Libertas Institute - Utah's free market think tank increasing liberty in the beehive state

Dec 2011 - Present · 8 yrs 10 mos

Utah

Libertas Institute is a free market public policy "think tank" located in and focusing on Utah. We've been the change agents behind many laws that increase freedom and decrease government power. We focus on free markets, property rights, personal freedom, justice and due process, and limited and open government.

The Tenth Amendment Center is a national think tank that works to preserve and protect the principles of strictly limited government through information, education, and activism. The center serves as a forum for the study and exploration of state and individual sovereignty issues, focusing primarily on the decentralization of federal government power as required by the Constitution.
