Amendment No. 6 to Offering Statement on Form 1-A

General

1. We note the revisions to your website in response to comment 2. However, your website appears to be a solicitation of interest in your offering, and may in the future, once your offering is qualified, be an offer. Therefore, as requested in our prior comments, please update your website to include a hyperlink to your most recent offering circular, as required under Rule 251(d)(1)(iii) of Regulation A, and appropriate legends, as required under Rule 255 of Regulation A. The language provided on page 3 of your offering circular, along with an active hyperlink to your most recent offering statement, would satisfy these requirements. Please note that we will not qualify your offering statement until your website complies with the relevant rules.
