SUMMARY

The following summary highlights information contained elsewhere or incorporated by reference in this Form C. This summary may not contain all of the information that may be important to you. You should read this entire Form C carefully, including the matters discussed under the section titled "Risk Factors."

The Company

Smart Vylon, LLC, a Delaware series limited liability company (the "**Company**"), was converted in April 2020 from a Delaware corporation to a series limited liability company to facilitate private investments in real estate in Mexico. The Securities (as defined herein) offered in this Offering are membership interests in Nectar Series, a series of the Company.

The Company intends to establish several series under Delaware law (each, a "**Series**"), each of which will have separate assets and liabilities. Each Series may have managers, assets, and members that are separate from the managers, assets, and members associated with the Company generally and the other individual Series. The profits and losses of a particular Series may be attributed only to the members associated with that Series or to the Company generally. As a Delaware series limited liability company, the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular Series are segregated and enforceable only against the assets of such Series, as provided under Delaware law.

Since forming the Company, we have been engaged primarily in negotiations to acquire the real estate property described herein, which will be held by Nectar Series, and developing the financial, offering and other materials to begin the Offering. The Company's core business will be the, acquisition, marketing and management of five condominiums at Nectar Tulum (each a "**Unit**" and together, the "**Units**"), a residential condominium complex located at Smz56 Lote9 Calle Asteroides Tulum, Quintana Roo (the "**Property**"). For more information, see *The Offering and the Securities*.

The Company is located at José María Velasco 13-502, San José Insurgentes, Benito Juárez, CDMX, 03900. The Company's website is <http://nectartulum.com/>.

A description of our intended operations and business plan can be found on the Company's profile page on the Intermediary's website under <https://republic.co/nectar-tulum> and is attached as Exhibit B to this Form C.

Manager

The Company is managed by Vylon Balance Solutions, LLC, a Florida limited liability company (the "**Manager**" or "**Managing Member**"). Vylon Balance Solutions, LLC is also the sole member of the Company. The Manager is not a member of Nectar Series. Pursuant to the terms of our Amended and Restated Limited Liability Company Agreement (the "**Operating Agreement**"), the Manager will provide certain management and advisory services to us and to each of our Series and their subsidiaries, as well as a management team and appropriate support personnel. The Manager is wholly owned by our Chief Executive Officer. For more information regarding our Chief Executive Officer and management team, see the section of this Form C titled "*Directors, Officers and Managers*."

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. In addition to the risks specified below, the Company is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment. As used in this section, “we” refers to the Company and Nectar Series.

Risks Related to the Company’s Business and Industry

We have a limited operating history, which makes our future performance difficult to predict.

The Company has no operating history. In making an investment decision, you should consider the risks, uncertainties and difficulties frequently encountered by newly formed companies with similar objectives. We have minimal operating capital and for the foreseeable future will be dependent upon our ability to finance our operations from the sale of equity or other financing alternatives. The failure to successfully raise operating capital, could result in our bankruptcy or other event which would have a material adverse effect on our business. There can be no assurance that we will achieve our investment objectives.

Our Manager has a limited operating history upon which you can evaluate their performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

Our Manager, formed in 2016, has a limited operating history and is just beginning to implement its business plan. There can be no assurance that we will ever operate profitably. Our manager may not be successful in attaining the objectives necessary for it to overcome the risks and uncertainties that any new company encounters.

We have no historic financial statements. Neither the Company nor any Series has any assets or liabilities.

The Company was recently formed in December 2019. At the time of this filing, neither the Company nor any of the Series have not commenced operations, are not capitalized and have no assets or liabilities and no Series will commence operations, be capitalized or have assets and liabilities until such time as a closing related to such Series has occurred.

An investment in the Securities constitutes only an investment in Nectar Series Interests and not in the Company or directly in any real property.

An Investor in this Offering will acquire an ownership interest in the Series related to the Offering and not, for the avoidance of doubt, in (i) the Company, (ii) any other Series, (iii) the Manager, (iv) directly in the Units or the Property associated with the Series or any properties or assets owned by any other Series. This results in limited voting rights of the Investor, which are solely related to a particular Series, and are further limited by the Operating Agreement, described further herein. Investors will have voting rights only with respect to certain matters, primarily relating to amendments to the Operating Agreement that would adversely change the rights of the Members and removal of the Manager for "cause." The Manager thus retains significant control over the management of the Company, each Series and the Units. Furthermore, because the membership interests in a Series do not constitute an investment in the Company as a whole, holders of the membership interests in a Series are not expected to receive any economic benefit from, or be subject to the liabilities of, the assets of any other Series. In addition, the economic interest of a holder in a Series will not be identical to owning a direct undivided interest in the Units.

Global crises such as COVID-19 can have a significant effect on our business operations and revenue projections.

With shelter-in-place orders, travel bans, and non-essential business closings potentially happening throughout 2020 and into the future due to COVID-19, Nectar Series' ability to generate revenue may be adversely

affected. Tulum is a travel destination and we intend to market the Units as short-term rental properties. Due to national and international travel restrictions stemming from the spread of COVID-19, we expect fewer people will travel to Tulum and we may be unable to rent the Units. Therefore, we may generate significantly less revenue than expected.

Adverse economic or other conditions in the specific market in which we do business, and the market more broadly, could negatively affect our occupancy levels and rates and therefore our operating results.

Tulum is a beach community and its local economy depends heavily on the vacation, travel, tourism and recreation industries. As a result, we may be adversely affected by such factors as:

- national global economic recessions and downturns and corresponding declines in discretionary vacation, travel, tourism and recreational spending levels;
- national and international travel downturns and restrictions;
- the accessibility and convenience of airline flights into the Tulum airport, which can be affected by severe winter weather;
- overall weather patterns and natural conditions in Tulum and in Mexico, such as the amount and timing of tropical storms and other hazardous weather conditions in the summer;
- trends regarding the use of competing hotels and short-term rental properties, and the development of new short-term rental properties in the Tulum area;
- demographic trends regarding vacation and recreational preferences; and
- possible future changes in the currently zoning regulations which may make it easier for competing real estate projects to be developed, which in turn may reduce the current prices paid for existing lodging facilities.

Our ability to make distributions to Investors may be adversely affected by various operating risks common to the short-term rental industry, including competition, over-building in the Tulum area and dependence on business travel and tourism in Tulum, Mexico.

Short-term rental properties have different economic characteristics than many other real estate assets.

A typical office property, for example, has long-term leases with third-party tenants, which provides a relatively stable long-term stream of revenue. Short-term rental properties, on the other hand, generate revenue from guests that typically stay at the property for only a few nights, which causes the room rate and occupancy levels at such properties to change every day, and results in earnings can be highly volatile. In addition, the Units may be subject to various operating risks common to the lodging industry, many of which are beyond our control, including, among others, the following:

- competition from other hotels and rental properties in the market in which we operate;
- over-building of hotels in the market in which we operate, which results in increased supply and will adversely affect occupancy and revenues of the Units;
- introduction of new concepts and products such as Airbnb®, HomeAway® and VRBO®;
- dependence on travelers and tourism;
- increases in energy costs and other expenses affecting travel, which may affect travel patterns and reduce the number of business and commercial travelers and tourists;
- requirements for periodic capital reinvestment to repair and upgrade the Units;

- increases in operating costs due to inflation and other factors that may not be offset by increased room rates;
- changes in governmental laws and regulations, fiscal policies and zoning ordinances and the related costs of compliance with laws and regulations, fiscal policies and ordinances;
- adverse effects of international, national, regional and local economic and market conditions;
- unforeseen events beyond our control, such as terrorist attacks, travel-related health concerns, including pandemics and epidemics, imposition of taxes or surcharges by regulatory authorities, travel-related accidents and unusual weather patterns, including natural disasters such as tornadoes, blizzards or earthquakes; and
- adverse effects of continued or worsening conditions in the lodging industry.

