Amendment to Form S-1 filed January 12, 2021

General

1. We note revised disclosure that you believe you "will have the ability to tap into the vast unutilized deal flow that exists across TZP's platform" and that your business strategy "will be augmented by the TZP platform." Please revise to clarify the basis for these statements, including the extent to which there are any agreements, arrangements or understandings with TZP to provide access to databases or other similar benefits you discuss on pages 7, 87, 90 and elsewhere. If there is no written or oral agreement to provide the specified benefits please revise accordingly.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
