Dear Mr. Wasserman:

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Form S-1 filed October 7, 2020

Structural Flexibility, page 7

1. We note your response to comment 1. Consistent with your response, please revise disclosure under this caption on pages 7 and 83 to clarify that the flexibility you describe refers to the Sponsor's ability to transfer or forfeit founder shares, or to agree to vesting requirements in connection with an initial business combination. Please further clarify that any transfers or other actions taken with respect to the founder shares will only be on terms that are consistent with, and that will not require any waiver or amendment of, the restrictions and waivers set forth in the letter agreement or the conversion terms of the founder shares, all as described in the prospectus.
