Amendment No.1 to Registration Statement on Form S-1 filed January 14, 2021

Risk Factors, page 34

1. Please include a risk factor to highlight that as the number of special purpose acquisition companies evaluating targets increases, attractive targets may become scarcer and there may be more competition for attractive targets which could increase the cost of your initial business combination and could even result in your inability to find a target or to consummate an initial business combination.

Signatures, page II-7

2. Please include the signatures of a majority of your board of directors below the second paragraph of text required on the Signatures page.