The occurrence of any of the foregoing could materially and adversely affect our business and the value of the Securities.

Competition from other condominiums located on the Property and in the Tulum area could have a material adverse effect on our results of operations.

The lodging industry is highly competitive. The Units will compete with other short-term rental properties and hotels for guests in based on a number of factors, including location, convenience, room rates, range of services and guest amenities or accommodations offered and quality of customer service. Competition is specific to the individual market in which the Units are located and includes competition from existing and new hotels, as well as alternative lodging companies such as Airbnb®, HomeAway® and VRBO®. Our competitors may have an operating model that enables them to offer rooms at lower rates than we can, which could result in our competitors increasing their occupancy at our expense.

The seasonality of the lodging industry could have a material adverse effect on us.

The lodging industry is seasonal in nature, which can be expected to cause quarterly fluctuations in our revenues. Our quarterly earnings may be adversely affected by factors outside our control, including weather conditions and poor economic factors in the specific market in which we operate. We can provide no assurances that our cash flows will be sufficient to offset any shortfalls that occur as a result of these fluctuations. Consequently, volatility in our financial performance resulting from the seasonality of the lodging industry could have a material adverse effect on us.

Nectar Series will own the Units, a non-diversified investment.

We intend for Nectar Series, either directly or through its subsidiaries, to own and operate the Units that exist on the Property. The Nectar Series' return on its investment will depend on the revenues generated by the Units and the appreciation of the value of the Units over time. These, in turn, are determined by such factors as national and local economic cycles and conditions, financial markets and the economy, competition from existing properties as well as future properties and government regulation (such as tax and building code charges). The value of a Units may decline substantially after the Nectar Series purchases the Units.

We may become subject to litigation or threatened litigation that may divert management's time and attention, require us to pay damages and expenses or restrict the operation of our business.

We may become subject to disputes with commercial parties with whom we maintain relationships or other parties with whom we do business. Any such dispute could result in litigation between us and the other parties. Whether or not any dispute actually proceeds to litigation, we may be required to devote significant management time and attention to its successful resolution (through litigation, settlement or otherwise), which would detract from our management's ability to focus on our business. Any such resolution could involve the payment of damages or expenses by us, which may be significant. In addition, any such resolution could involve our agreement with terms that restrict the operation of our business. We also could be sued for personal injuries and/or property damage occurring at the

Units or Property. We may obtain liability insurance that fails to cover all costs and expenses arising from such lawsuits.

Our business is subject to the risks of fires and other natural catastrophic events and to interruption by manmade problems such as computer viruses or terrorism.

Our systems and operations are vulnerable to damage or interruption from fires, power losses, telecommunications failures, terrorist attacks, acts of war, human errors, break-ins and similar events. For example, a significant natural disaster, such as an earthquake, fire or flood, could have a material adverse impact on our business, operating results and financial condition. Our IT systems may also be vulnerable to computer viruses, break-ins and similar disruptions from unauthorized tampering with our computer systems, which could lead to interruptions, delays, loss of critical data or the unauthorized disclosure of confidential intellectual property or client data. We may not have sufficient protection or recovery plans in certain circumstances, such as natural disasters affecting the Tulum area, and our business interruption insurance may be insufficient to compensate us for losses that may occur. Such disruptions could negatively impact our ability to run our business, which could have an adverse effect on our operating results and financial condition.

The amount of capital the Company is attempting to raise in this Offering may not be enough to sustain the Company's current business plan.

In order to achieve the Company's near and long-term goals, the Company may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Company will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

Our success depends on the experience and skill of our Manager and our executive officers.

In particular, we are dependent on the Manager and our Chief Executive Officer and Chief Operating Officer. We do not intend to enter into employment agreements with such officers, and there can be no assurance they will continue to serve as officers for a particular period of time. The loss of our Manager or any executive officer could harm our business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Manager does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Manager has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, Nectar Series will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Manager and our operations. We have no way to guarantee key personnel will stay with the Manager, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our Property will be subject to the risks typically associated with real estate.

Our Property will be subject to the risks typically associated with real estate. The value of real estate may be adversely affected by a number of risks, including:

- natural disasters such as hurricanes, earthquakes and floods;
- acts of war or terrorism, including the consequences of terrorist attacks;
- adverse changes in national and local economic and real estate conditions;
- an oversupply of (or a reduction in demand for) and the attractiveness of the Property to prospective tenants;
- changes in governmental laws and regulations, fiscal policies and zoning ordinances and the related costs of compliance therewith and the potential for liability under applicable laws;
- costs of remediation and liabilities associated with environmental conditions; and;
- the potential for uninsured or underinsured property losses.

The value of the Units will be affected significantly by their ability to generate cash flow and net income, which in turn depends on the amount of rental or other income that can be generated net of expenses required to be incurred with respect to the Units. Many expenditures associated with the Units (such as operating expenses and capital expenditures) cannot be reduced when there is a reduction in income from the Units.

These factors may have a material adverse effect on the value that we can realize from the Units.

We may not be able to sell the Units at a price equal to, or greater than, the total amount of capital we have invested in the Units, which may lead to a decrease in the value of the Securities.

The value of the Units to a potential purchaser may not increase over time, which may restrict our ability to sell each Unit, or if we are able to sell such Units, may lead to a sale price less than the price that we paid to purchase a Units. Such loss, would reduce the value of the Securities.

We may be unable to rent the Units.

If the rental rates for the Units decrease or we are not able to rent the Units our financial condition, results of operations, cash flow, the market value of our Securities our ability to make distributions to our Investors could be adversely affected.

The actual rents we receive for the Units may be less than estimated market rents, and we may experience a decline in realized rental rates from time to time, which could adversely affect our financial condition, results of operations and cash flow.

As a result of potential factors, including competitive pricing pressure in the short-term rental market, a general economic downturn and the desirability of the Units compared to other, we may be unable to realize our estimated market rents for the Units. If we are unable to obtain sufficient rental rates for the Units, then our ability to generate cash flow growth will be negatively impacted.

Our Property may be subject to impairment charges.

We will periodically evaluate the Units for impairment indicators. The judgment regarding the existence of impairment indicators is based on factors such as market conditions, tenant performance and legal structure. For example, the early termination of, or default under, a lease by a tenant may lead to an impairment charge. If we determine that an impairment has occurred, we would be required to make a downward adjustment to the net carrying value of the Units. Impairment charges also indicate a potential permanent adverse change in the fundamental

operating characteristics of the impaired property. There is no assurance that these adverse changes will be reversed in the future and the decline in the impaired property's value could be permanent.

We may rely on third-party websites such as AirBNB® and VRBO® to rent the Units.

We may rely on certain third-party services providers to market and rent the Units. Such third-party sites typically charge fees for using their services, which will decrease the revenue we receive for renting the Units. Our reliance on these sites may negatively impact our ability to generate the projected revenue we expect to receive from renting each Units. Additionally, the unavailability of such sites may cause us to experience increased marketing costs and could lead to lower occupancy rates. If such sites were to become unavailable or increase their service charges, our business and the value of the Securities could be negatively impacted.

Property taxes could increase due to property tax rate changes or reassessment, which could impact our cash flow.

The real property taxes on our Units may increase as property tax rates change or as the Units are assessed or reassessed by taxing authorities. If the property taxes we pay increase, our financial condition, results of operations, cash flow, the value of our Securities and our ability to satisfy our principal and interest obligations and to make distributions to our Investors could be adversely affected.

