Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Registration Statement on Form S-1

A Letter From PETCO, page iii

1. Please balance your statements about the company's positive growth prospects with a discussion of the risks and obstacles you face, including the significant losses that you have incurred and your accumulated deficit. Please also remove statements that suggest you are the only pet care company that provides food, supplies, grooming, training, and vet services in an integrated fashion or provide the basis for this statement. Similarly, please tell us how you determined that you are making "massive, positive impacts" on pets, parents, your partners, and the communities you serve. Lastly, given that you continue to operate in the same industry and the customers you serve remain fundamentally the same, please remove the statement that you are a "profoundly new Petco."
