Any action that may or that must be taken by the Members shall be by a Majority of Members entitled to Vote.

7.2. Record Date for Voting. The record date for determining the Members entitled to Notice of any Meeting, to vote, to receive any distribution, or to exercise any right in respect of any other lawful action, shall be the date set by a Majority of Members.

7.3. Proxy. At all Meetings of Members, a Member may vote in person or by Proxy. Such proxy shall be filed with any Member before or at any time of the Meeting and may be filed by facsimile transmission to a Member at the principal executive office of the Company or such other address as may be given by the Manager to the Members for such purpose.

ARTICLE VIII: TRANSFERS OF MEMBERSHIP INTERESTS

8.1. Withdrawal. A Member may withdraw from the Company at any time by giving Notice of Withdrawal to all other Members at least one hundred and eighty (180) calendar days before the effective date of withdrawal. Withdrawal shall not release a Member from any obligations and liabilities under this Agreement accrued or incurred before the effective date of withdrawal. A withdrawing Member shall divest such Member's Membership Interest; provided, however, that such Member shall retain such Member's Economic Membership Interest and all rights and privileges associated with such interest under this Agreement, unless the Company or other Members exercise their option to purchase such Membership Interest pursuant to Sections 8.4 and 8.5 below.

8.2. Permitted Transfers. A Member shall not effect a Transfer of any part of the Member's Membership Interest, whether a Voting Membership Interest or Economic Membership Interest, in the Company, whether now owned or hereafter acquired, unless (a) the Managers unanimously approve the transferee's admission to the Company as a Member upon such transfer and the Membership Interest to be transferred, when added to the total of all other Membership Interests transferred in the preceding 12 months, will not cause the termination of the Company under the Code and (b) the Member is a natural person wishes to transfer all or any portion of his or her Membership Interest to any revocable trust created for the benefit of the Member, or any combination between or among the Member, the Member's spouse, and the Member's issue; provided that the Member retains a beneficial interest in the trust and all of the Voting Interest included in such Membership Interest. A transfer of a Member's entire beneficial interest in such trust or failure to retain such Voting Interest shall be deemed a Transfer of a Membership Interest.

8.3. No Encumbrance. No Member may Encumber or permit or suffer any Encumbrance of all or any part of the Member's Membership Interest in the Company unless such Encumbrance has been approved in writing by all Members. Any Transfer or Encumbrance of a Membership Interest without such approval shall be void.

8.4 Company's Right of First Refusal, Option to Purchase Membership Interest. On the occurrence of any of the following events ("Triggering Events") with respect to a Member, the Company shall have the option to purchase all or any portion of the Membership Interest in the Company of such Member ("Selling Member") at the price and on the terms provided in Section 8.8 of this Agreement:

- (a) the death or incapacity of a Member;
- (b) the bankruptcy of a Member;
- (c) the winding up and dissolution of a corporate Member, or merger or other corporate reorganization of a corporate Member as a result of which the corporate Member does not survive as an entity;
- (d) except for the events stated in Section 8.2, the occurrence of any other event that is, or that would cause, a Transfer in contravention of this Agreement. Each Member agrees to promptly give Notice of a Triggering Event to all other Members; or
- (e) the withdrawal of a Member pursuant to Section 8.1.

On receipt of actual notice of any Triggering Event, the Company shall have the option, for a period ending 30 calendar days following the determination of the purchase price as provided in Section 8.8, to purchase such Membership Interest to which the option relates, at the price and on the terms provided in Section 8.8.

85. Members' Option to Purchase Membership Interest. After the 30 calendar day period has expired with respect to the Company's option to purchase the Membership Interest described in Section 8.4, the other Members, pro rata in accordance with their Membership Interests in the Company, shall then have the option, for a period of 30 calendar days thereafter, to purchase the Membership Interest not purchased by the Company, on the same terms and conditions as apply to the Company. If all other Members do not elect to purchase the entire remaining Membership Interest, then the Members electing to purchase shall have the right, pro rata in accordance with their Membership Interest in the Company, to purchase the additional Membership Interest available for purchase. The transferee of the Membership Interest that is not purchased shall hold such Membership Interest in the Company subject to all of the provisions of this Agreement.