Uninsured losses relating to real property or excessively expensive premiums for insurance coverage could reduce our cash flows and the return on our Investors' investments.

There are types of losses, generally catastrophic in nature, such as losses due to wars, acts of terrorism, earthquakes, floods, hurricanes, pollution or environmental matters that are uninsurable or not economically insurable, or may be insured subject to limitations, such as large deductibles or co-payments. Insurance risks associated with such catastrophic events could sharply increase the premiums we pay for coverage against property and casualty claims.

Changes in the cost or availability of insurance could expose us to uninsured casualty losses. If the Units incur a casualty loss that is not fully insured, the value of our assets will be reduced by any such uninsured loss, which may reduce the value of our Investors' Securities. In addition, other than any working capital reserve or other reserves we may establish, we have no source of funding to repair or reconstruct any uninsured property. Also, to the extent we must pay unexpectedly large amounts for insurance, we could suffer reduced earnings that would result in lower distributions to Investors.

Climate change may adversely affect our business.

To the extent that climate change does occur and affects the markets that we invest in, we may experience extreme weather and changes in precipitation and temperature, all of which may result in physical damage or a decrease in demand for the Units. Should the impact of climate change be material in nature or occur for lengthy periods of time, the financial condition or results of operations for the Units would be adversely affected. In addition, changes in federal and state legislation and regulation on climate change could result in increased capital expenditures to improve the energy efficiency of the Units in order to comply with such regulations

Real estate investments are relatively illiquid and may limit our flexibility.

Real estate investments are relatively illiquid, which may tend to limit our ability to react promptly to changes in economic or other market conditions. Our ability to dispose of the Units in the future will depend on prevailing economic and market conditions. Our inability to sell the Units on favorable terms or at all could have an adverse effect on our sources of working capital and our ability to satisfy our debt obligations.

The failure of any bank in which we deposit our funds could reduce the amount of cash we have available to pay distributions to our Investors and make additional investments.

We intend to diversify our cash and cash equivalents among several banking institutions in an attempt to minimize exposure to any one of these entities. However, the Federal Deposit Insurance Corporation, or FDIC, only insures amounts up to \$250,000 per depositor per insured bank. We may have cash and cash equivalents and restricted cash deposited in certain financial institutions in excess of federally insured levels. If any of the banking institutions in which we have deposited funds ultimately fails, we may lose our deposits over \$250,000.

Potential development and construction delays and resultant increased costs and risks may hinder our operating results and decrease our net income.

The Units will be subject to the uncertainties associated with the development and construction of real property, including those related to re-zoning land for development, environmental concerns of governmental entities and community groups and our builders' ability to build in conformity with plans, specifications, budgeted costs and timetables. If a builder fails to perform, we may resort to legal action to rescind the purchase or the construction contract or to compel performance. A builder's performance may also be affected or delayed by conditions beyond the builder's control. We may incur additional risks if we make periodic progress payments or other advances to builders before they complete construction. These and other factors can result in increased costs of a project or loss of our investment. In addition, we will be subject to normal lease-up risks relating to newly constructed projects. We also must rely on rental income and expense projections and estimates of the fair market value of property upon completion of construction when agreeing upon a purchase price at the time we acquire the property. If our projections are inaccurate, we may pay too much for the Units, and the return on our investment could suffer.

Costs imposed pursuant to governmental laws and regulations may reduce our net income and the cash available for distributions to our Investors.

Real property and the operations conducted on real property are subject to federal, state and local laws and regulations relating to protection of the environment and human health. We could be subject to substantial liability in the form of fines, penalties or damages for noncompliance with these laws and regulations. Even if we are not subject to liability, other costs, which we would undertake to avoid or mitigate any such liability, such as the cost of removing or remediating hazardous or toxic substances could be substantial. These laws and regulations generally govern wastewater discharges, air emissions, the operation and removal of underground and above-ground storage tanks, the use, storage, treatment, transportation and disposal of solid and hazardous materials, the remediation of contamination associated with the release or disposal of solid and hazardous materials, the presence of toxic building materials and other health and safety-related concerns.

The presence of hazardous substances, including hazardous substances that have not been detected, or the failure to properly manage or remediate these substances, may hinder our ability to sell, rent or pledge such property as collateral for future borrowings. Any material expenditures, fines, penalties or damages we must pay will reduce our ability to make distributions to our Investors and may reduce the value of your investment.

Certain environmental laws and common law principles could be used to impose liability for the release of and exposure to hazardous substances, including asbestos-containing materials and lead-based paint. Third parties may seek recovery from real property owners or operators for personal injury or property damage associated with exposure to released hazardous substances and governments may seek recovery for natural resource damage. The costs of defending against claims of environmental liability, of complying with environmental regulatory requirements, of remediating any contaminated property, or of paying personal injury, property damage or natural resource damage claims could reduce the amounts available for distribution to our Investors.

The cost of defending against claims of liability, of compliance with environmental regulatory requirements, of remediating any contaminated property, or of paying personal injury claims could materially adversely affect our business, assets or results of operations and, consequently, amounts available for distribution to our Investors. We may be subject to all the risks described here even if we do not know about the hazardous materials and if the previous owners did not know about the hazardous materials on the property.

In addition, when excessive moisture accumulates in buildings or on building materials, mold growth may occur, particularly if the moisture problem remains undiscovered or is not addressed over a period of time. Some molds may produce airborne toxins or irritants. Concern about indoor exposure to mold has been increasing, as exposure to mold may cause a variety of adverse health effects and symptoms, including allergic or other reactions. As a result, the presence of significant mold at any of our projects could require us to undertake a costly remediation program to contain or remove the mold from the affected property or development project, which would adversely affect our operating results.

Environmental laws also may impose liens on property or restrictions on the manner in which property may be used or businesses may be operated, and these restrictions may require substantial expenditures or prevent us or our property manager and its assignees from operating the Units. Some of these laws and regulations have been

amended so as to require compliance with new or more stringent standards as of future dates. Compliance with new or more stringent laws or regulations or stricter interpretation of existing laws may require us to incur material expenditures. Future laws, ordinances or regulations may impose material environmental liability.

A prolonged economic slowdown, a lengthy or severe recession or declining real estate values could harm our operations.

The Units may be susceptible to economic slowdowns or recessions, which could lead to financial losses in our investments and a decrease in revenues, net income and assets. An economic slowdown or recession, in addition to other non-economic factors such as an excess supply of properties, could have a material negative impact on the values of, and the cash flows from, residential real estate properties, which could significantly harm our revenues, results of operations, financial condition, business prospects and our ability to make distributions to our Investors.

Deficiencies in our internal control over financial reporting could adversely affect our ability to present accurately our financial statements and could materially and adversely affect us, including our business, reputation, results of operations, financial condition or liquidity.

Effective internal control is necessary for us to accurately report our financial results. There can be no guarantee that our internal control over financial reporting will be effective in accomplishing all control objectives all of the time. As we grow our business, our internal control will become more complex, and we may require significantly more resources to ensure our internal control remains effective. Deficiencies, including any material weakness, in our internal control over financial reporting which may occur in the future could result in misstatements of our results of operations that could require a restatement, failing to meet our reporting obligations and causing investors to lose confidence in our reported financial information. These events could materially and adversely affect us, including our business, reputation, results of operations, financial condition or liquidity.

The Company is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Company may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) Company, the Company is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Company's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Company of such compliance could be substantial and could have a material adverse effect on the Company's results of operations.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of Mexican state and local laws and regulations, such as local licensing requirements, consumer protection, environmental, health and safety, and other regulations and we expect the costs associated with complying with all applicable laws to increase going forward. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease and desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we have incurred and will continue to incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

We are dependent on the performance of our Manager, and could be materially and adversely affected if our Manager or their designee does not manage the Units in our best interests.

