest will notify investors when and if the Target Offering Amount has been raised.
- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five business days before such new Offering Deadline, absent a material change that would require an extension of the offering and reconfirmation of the investment commitment.
- If an investor does not cancel an investment commitment before the 48-hour period before the Offering Deadline, the funds will be released to the Company upon closing of the offering and the investor will receive securities in exchange for his or her investment.

For additional information about the investment and cancellation process, see the [Educational Materials](#).

### (K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. IF AN INVESTOR DOES NOT RECONFIRM HIS OR HER INVESTMENT COMMITMENT WITHIN FIVE (5) DAYS OF THE NOTICE OF MATERIAL CHANGE BEING SENT, THE INVESTOR'S INVESTMENT COMMITMENT WILL BE CANCELLED, THE COMMITTED FUNDS WILL BE RETURNED, AND THE INVESTOR WILL NOT BE ISSUED ANY OF THE SECURITIES REFERENCED IN THIS OFFERING.

### Explanation

A "material change" means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

### (L) Price of the Securities

The Company is offering "securities" in the form of revenue sharing notes, which we refer to as "Notes." The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

## (M) Terms of the Securities

### Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

### Summary of Terms

Revenue Percentage <sup>1</sup>	1.2 - 2.4% <sup>2</sup>
Payment Deadline	2029-01-01
Maximum Payment Multiple <sup>3</sup> - Early Investors - All Other Investors	1.6 x 1.5 x
Sharing Start Date	The first day after disbursement that the Company has revenues greater than one (\$1) dollar
First Payment Date	Thirty (30) days after the last day of the calendar quarter ending not less than Sixty (60) days after the sharing start date.
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	0.41%

<sup>1</sup> as defined in the note agreement included in Appendix A

<sup>2</sup> The rate of revenue sharing is calculated on a linear scale with a minimum rate of 1.2% and a maximum rate of 2.4% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$100,000	1.2%
\$125,000	1.5%
\$150,000	1.8%
\$175,000	2.1%
\$200,000	2.4%

<sup>3</sup> To reward early participation, the investors who contribute the first \$100,000.0 raised in the offering will receive a 1.6x cap. Investors who contribute after \$100,000.0 has been raised in the offering will receive a 1.5x cap.

### Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

#### Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

#### No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

#### Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

#### Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

#### Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited liability company interests are equity securities, with voting rights, whereas the revenue sharing notes being offered are debt securities with no voting rights.

### Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

### The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Kenneth Carson, Jr	100%

### How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

### How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

### (N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

### (O) Compensation of the Funding Portal

MainVest will be paid 6.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

### (P) Indebtedness of the Company

Creditor	Amount	Interest Rate	Maturity Date	Other Important Terms
American Express	\$25,195	5.99%	08/31/2020	Revolving credit card

#### (Q) Other Offerings of Securities within the Last Three Years

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

#### (R) Transactions Between the Company and “Insiders”

The Company has not entered into any business transactions, including stock Purchases, salaries, property rentals, consulting arrangements, guaranties, or other agreements with any individual identified in Section 227.201 (r)(1)-(4) of Regulation Crowdfunding during the 12 months preceding this Offering.
