Revised Preliminary Proxy Statement on Schedule 14A filed June 27, 2022

General

1. We note your response to comment 1 and the statement that the sponsor is controlled by a U.S. person. You also state on page 22 that you do not believe you are a "foreign person." However, you do not address whether the sponsor has substantial ties with a non-U.S. person. With a view to disclosure, please advise us if the sponsor has substantial ties with a non-U.S. person. In this regard, we note the statement on page 22 that approximately 13% of interests in the sponsor are owned by non-U.S. persons. Additionally, with respect to the remaining 87% owned by U.S. persons on a look-through basis, tell us whether they have substantial ties with non-U.S. persons.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