The Manager expects to appoint a property manager (the “**Property Manager**”) to manage the Units. We could be materially and adversely affected if our Property Manager fails to provide quality services and amenities, fails to maintain a quality brand name or otherwise fails to manage the Units in our best interest. The Property Manager may manage other condominiums on the Property and will not be required to prioritize the Units over other condominiums on the Property.

We have not yet selected a Property Manager, but we intend to do so following the completion of this Offering. The Property Manager will be chosen our Manager after considering such person or entity's experience in managing properties similar to the Nectar Series Property, the quality of the services offered, and the fees charged. If the Manager is unable to select a Property Manager within a reasonable period of time following this Offering, the performance of the Units as an investment may suffer and the value of the Securities may be adversely affected.

Any adverse changes in the Manager's financial health or our relationship with the Manager or its affiliates could hinder our operating performance and the return on your investment.

The Manager will utilize its personnel to perform services on its behalf for us. Our ability to achieve our investment objectives and to pay distributions to our Investors is dependent upon the performance of the Manager and its affiliates as well as the Manager's real estate professionals in the management of the Units and operation of our day-to-day activities. Any adverse changes in the Manager's financial condition or our relationship with the Manager could hinder the Manager's ability to successfully manage our operations and the Units.

Disposing of or attempting to dispose of multiple Units in a single transaction may adversely affect our operations.

From time to time, we may attempt to dispose of the Units in a single transaction or simultaneously. Multiple property portfolio dispositions are more complex than single-property dispositions, and the risk that a portfolio disposition does not close may be greater than in a single-property acquisition. The Nectar Series Properties may compete with each other and sale of other condominiums located at the Property. To dispose of multiple Nectar Series Properties in a single transaction we may be required to discount the sales price of one or more of the Units, which would reduce the value of the Securities.

Real estate investments are relatively illiquid and may limit our flexibility.

Real estate investments are relatively illiquid, which may tend to limit our ability to react promptly to changes in economic or other market conditions. Our ability to dispose of assets in the future will depend on prevailing economic and market conditions. Our inability to sell the Nectar Series Properties on favorable terms or at all could have an adverse effect on our sources of working capital and our ability to satisfy our debt obligations. In addition, real estate can at times be difficult to sell quickly at prices we find acceptable. When we sell any of our assets, we may recognize a loss on such sale, which would adversely impact the price of the Securities and our ability to pay distributions to the Investors who subscribe for the Securities.

Potential development and construction delays and resultant increased costs and risks may hinder our operating results and decrease our net income.

The Property and the Units are under construction. Investments in the Units will be subject to the uncertainties associated with the development and construction of real property, including those related to re-zoning land for development, environmental concerns of governmental entities and community groups and our builders' ability to build in conformity with plans, specifications, budgeted costs and timetables. If a builder fails to perform, we may resort to legal action to rescind the purchase or the construction contract or to compel performance. A builder's performance may also be affected or delayed by conditions beyond the builder's control. We may incur additional risks when we make periodic progress payments or other advances to builders the Units.

We also must rely on rental income and expense projections and estimates of the fair market value of property upon completion of construction when agreeing upon a purchase price at the time we acquire the property. If our projections are inaccurate, we may pay too much for a property, and the return on our investment could suffer.

Risks Related to Conflicts of Interest

The Manager's liability is limited under the Operating Agreement, and we have agreed to indemnify the Manager against certain liabilities. As a result, we may experience poor performance or losses of which the Manager would not be liable.

Pursuant to the Company's Operating Agreement, the Manager will not assume any responsibility other than to render the services called for thereunder and will maintain a contractual, as opposed to a fiduciary, relationship with us and the Members of Nectar Series. Under the terms of the Operating Agreement, the Manager, its officers, investors, members, managers, directors and personnel, any person controlling or controlled by the Manager will not be liable to Nectar Series or its members for acts or omissions performed in accordance with and pursuant to the Operating Agreement, except by reason of acts or omissions constituting bad faith, willful misconduct, gross negligence, or reckless disregard of their duties thereunder. Accordingly, the Members of Nectar Series will only have recourse and be able to seek remedies against the Manager to the extent it breaches its obligations pursuant to the Operating Agreement. Furthermore, we have agreed to limit the liability of the Manager and to indemnify the Manager against certain liabilities. The Members of Nectar Series, by executing the Operating Agreement, will agree to reimburse, indemnify and hold harmless the Manager, its officers, investors, members, managers, directors and personnel, any person controlling or controlled by the Manager with respect to all expenses, losses, damages, liabilities, demands, charges and claims in respect of, or arising from, acts or omissions of such indemnified parties not constituting bad faith, willful misconduct, gross negligence, or reckless disregard of the Manager's duties.

You may be more likely to sustain a loss on your investment because the Manager does not have as strong an economic incentive to avoid losses as do managers who have made significant equity investments in their companies.

Because it has not made a significant equity investment in our Company, the Manager will have little exposure to loss in the value of the Securities. Without this exposure, Investors may be at a greater risk of loss because the Manager does not have as much to lose from a decrease in the value of the Securities as do those Managers who make more significant equity investments in their companies.

If the principals of the Manager are unable to sell the other condominiums located on the Property, they may hold an interest in an entity that owns the unsold condominiums indefinitely, meaning an affiliate of the Manager could compete with Nectar Series for customers and will not be obligated to prioritize the Units in renting to customers.

Competition by an affiliate of our Manager, as well as other persons owning and leasing condominiums at Nectar Tulum, could adversely affect our occupancy rates and revenue streams and may require us to provide additional amenities or make capital improvements that we otherwise would not have to make, which could reduce our profitability and could materially and adversely affect our results of operations.

The ability of the Manager and its officers and other personnel to engage in other business activities, including managing other similar companies, may reduce the time the Manager spends managing the business of our Company and may result in certain conflicts of interest.

Certain of the Manager's officers also serve or may serve as officers or employees of other companies unaffiliated with us. These other business activities may reduce the time these persons spend managing our business. Further, if and when there are turbulent conditions in the real estate markets or distress in the credit markets or other times when we will need focused support and assistance from the Manager, the attention of the Manager's personnel and executive officers and the resources of the Manager may also be required by other entities. In such situations, we may not receive the level of support and assistance that we may receive if we were internally managed or if we were not managed by the Manager. In addition, these persons may have obligations to those entities, the fulfillment of which might not be in the best interests of us, or any of our Investors. Our officers and the Manager may face conflicts of interest in allocating sale, financing, leasing and other business opportunities among the real properties owned by other companies.

The terms of the Operating Agreement make it so that it may adversely affect the Members ability to terminate the Manager and retain a new one.

Under the terms of the Operating Agreement, the members of Nectar Series may terminate the Manager upon the occurrence of a "Manager Material Default" and an affirmative vote of the members holding 51% of the of Nectar Series Interests. The term "Manager Material Default" is limited to those circumstances described under "*Business – Manager – Term and Removal of the Manager*" which include certain material breaches, certain acts constituting fraud, misappropriation of funds, embezzlement and gross negligence, certain bankruptcy matters and the dissolution

of the Manager. Unsatisfactory financial performance does not constitute “cause” under the Operating Agreement. These provisions make it difficult to end Nectar Series' relationship with the Manager, even if members of Nectar Series believe the Manager's performance is not satisfactory.

