General

1. We note that you have previously effected reverse stock splits on October 13, 2023, February 2, 2024 and June 7, 2024. Please revise your disclosure in Proposal 1 to discuss these prior reverse stock splits and provide an analysis of whether the reverse stock splits achieved the intended and disclosed objectives or the objectives disclosed in Volcon's pending PRE14A. In the alternative, explain to us the basis for Volcon's belief that this information need not be disclosed in the PRE14A filed on September 27, 2024.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Please contact Thomas Jones at 202-551-3602 or Erin Purnell at 202-551-3454 with any questions.
