Volunteer Experience

Teacher Assistant

Make School

Oct 2018 – Mar 2019 • 6 mos

Teaching is the best way to learn (obviously because you cannot teach what you don't know). Through my journey at make school, I volunteer to be an iOS teacher assistant, which allow me to help my peers and learn even deeper in certain topics. As teacher assistant, I have covered several topics and concept such as protocol and delegation, Networking, auto layout, API, CoreData.