The Operating Agreement of the Company and Series Designation of Nectar Series does not provide for the Manager to receive any fee for managing the Units. If the Members of Nectar Series terminate the Manager, the value of the Securities will be adversely affected since the Members would need to appoint and compensate a new Manager for Nectar Series.

The Operating Agreement contains provisions that reduce or eliminate duties (including fiduciary duties) of the Manager.

The Operating Agreement provides that the Manager, in exercising its rights in its capacity as the Manager, will be entitled to consider only such interests and factors as it desires, including its own interests, and will have no duty or obligation (fiduciary or otherwise) to give any consideration to any interest of or factors affecting us or any of our the Members and will not be subject to any different standards imposed by our bylaws, or under any other law, rule or regulation or in equity. These modifications of fiduciary duties are expressly permitted by Delaware law.

There are conflicts of interest among us, the Manager and its affiliates.

While they do not currently serve as executive officers of our Manager, each of our executive officers may serve as an executive officer of the Manager, which is wholly owned by such Victor Hugo Rosales Aranda. All the agreements and arrangements between such parties, including those relating to compensation, are not the result of arm's-length negotiations. Some of the conflicts inherent in the Company's transactions with the Manager and its affiliates, and the limitations on such parties adopted to address these conflicts, are described below. The Manager and its affiliates will try to balance our interests with their own. However, to the extent that such parties take actions that are more favorable to other entities than us, these actions could have a negative impact on Nectar Series' financial performance and, consequently, on distributions to Investors and the value of our Nectar Series Interests. The Operating Agreement provides the Manager with broad powers and authority which may exacerbate the existing conflicts of interest among your interests and those of the Manager, its executive officers and its other affiliates. Potential conflicts of interest include, but are not limited to, the following:

- the Manager, its executive officers and its other affiliates may continue to offer other real estate investment opportunities, including other interests in condominiums at the Property described in this offering, and may make investments in real estate assets for their own respective accounts, whether or not competitive with our business;
- the Manager, its executive officers and its other affiliates will not be required to disgorge any profits or fees or other compensation they may receive from any other business they own separately from us, and you will not be entitled to receive or share in any of the profits or fees or other compensation from any other business owned and operated by the Manager, its executive officers and/or its other affiliates for their own benefit;
- we may engage the Manager or affiliates of the Manager to perform services at prevailing market rates. Prevailing market rates are determined by the Manager based on industry standards and expectations of what the Manager would be able to negotiate with third party on an arm's length basis; and
- the Manager, its executive officers and its other affiliates are not required to devote all of their time and efforts to our affairs.

The affiliations between the officers Manager of Nectar Series and the Property Owner create conflicts of interest that may not be resolved in a manner which is always in the best interests of Nectar Series or its members.

The Chief Executive Officer of the Manager of Nectar Series is the sole member of the Property Owner, meaning he will receive the proceeds of this Offering earmarked for purchase of the Nectar Series Properties and has represented both Nectar Series and the Property Owner in executing the purchase and sale agreement for the Nectar

Series Properties. While the Chief Executive Officer reasonably believes the terms of the purchase and sale agreement to be fair and reasonable to Nectar Series, no disinterested person has consented to the purchase and sale agreement on behalf of Nectar Series and the terms thereof may not be in the best interests of Nectar Series. If a dispute arises between Nectar Series and the Property Owner, the Manager will not be required to resolve such dispute in the best interests of Nectar Series. The Operating Agreement provides that the Manager, in exercising its rights in its capacity as the Manager, is entitled to consider only such interests and factors as it desires, including its own interests.

Risks Related to the Offering

State and federal securities laws are complex, and Nectar Series could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

If a court or regulatory body with the required jurisdiction ever concluded that Nectar Series may have violated state or federal securities laws, any such violation could result in the Company being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, Nectar Series would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given Nectar Series will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered Offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

Our manager may have broad discretion in how Nectar Series uses the net proceeds of the Offering.

The Manager will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Manager has the right to limit individual Investor commitment amounts based on its determination of an Investor's sophistication.

The Manager may prevent any Investor from committing more than a certain amount in this Offering based on its determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Manager's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Manager's determination.

Nectar Series has the right to extend the Offering Deadline.

Nectar Series may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while Nectar Series attempts to raise the Target Offering Amount even

after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Company extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without Nectar Series receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or Nectar Series receives the Target Offering Amount, at which time it will be released to Nectar Series to be used as set forth herein. Upon or shortly after the release of such funds to Nectar Series, the Securities will be issued and distributed to you.

Nectar Series may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, Nectar Series can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Company may limit the amount of capital it can raise during the Offering by ending the Offering early.

Funds from purchasers accompanying subscriptions for the Nectar Series Interests will not accrue interest while in escrow.

The funds paid by an Investor for Securities will be held in a non-interest-bearing escrow account until the admission of the subscriber as an Investor in the applicable Series, if such subscription is accepted. Investors who subscribe for the Securities will not have the use of such funds or receive interest thereon pending the completion of the Offering. No subscriptions will be accepted, and no Securities will be sold unless valid subscriptions for the Offering are received and accepted prior to the termination of the applicable Offering. If we terminate an Offering prior to accepting an Investor's subscription, escrowed funds will be returned promptly, without interest or deduction, to the Investor.

If the Company or Nectar Series were to be required to register under the Investment Company Act or the Manager were to be required to register under the Investment Advisers Act, it could have a material and adverse impact on the results of operations and expenses of each Series and the Manager may be forced to liquidate and wind up each Series or rescind the Offerings for any of the Series or the offering for any other.

The Company is not registered and will not be registered as an investment company under the Investment Company Act of 1940, as amended (the “***Investment Company Act***”), and the Manager is not and will not be registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “***Investment Advisers Act***”) and the Nectar Series Interests do not have the benefit of the protections of the Investment Company Act or the Investment Advisers Act. The Company and the Manager have taken the position that the Nectar Series Properties are not “securities” within the meaning of the Investment Company Act or the Investment Advisers Act, and thus the Company’s assets will consist of less than 40% investment securities under the Investment Company Act and the Manager is not and will not be advising with respect to securities under the Investment Advisers Act. This position, however, is based upon applicable case law that is inherently subject to judgments and interpretation. If the Company were to be required to register under the Investment Company Act or the Manager were to be required to register under the Investment Advisers Act, it could have a material and adverse impact on the results of operations and expenses of each Series and the Manager may be forced to liquidate and wind up each Series or rescind the Offerings for any of the Series or the offering for any other Series.

If the tax laws of the U.S. or Mexico change during the period in which the Units are held by the Series, Nectar Series may experience increased tax liability.

The Internal Revenue Code is subject to change by Congress, and interpretations of the Code may be modified or affected by judicial decisions, by the Treasury Department through changes in regulations and by the Internal Revenue Service through its audit policy, announcements, and published and private rulings. Although significant changes to the tax laws historically have been given prospective application, no assurance can be given that any changes made in the tax law affecting an investment in any Series of the Company would be limited to prospective effect. For instance, prior to effectiveness of the Tax Cuts and Jobs Act of 2017, an exchange of the membership interests of one Series for another might have been a non-taxable like-kind exchange transaction while

transactions now only qualify for that treatment with respect to real property. Accordingly, the ultimate effect on an Investor's tax situation may be governed by laws, regulations or interpretations of laws or regulations which have not yet been proposed, passed or made, as the case may be.

There can be no guarantee that Nectar Series will reach its funding target from potential investors with respect to any Series or future proposed Series.

Due to the start-up nature of Nectar Series and the Manager, there can be no guarantee that the Nectar Series will reach its funding target from Investors. In the event the Company does not reach a funding target, it may not be able to achieve its investment objectives by acquiring additional properties through the issuance of additional interests in Nectar Series and monetizing them to generate distributions for Investors.