86. Spousal Transfers. Notwithstanding any other provision of this Agreement:

(a) If, in connection with the divorce or dissolution of the marriage of a Member, any court issues a decree or order that transfers, confirms, or awards a Membership Interest, or any portion thereof, to that Member's spouse (an "Award"), then, notwithstanding that such transfer would constitute an unpermitted Transfer under this Agreement, that Member shall have the right to purchase from his or her former spouse the Membership Interest, or portion thereof, that was so transferred, and such former spouse shall sell the Membership Interest or portion thereof to that Member at the price set forth in Section 8.8 of this Agreement. If the Member has failed to consummate the purchase within 180 days after the Award (the "Dissolution Expiration Date"), the Company and the other Members shall have the option to purchase from the former spouse the Membership Interest or portion thereof pursuant to Section 8.4 and 8.5 of this Agreement; provided that the option period shall commence on the later of (i) the day following the Dissolution Expiration Date, or (ii) the date of actual notice of the Award.

(b) If, by reason of the death of a spouse of a Member, any portion of a Membership Interest is transferred to a Transferee other than (i) that Member or (ii) a trust created for the benefit of that Member (or for the benefit of that Member and any combination between or among the Member and the Member's issue) in which the Member is the sole Trustee and the Member, as Trustee or individually possesses all of the Voting Interest included in that Membership Interest, then the Member shall have the right to purchase the Membership Interest or portion thereof from the estate or other successor of his or her deceased spouse or Transferee of such deceased spouse, and the estate, successor, or Transferee shall sell the Membership Interest or portion thereof at the price set forth in Section 8.8 of this Agreement. If the Member has failed to consummate the purchase within 180 days after the date of death (the "Deceased Expiration Date"), the Company and the other Members shall have the option to purchase from the estate or other successor of the deceased spouse the Membership Interest or portion thereof pursuant to Section 8.4 and 8.5 of this Agreement; provided that the option period shall commence on the later of (i) the day following the Deceased Expiration Date, or (ii) the date of actual notice of the death.

87. Voting. No Member shall participate in any Vote or decision in any matter pertaining to the disposition of that Member's Membership Interest in the Company under this Agreement.

88. Value of Membership Interest. The purchase price of the Membership Interest that is the subject of an option under this Agreement shall be the Fair Market Value of such Membership Interest as determined under this Section 8.8. Each of the selling and purchasing parties shall use his, her, or its best efforts to mutually agree on the Fair Market Value. If the parties are unable to so agree within 30 days of the date on which the option is first exercisable (the "Option Date"), the selling party shall appoint, within 40 days of the Option Date, one appraiser, and the purchasing party shall appoint within 40 days of the Option Date, one appraiser. The two appraisers shall within a period of five additional days, agree on and appoint an additional appraiser. The three appraisers shall, within 90 days after the appointment of the third appraiser, determine the Fair Market Value of the Membership Interest in writing and submit their report to all the parties. The Fair Market Value shall be determined by disregarding the appraiser's valuation that diverges the greatest from each of the other two appraisers' valuations, and the arithmetic mean of the remaining two appraisers' valuations shall be the Fair Market Value. Each purchasing party shall pay for the services of the appraiser selected by it, plus one—half of the fee charged by the third appraiser. The option purchase price as so determined shall be payable in cash.

89. Substituted Members. Except as expressly permitted under Section 8.2, a prospective transferee (other than an existing Member) of a Membership Interest may be admitted as a Member with respect to such Membership Interest (a "Substituted Member") only (i) on the unanimous vote of the other Members in favor of the prospective transferee's admission as a Member, and (ii) on such prospective transferee's executing a counterpart of this Agreement as a party hereto. Any prospective transferee of a Membership Interest shall be deemed an Assignee, and, therefore, the owner of only an Economic Interest until such prospective transferee has been admitted as a Substituted Member.

