Amendment No. 2 to Registration Statement on Form S-4, Filed July 9, 2021

Non-GAAP Financial Measures, page 189

1. The most directly comparable GAAP measure to "adjusted gross loss exclusive of depreciation and amortization" would be gross loss calculated on a GAAP basis, i.e. including depreciation and amortization in cost of goods sold. This applies even if this GAAP line item is not shown on the statement of operations. Please refer to Item 10(e)(1)(i) of Regulation S-K and revise the presentation accordingly.

Exhibits

3. We note the legality opinion filed as Exhibit 5.1. We note you separately opined on the New AeroFarms Common Stock issuable upon conversion of Class A and Class B ordinary shares as well as the Consideration Shares. Please revise to clarify whether the defined term Consideration Shares covers subcategories (a) through (e) of (i) on page 2 or only (i)(e). To the extent it only refers to (i)(e), please include an opinion that covers (i)(d), i.e. the 3,333,333 shares of New AeroFarms Common Stock issuable upon the automatic conversion of the principal and accrued interest due on Dream Holdings' subordinated unsecured convertible promissory notes. Please also tell us why the 20,400,000 shares of New AeroFarms Common Stock issuable upon exercise of the New AeroFarms Warrants appears as both (i)(c) and (iii) or revise to remove (i)(c). Finally, please revise the first assumption on page 4 that you express no opinion as to the applicability of, compliance with, or effect of any bankruptcy, insolvency, reorganization or similar law to remove any assumption that the Company is not in bankruptcy. Refer to II.B.3.a of Staff Legal Bulletin No. 19.

You may contact Eric Atallah at 202-551-3663 or Terence O'Brien at 202-551-3355 if you have questions regarding comments on the financial statements and related matters. Please contact Margaret Schwartz at 202-551-7153 or Laura Crotty at 202-551-7614 with any other questions.