Risks Related to the Securities

The Securities will not be freely tradable under the Securities Act until one year from the initial purchase date. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be affected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Company. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Company or to receive financial or other information from the Company, other than as required by law. Other security holders of the Company may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Company can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Company such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

There is no present market for the Securities and we have arbitrarily set the price.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our net worth or prior earnings. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

The Nectar Series Interests carry very limited voting rights with respect to amending the Operating Agreement or removing the Manager.

The Manager has a unilateral ability to amend the Operating Agreement in certain circumstances without the consent of the Investors. The Investors only have limited voting rights in the Series in which they are invested. Investors will therefore be subject to any amendments the Manager makes (if any) to the Operating Agreement and any decision it takes in respect of the Company and Nectar Series, which the Investors do not get a right to vote upon. Investors may not necessarily agree with such amendments or decisions and such amendments or decisions may not be in the best interests of all of the Investors as a whole but only a limited number. Furthermore, the Manager can only be removed as manager of the Company and each Series in very limited circumstances.

Any dispute in relation to the Operating Agreement is subject to the exclusive jurisdiction of the Court of Chancery of the State of Delaware, except where Federal law requires that certain claims be brought in Federal courts. The Operating Agreement, to the fullest extent permitted by applicable law, provides for Investors to waive their right to a jury trial.

Each Investor will covenant and agree not to bring any claim in any venue other than the Court of Chancery of the State of Delaware, or if required by Federal law, a Federal court of the United States, as in the case of claims brought under the Securities Exchange Act of 1934, as amended. Section 27 of the Exchange Act creates exclusive federal jurisdiction over all suits brought to enforce any duty or liability created by the Exchange Act or the rules and regulations thereunder. As a result, the exclusive forum provision will not apply to suits brought to enforce any duty or liability created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction. Furthermore, Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder. As a result, the exclusive forum provisions will not apply to suits brought to enforce any duty or liability created by the Securities Act or any other claim for which the federal and state courts have concurrent jurisdiction, and Investors will not be deemed to have waived our compliance with the federal securities laws and the rules and regulations thereunder. If an Interest Holder were to bring a claim against the Company or the Manager pursuant to the Operating Agreement and such claim was governed by state law, it would have to bring such claim in the Delaware Court of Chancery. The Operating Agreement, to the fullest extent permitted by applicable law and subject to limited exceptions, provides for Investors to consent to exclusive jurisdiction to Delaware Court of Chancery and for a waiver of the right to a trial by jury, if such waiver is allowed by the court where the claim is brought.

If we opposed a jury trial demand based on the waiver, the court would determine whether the waiver was enforceable based on the facts and circumstances of that case in accordance with the applicable state and federal law. To our knowledge, the enforceability of a contractual pre-dispute jury trial waiver in connection with claims arising under the federal securities laws has not been finally adjudicated by the United States Supreme Court. However, we believe that a contractual pre-dispute jury trial waiver provision is generally enforceable, including under the laws of the Delaware, which govern the Operating Agreement, by a federal or state court in the State of Delaware, which has exclusive jurisdiction over matters arising under the Operating Agreement. In determining whether to enforce a contractual pre-dispute jury trial waiver provision, courts will generally consider whether a party knowingly, intelligently and voluntarily waived the right to a jury trial. We believe that this is the case with respect to the Operating Agreement and the Nectar Series Interests. It is advisable that you consult legal counsel regarding the jury waiver provision before entering into the Operating Agreement. Nevertheless, if this jury trial waiver provision is not permitted by applicable law, an action could proceed under the terms of the Operating Agreement with a jury trial. No condition, stipulation or provision of the Operating Agreement or the Nectar Series Interests serves as a waiver by any Investor or beneficial owner of the Nectar Series Interests or by us of compliance with the U.S. federal securities laws and the rules and regulations promulgated thereunder. Additionally, the Company does not believe that claims under the federal securities laws shall be subject to the jury trial waiver provision, and the Company believes that the provision does not impact the rights of any Investor or beneficial owner of the Nectar Series Interests to bring claims under the federal securities laws or the rules and regulations thereunder.

These provisions may have the effect of limiting the ability of Investors to bring a legal claim against us due to geographic limitations and may limit an Investor's ability to bring a claim in a judicial forum that it finds favorable for disputes with us. Furthermore, waiver of a trial by jury may disadvantage an investor to the extent a judge might be less likely than a jury to resolve an action in the investor's favor. Further, if a court were to find this exclusive forum provision inapplicable to, or unenforceable in respect of, an action or proceeding against us, then we may incur

additional costs associated with resolving these matters in other jurisdictions, which could materially and adversely affect our business and financial condition.

If the Company's series limited liability company structure is not respected, then Investors may have to share any liabilities of the Company with all Investors and not just those who hold the same Series as them.

The Company is structured as a Delaware series limited liability company that issues membership interests in a separate Series for certain properties. Each Series will merely be a separate Series and not a separate legal entity. Under the Delaware Limited Liability Company Act (the “**LLC Act**”), if certain conditions (as set forth in Section 18-215(b) of the LLC Act) are met, the liability of Investors holding membership interests in one Series is segregated from the liability of Investors holding membership interests in another Series and the assets of one Series are not available to satisfy the liabilities of other Series. Although this limitation of liability is recognized by the courts of Delaware, there is no guarantee that if challenged in the courts of another U.S. State or a foreign jurisdiction, such courts will uphold a similar interpretation of Delaware corporation law, and in the past certain jurisdictions have not honored such interpretation. If the Company's series limited liability company structure is not respected, then Investors may have to share any liabilities of the Company with all Investors and not just those who hold the same Series membership interests as them. Furthermore, while we intend to maintain separate and distinct records for each Series and account for them separately and otherwise meet the requirements of the LLC Act, it is possible a court could conclude that the methods used did not satisfy Section 18-215(b) of the LLC Act and thus potentially expose the assets of a Series to the liabilities of another Series. The consequence of this is that Investors may have to bear higher than anticipated expenses which would adversely affect the value of their membership interests or the likelihood of any distributions being made by a particular Series to its Investors. In addition, we are not aware of any court case that has tested the limitations on inter-series liability provided by Section 18-215(b) in federal bankruptcy courts and it is possible that a bankruptcy court could determine that the assets of one Series should be applied to meet the liabilities of the other Series or the liabilities of the Company generally where the assets of such other Series or of the Company generally are insufficient to meet our liabilities.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

BUSINESS

Company Overview

Smart Vylon, LLC, a Delaware series limited liability company, was formed to facilitate private investment in four residential condominium units, each of which will be owned by Nectar Series. Each Series may hold the specific property either directly or in a wholly-owned subsidiary which will be an entity with limited liability. Since forming the Company, we have been engaged primarily in negotiations to acquire the Property, which will be held by Nectar Series, and developing the financial, offering and other materials to begin the Offering.

As a Delaware series limited liability company, the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular Series are segregated and enforceable only against the assets of such Series, as provided under Delaware law. The Company's core business will be the identification, acquisition, marketing and management of residential real estate properties for the benefit of the Investors.

The Property and the Units

Nectar Series intends to use the net proceeds of this Offering to purchase the Units: four (4) luxury 2-bed, 2-bath condominiums. The Units will be part of a fifteen-unit condominium building located at Calle Asteroides Oriente SM000 Manzana 056, Lote 009 Region 004, Tulum Quintana Roo (the "**Property**"), and are expected to be constructed and operational in the second quarter of 2021. Located in the heart of Tulum and within minutes of beaches, Mayan ruins and shopping, the Units will be marketed as short term rental properties for vacationers and travelers looking to experience the city's beautiful attractions.