8.10. Agreement Binding on Substituted Members. Any person admitted to the Company as a Substituted Member shall be subject to all provisions of this Agreement.

8.11 Qualification/Registration. The initial sale of Membership Interests in the Company to the Initial Members has not been qualified or registered under the securities laws of any state, or registered under the Securities Act of 1933, as amended, in reliance upon exemptions from the registration provisions of those laws. No attempt has been made to qualify the offering and sale of Membership Interests to Members under the California Corporate Securities Law of 1968, as amended, also in reliance upon an exemption from the requirement that a permit for issuance of securities be procured. Notwithstanding any other provision of this Agreement, Membership Interests may not be Transferred or Encumbered unless registered or qualified under applicable state and federal securities law or unless, in the opinion of legal counsel satisfactory to the Company, such qualification or registration is not required. The Member who desires to transfer a Membership Interest shall be responsible for all legal fees incurred in connection with said opinion.

ARTICLE IX: DISSOLUTION AND WINDING UP

9.1. Dissolution. The Company shall be dissolved on the first to occur of the following events:

- (a) The death or incapacity of a Member; or the bankruptcy or corporate dissolution of a Member; provided, however, that the remaining Members may, by the Vote of a Majority of Members within 90 days of the happening of that event, Vote to continue the Company, in which case the Company shall not dissolve. If the remaining Members fail to so Vote, the remaining Members shall wind up the Company. For purposes of this Paragraph (a), in determining a Majority of Members, the Percentage Interest of the Member who has died, become incapacitated, withdrawn, or who has become bankrupt or dissolved shall not be taken into account.
- (b) The expiration of the term of existence of the Company.
- (c) The written agreement of all Members to dissolve the Company.
- (d) The sale or other disposition of substantially all of the Company assets.
- (e) Entry of a decree of judicial dissolution pursuant to Corporations Code Section 7351.

92. Winding Up Business Affairs. On the dissolution of the Company, the Company shall engage in no further business other than that necessary to wind up the business and affairs of the Company. The Members who have not wrongfully dissolved the Company shall wind up the affairs of the Company. The Persons winding up the affairs of the Company shall give written Notice of the commencement of winding up by mail to all known creditors and claimants against the Company whose addresses appear in the records of the Company. After paying or adequately providing for the payment of all known debts of the Company (except debts owing to Members) the remaining assets of the Company shall be distributed or applied in the following order of priority:

(a) To pay the expenses of liquidation.

(b) To repay outstanding loans to Members. If there are insufficient funds to pay such loans in full, each Member shall be repaid in the ratio that the Member's respective loan, together with interest accrued and unpaid thereon, bears to the total of all such loans from Members, including all interest accrued and unpaid on those loans. Such repayment shall first be credited to unpaid principal due and the remainder shall be credited to accrued and unpaid interest.

(c) Among the Members in accordance with the provisions of Article IV, Section 4.6.

93. No Recourse. Each Member and Investor in the Company shall look solely to the assets of the Company for the return of the Member's or Investor's Investment, and if the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the Investment of any Member or Investor, such Member or Investor shall have no recourse against any other Members, Investors, or Manager for indemnification, contribution, or reimbursement.

ARTICLE X: CONFIDENTIALITY

10.1. Confidentiality. Each Member hereby covenants with the Company and each other Member that on the Transfer of the Member's Membership Interest, whether voluntary, involuntary, by operation of law, or by reason of any provision of this Agreement, the Member will not, without the Company's consent, directly or indirectly use or disclose in any manner any of the Company's Confidential Information as defined herein.

10.2. Confidential Information. "Confidential Information" means all trade secrets, know-how, customer lists, pricing policies, operational methods, programs, and other business information of the Company created, developed, produced, or otherwise arising before the date of the Transfer.

