Pendram Incorporated, headquartered in San Diego, is leading the evolution of miniaturized smart atmospheric control technology with a multi-product strategy benefiting multiple industries. Food storage, cannabis and many other storage applications require optimum humidity, temperature and air flow to achieve long term positive results. Pendram's proprietary smart technology called Intellisphere IAC creates the perfect atmosphere and sets a new standard for precise storage conditions with smart flexible control from anywhere. With innovation as their business model and a mission to protect, preserve and optimize the long term quality of perishables, Pendram will soon announce their latest breakthrough p ...[see mor](#)