The approximate purchase price of each Unit is expected to be as follows:

Unit Number	Unit Type	Sales Price	SQ FT	Price Per SQ FT*	Furnishing / Closing Costs	Total Costs
002	2 Bedrooms; 2 Bath	\$205,000	645	\$318.00	\$35,000	\$240,000
101	2 Bedrooms; 2 Bath	\$210,000	645	\$326.00	\$35,000	\$245,000
102	2 Bedrooms; 2 Bath	\$210,000	645	\$326.00	\$35,000	\$245,000
203	2 Bedrooms; 2 Bath	\$215,000	645	\$333.00	\$35,000	\$250,000
					\$140,000	980,000
	TOTAL	\$840,000				

* Rounded to the nearest whole dollar.

The Property will feature a 3-story residential condominium building designed by Fabila Architects to include biophilic elements and culturally significant artistic designs to enable guests to interact with art and nature during their stay. We plan for the property manager to provide certain guest accommodations, including room service and cleaning. The Property will also be equipped with luxury amenities such as a roof top garden, an infinity pool, and a concierge. We believe the Property will garner significant interest from guests who wish to experience the culture of Tulum without sacrificing these convenient and desirable amenities. We expect to market the Units as short-term rentals and may rely on short-term rental websites such as those operated by AirBnB and VRBO to achieve maximum occupancy rates.

Investment Strategy and Goals

Our investment strategy is to acquire, manage, lease and eventually sell the Units. Our investment goals are to realize growth in the value of our real property investments and to grow net cash from operations so more cash is available for distributions to investors. Although we it is also our goal to protect the capital contributions of our investors, we cannot assure you that we will attain these objectives or that the value of our assets will not decrease.

Managerial Operations

Pursuant to the terms of our Operating Agreement, the Manager will provide certain management and advisory services to us and to each of our Series and their subsidiaries, as well as a management team and appropriate support personnel. The Manager is wholly owned by our Chief Executive Officer. For more information, see the section of this Form C titled "*Officers*."

Management Fee

The Manager will not collect a fee from Nectar Series for acquiring, managing, or disposing of the Units but Kaab Tulum S.A. de C.V., an entity owned by the Chief Executive Officer of our Manager, will receive most of the proceeds raised in this Offering in exchange for selling one or more of the Units to Nectar Series. The Manager expects Kaab Tulum S.A. de C.V. will receive approximately 12-15% of the sales price of each Unit as a fee for developing and selling the Units to Nectar Series. For more information, see *Conflicts of Interest*.

Investment Decisions and Asset Management

The Manager will have discretion with respect to the selection of specific investments and the purchase and sale of our assets. We believe that successful real estate investment requires the implementation of strategies that permit favorable purchases, effective asset management and timely disposition of those assets. As such, we have developed a disciplined investment approach that combines the experience of the Manager with a structure that emphasizes thorough market research, stringent underwriting standards and an extensive down-side analysis of the risks of each investment. The approach also includes active and aggressive management of each asset acquired. To execute our disciplined investment approach, the Manager will take responsibility for the business plan of each investment.

The Manager has the power to manage all decisions of Nectar Series and to bind Nectar Series and the Company. The Manager has broad power and authority to make all managerial decisions, including, but not limited to, decisions:

- to acquire the Nectar Series Properties, to execute any lease or sublease, amendments, modifications or extensions thereof on behalf of the Company, and to take such other actions and to enter into such other agreements as may be necessary or appropriate in connection with managing the Nectar Series Properties;
- to cause or approve a sale, transfer or other disposition of the Nectar Series Properties;
- to employ agents, employees, managers, accountants, attorneys, consultants and other Persons necessary or appropriate to carry out the Business, and to pay fees, expenses, salaries, wages and other compensation to such Persons, including, without limitation, to employ the Manager or an affiliate thereof as Property Manager and to pay the Manager or its affiliate the Property Management Fee;

- to extend, renew, modify, adjust, submit to arbitration, prosecute, defend or compromise, upon such terms as it may determine and upon such evidence as it may deem sufficient, any obligation, suit, liability, cause of action or claim, including taxes, either in favor of or against the Nectar Series or the Company;
- to establish and maintain reasonable reserves for such purposes and in such amounts as it deems appropriate from time to time and to increase, reduce or eliminate reserves as it deems appropriate from time to time in anticipation of expected tax payments, capital expenses or operating expenses;
- to invest all funds not immediately needed in the operation of the business in FDIC insured deposit accounts;
- to cause the Nectar Series to make or revoke any elections under the Code, including, without limitation, elections pursuant to Section 754 of the Code;
- to cause the Nectar Series or the Company to enter into a property management agreement;
- to deal with, or otherwise engage in business with, or provide services to and receive compensation from, any Person (including, without limitation, Affiliates of the Manager) who has provided or may in the future provide any services to, lend money to, sell property to or purchase property from the Manager;
- to take any action required by or permitted under the purchase agreement executed to acquire the Nectar Series Properties or the transactions contemplated thereby;
- to declare and make distributions to the Investors in accordance with the terms of the Operating Agreement;
- to perform any and all other acts or activities customary or incident to managing the Nectar Series Properties; and
- to enter into any agreement or commitment binding upon Nectar Series or the Company.

Term and Removal of Manager

The Manager shall serve Nectar Series until its dissolution unless earlier removed by the Members. The Manager may be removed or replaced if a "Manager Material Default" occurs with respect to Nectar Series and fifty-one percent (51%) of the Members of such Series elect to remove the Manager, which removal shall be effective upon the Manager's receipt of written notice of such removal from such Members. Upon the removal of the Manager, the Members of Nectar Series shall select a new manager of Nectar Series.

Market

Tulum is a city in the state of Quintana Roo and considered one of the most popular cities for tourism in the Mexican Republic and all of Latin America. Tulum is a premier destination for travelers and features white sandy beaches, beautiful clear waters, vibrant beach clubs and restaurants, ancient Mayan ruins and a host of other activities. Quintana Roo has experienced a rise in its real estate prices, with a

percentage change of 2% from August 2018 to September 2019.¹ During the same period, Tulum's real estate prices increased an average of 10% in the same period.²

The Property is designed for travelers seeking to immerse themselves in the local culture and lifestyle of Tulum while enjoying a luxuriously designed space. Thanks to a partnership among renowned international and local artists, such as Marco Pichardo and Emmanuel Silva, we expect Asteroides Street and its surroundings to be splashed with color transforming this area into an outdoor museum and making art accessible for all its visitors.

Property History

The land on which the Property is being constructed was acquired by KAAB TULUM S.A.P.I. DE C.V., which executed a contract with a property developer in May 2018.

Sources & Uses

Nectar Series has no debt and will use the net proceeds of this offering, less expenses of the offering and organizational expenses, to purchase the Nectar Series Properties.

Property Manager

³ The sales prices of these properties have been converted from Pesos to U.S. dollars and rounded to nearest thousandth dollar.

The Manager expects to appoint a property manager to manage the Units on a discretionary basis and will enter into a property management agreement with such property manager. Pursuant to the terms of such property management agreement, Nectar Series will pay the Property Manager an annual fee for managing the Units.

Acquisition of the Units

Nectar Series expects to acquire the Units pursuant to a purchase and sale agreement executed on October 5, 2020 by Smart Vylon, LLC and Kaab Tulum S.A.P.I de C.V., a Mexican company of limited liability (the "**Property Owner**") within a reasonable time following the Closing of this Offering. On October 28, 2020, Smart Vylon, LLC, the Property Owner, and Nectar Series executed a novation agreement, pursuant to which Nectar Series received the right to purchase the Units and agreed to be bound by the terms and conditions of the purchase and sale agreement in place of Smart Vylon, LLC. As a result of executing such novation agreement, Smart Vylon, LLC owns no right, title, or interest in the Units and has no rights or obligations under the purchase and sale agreement.