10.3. Injunctive Relief. Each Member hereby stipulates that a breach of the provisions of this Article X will result in irreparable damage and injury to the Company for which no money damages could adequately compensate it. If the Member breaches the provisions of this Agreement, in addition to all other remedies to which the Company may be entitled, the Company shall be entitled to an injunction to enforce the provisions of this Agreement, to be issued by any court of competent jurisdiction, to enjoin and restrain the Member and each and every Person concerned or acting in concert with the Member from the continuance of such breach. Each Member expressly waives any claim or defense that an adequate remedy at law might exist for any such breach.

ARTICLE XI: EXCULPATION and INDEMNIFICATION

11.1 No Member, Manager, Officer, employee or agent of the Company and no employee, agent or affiliate of a Member (collectively, the "Covered Persons") shall be liable to the Company or any other person who has an interest in or claim against the Company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence or willful misconduct.

11.2 To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement.

11.3 Expenses, including legal fees, incurred by a Covered Person defending any claim, demand, action, suit or proceeding shall be paid by the Company. The Covered Person shall be liable to repay such amount if it is determined that the Covered Person is not entitled to be indemnified as authorized in this Agreement. No Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of such Covered Person's gross negligence or willful misconduct with respect to such acts or omissions. Any indemnity under this Agreement shall be provided out of and to the extent of Company assets only.

11.4 A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any person as to matters the Covered Person reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, or any other facts pertinent to the existence and amount of assets from which distributions to the Members might properly be paid.

11.5 To the extent that, at law or in equity, a Covered Person has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any other Covered Person, a Covered Person acting under this Agreement shall not be liable to the Company or to any other Covered Person for its good faith reliance on the provisions of this Agreement. The provisions of the Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.

11.6 The foregoing provisions of this Article XI shall survive any termination of this Agreement.

ARTICLE XII: ATTORNEY-IN-FACT AND AGENT

Each Member, by execution of this Agreement, irrevocably constitutes and appoints the Manager as such Member's true and lawful attorney-in-fact and agent, with full power and authority in such Member's name, place, and stead to execute, acknowledge, and deliver, and to file or record in any appropriate public office: (a) any certificate or other instrument that may be necessary, desirable, or appropriate to qualify the Company as a limited liability company or to transact business as such in any jurisdiction in which the Company conducts business; (b) any certificate or amendment to the Company's articles of organization or to any certificate or other instrument that may be necessary, desirable, or appropriate to reflect an amendment approved by the Members in accordance with the provisions of this Agreement; (c) any certificates or instruments that may be necessary, desirable, or appropriate to reflect the dissolution and winding up of the Company; and (d) any certificates necessary to comply with the provisions of this Agreement. This power of attorney will be deemed to be coupled with an interest and will survive the Transfer of the Member's Economic Interest. Notwithstanding the existence of this power of attorney, each Member agrees to join in the execution, acknowledgment, and delivery of the instruments referred to above if requested to do so by the Manager. This power of attorney is a limited power of attorney and does not authorize any Member to act on behalf of another Member except as described in this Article XII.

ARTICLE XIII: ARBITRATION

Any action to enforce or interpret this Agreement or to resolve disputes between the Members or by or against any Member shall be settled by arbitration in accordance with the rules of the American Arbitration Association. Arbitration shall be the exclusive dispute resolution process in the State of California, but arbitration shall be a nonexclusive process elsewhere. Any party may commence arbitration by sending a written demand for arbitration to the other parties. Such demand shall set forth the nature of the matter to be resolved by arbitration. Arbitration shall be conducted at Los Angeles, California. The substantive law of the State of California shall be applied by the arbitrator to the resolution of the dispute. The parties shall share equally all initial costs of arbitration. The prevailing party shall be entitled to reimbursement of reasonable attorney fees, costs, and expenses incurred in connection with the arbitration. All decisions of the arbitrator shall be final, binding, and conclusive on all parties. Judgment may be entered upon any such decision in accordance with applicable law in any court having jurisdiction

thereof. No action at law or in equity based upon any claim arising out of or related to this Agreement shall be instituted in any court by any Member except (a) an action to compel arbitration pursuant to this section, or (b) an action to enforce an award obtained in an arbitration proceeding in accordance with this section.

ARTICLE XIV: GENERAL PROVISIONS

14.1 Entire Agreement. This Agreement constitutes the whole and entire agreement of the parties with respect to the subject matter of this Agreement, and it shall not be modified or amended in any respect except by a written instrument executed by all the parties. This Agreement replaces and supersedes all prior written and oral agreements by and among the Members or any of them.

14.2 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

14.3 Governing Law. Agreement shall be construed and enforced in accordance with the laws of the State of California.

14.4. Restrictions on Transferability. Each of the Members acknowledges that there are substantial restrictions on the transferability of the Membership Interest pursuant to this Agreement, that there is no public market for the Membership Interest and none is expected to develop, and that, accordingly, it may not be possible for the Member to liquidate the Member's interest in the Company.

14.5. Tax Consequences. Each Member acknowledges that there can be no assurance that the Code or the Regulations will not be amended or interpreted in the future in such a manner so as to deprive the Company and the Members of some or all of the tax benefits they might now receive, nor that some of the deductions claimed by the Company or the allocations of items of income, gain, loss, deduction, or credit among the Members may not be challenged by the Internal Revenue Service.

14.6. Exhibits. All Exhibits attached to this Agreement are incorporated and shall be treated as if set forth herein.

14.7. Severability. If any provision of this Agreement is determined by any court of competent jurisdiction or arbitrator to be invalid, illegal, or unenforceable to any extent, that provision shall, if possible, be construed as though more narrowly drawn, if a narrower construction would avoid such invalidity, illegality, or unenforceability or, if that is not possible, such provision shall, to the extent of such invalidity, illegality, or unenforceability, be severed, and the remaining provisions of this Agreement shall remain in effect.

14.8 Attorney's Fees. In the event that any dispute between the Company and the members or among the Members should result in arbitration, the prevailing party in such dispute shall be entitled to recover from the other party all reasonable fees, costs and expenses of enforcing any right of the prevailing party, including without limitation, reasonable attorneys' fees and expenses.

14.9. Successors and Assigns. This Agreement shall be binding on and inure to the benefit of the parties and their heirs, personal representatives, and permitted successors and assigns.

14.10. Pronouns. Whenever used in this Agreement, the singular shall include the plural, the plural shall include the singular, and the neuter gender shall include the male and female as well as a trust, firm, company, or corporation, all as the context and meaning of this Agreement may require.

14.1. Additional Documents and Acts. The parties to this Agreement shall promptly execute and deliver any and all additional documents, instruments, notices, and other assurances, and shall do any and all other acts and things, reasonably necessary in connection with the performance of their respective obligations under this Agreement and to carry out the intent of the parties.

14.12. Members' Outside Business or Activities. Except as provided in this Agreement, no provision of this Agreement shall be construed to limit in any manner the Members in the carrying on of their own respective businesses or activities.

14.13. No Agency. Except as provided in this Agreement, no provision of this Agreement shall be construed to constitute a Member, in the Member's capacity as such, the agent of any other Member.

14.14. Capacity. Each Member represents and warrants to the other Members that the Member has the capacity and authority to enter into this Agreement.

14.15. Headings. The article, section, and paragraph titles and headings contained in this Agreement are inserted as a matter of convenience and for ease of reference only and shall be disregarded for all other purposes, including the construction or enforcement of this Agreement or any of its provisions.

14.16. Amendment. This Agreement may be altered, amended, or repealed only by a writing signed by a Majority of the Members.

14.17. Time is of the Essence. Time is of the essence of every provision of this Agreement that specifies a time for performance.

14.18. Parties in Interest. This Agreement is made solely for the benefit of the parties to this Agreement and their respective permitted successors and assigns, and no other person or entity shall have or acquire any right by virtue of this Agreement.

IN WITNESS WHEREOF, the parties have executed or caused to be executed this Agreement effective on the day and year first above written.