Under the terms of the purchase and sale agreement, Nectar Series has the right to purchase up to four (4) of the Units for a total sum of \$980,000. If less than the Maximum Offering Amount is raised, Nectar Series may purchase fewer than four Units. The Units will be transferred to Nectar Series or to a trustee chosen by Nectar Series without encumbrances or indebtedness. Nectar Series and Property Owner agree the Units will be transferred to Nectar Series or to a trust for the benefit of Nectar Series on or before March 21, 2021 (the "**Transfer Date**"), or such other date as agreed to by the Property Owner and Nectar Series.

Under the purchase and sale agreement, the parties may terminate the purchase and sale agreement without responsibility to the other party under the following conditions.

- (a) Nectar Series may terminate the purchase and sale agreement if the Property Owner:
- fails to surrender the real estate to Nectar Series in the minimum and essential conditions of habitability and hygiene so as to be inhabited and enjoyed in the term and under the conditions as in this agreement on or before the Transfer Date;
 - fails to surrender any documents as required to obtain all necessary licenses and permits to operate the property for the purposes described herein on or before the Transfer Date; provided, that it was required to so provide;
 - fails to make payment for contributions and considerations on the real estate subject matter hereof for any services - including associated maintenance fees - prior to notarization of the final purchase-sale agreement;
 - the Units or Property should not have the infrastructure for proper supply and operation of basic utilities - water, energy, drainage, and gas - for use and utilization thereof;
 - the Units or Property is encumbered, mortgaged, leased, or transferred to a third party, without notice to Nectar Series; or
 - the mortgage encumbering the real estate subject matter hereof is not canceled on or before the Transfer Date.

(b) The Property Owner may terminate the purchase and sale agreement if Nectar Series:

- fails to pay for one or more of the Units;
- delivered false or altered information or documentation to the Property Owner, which Property Owner relied on causing it material harm;
- promises to sell or commit by any means ownership of the Units, without the prior authorization in writing by the Property Owner, or without subjecting to the conditions set thereby;
- determines that prior to the notarization of the final agreement, the Property Owner failed to maintain the real estate in good condition and prevent it from suffering deterioration additional to that arising from normal use, and performs therein or thereon any modifications, works altering, compromising, or modifying the structure of the jointly owned property regime, or fails to observe that set forth in the rules of the jointly owned property regime governing the building;
- declares bankruptcy or insolvency - whether by a ruling of a competent judge or by facts so presuming, and which compromise payment of the purchase price;
- fails to obtain any licenses, permits, or authorizations as appropriate for acquisition of the apartment subject matter hereof, or setup of the trust whereto the real estate subject matter hereof should be contributed with; by virtue of the status as foreigner it holds to this date; or
- fails to fulfill any obligations required of it, which have become impossible to perform.

Property Operations and Holding Period

Nectar Series intends to rent the Units on a short-term basis. The asking rent for each Unit will be approximately \$160 per night for each 2-bedroom Units and \$95 per night for each 1-bedroom Unit, which is consistent with other one-short-term rental rates of other condominiums that makeup the Property. The Manager anticipates that property operating expenses, which include real estate taxes, property management fees, property insurance and repairs and maintenance costs, will be in the range of \$800 USD for each apartment per month. This estimate is based on the Manager's due diligence calculations. Nectar Series intends to hold the Units for 3 years during which time, it will operate the Units as rental properties. During this period, Nectar Series intends to distribute any Free Cash Flow (as defined below) to its Members in accordance with their ownership of the Nectar Series Interests. The determination of when to sell the Units will be made after consideration of relevant factors, including prevailing and projected economic conditions, whether the value of the Units is anticipated to appreciate or decline substantially, and how any existing conditions may impact the sales price we may realize. The Manager may determine that it is in the best interests of Members to sell the Property before or after expected 3-year holding period.

Each Series of the Company will be responsible for the following costs and expenses attributable to the activities of the Company related to such Series (we refer to these as “*Operating Expenses*”):

- any and all fees, costs and expenses incurred in connection with the management of a Series Property, including income taxes, marketing, security and maintenance;
- any fees, costs and expenses incurred in connection with preparing any reports and accounts of each Series, including any blue sky filings required in order for a Series to be made available to investors in certain states and any annual audit of the accounts of such Series (if applicable) and any reports to be filed with the SEC including periodic reports on Forms C-AR, 1-K, 1-SA and 1-U;
- any and all insurance premiums or expenses, including directors and officers insurance of the directors and officers of the Manager in connection with the Series Property;

- any indemnification payments to be made pursuant to the requirements of the Operating Agreement;
- the fees and expenses of the Company's or a Series' counsel in connection with advice directly relating to the Company's or a Series' legal affairs;
- the costs of any other outside appraisers, valuation firms, accountants, attorneys or other experts or consultants engaged by the Manager in connection with the operations of the Company or a Series; and
- any similar expenses that may be determined to be Operating Expenses, as determined by the Manager in its reasonable discretion.

The Manager will bear its own expenses of an ordinary nature, including, all costs and expenses on account of rent, supplies, secretarial expenses, stationery, charges for furniture, fixtures and equipment, payroll taxes, remuneration and expenses paid to employees and utilities expenditures.

If the Operating Expenses exceed the amount of revenues generated from a Series Property (as defined in the Operating Agreement) and cannot be covered by any Operating Expense reserves on the balance sheet of such Series Property, the Manager may (a) pay such Operating Expenses and not seek reimbursement, (b) loan the amount of the Operating Expenses to the applicable Series, on which the Manager may impose a reasonable rate of interest, and be entitled to reimbursement of such amount from future revenues generated by such Series Property (which we refer to as “***Operating Expenses Reimbursement Obligation(s)***”), and/or (c) cause additional Nectar Series Interests to be issued in the such Series in order to cover such additional amounts.

Investment Company Act Disclaimer

We intend to conduct our operations so that neither we, nor our Manager or any of our series, are required to register as an investment company under the Investment Company Act of 1940 (the “***Investment Company Act***”) or the Investment Advisers Act of 1940 (the “***Advisers Act***”). Section 3(a)(1)(A) of the Investment Company Act defines an investment company as any issuer that is or holds itself out as being engaged primarily in the business of investing, reinvesting or trading in securities. Section 3(a)(1)(C) of the Investment Company Act defines an investment company as any issuer that is engaged or proposes to engage in the business of investing, reinvesting, owning, holding or trading in securities and owns or proposes to acquire investment securities having a value exceeding forty percent (40%) of the value of the issuer’s total assets (exclusive of U.S. Government securities and cash items) on an unconsolidated basis, which we refer to as the forty percent (40%) test. Excluded from the term “investment securities,” among other things, are U.S. Government securities and securities issued by majority-owned subsidiaries that are not themselves investment companies and are not relying on the exception from the definition of investment company set forth in Section 3(c)(1) or Section 3(c)(7) of the Investment Company Act.

Litigation

The Company is not subject to any current litigation or threatened litigation.

USE OF PROCEEDS

The following table illustrates how we intend to use the net proceeds received from this Offering. The values below are not inclusive of payments to financial and legal service providers and escrow related fees, all of which were incurred in the preparation of this Offering and are due in advance of the closing of the Offering.

Use of Proceeds	% of Proceeds if Target Offering Amount Raised	Amount if Target Offering Amount Raised	% of Proceeds if Maximum Offering Amount Raised	Amount if Maximum Offering Amount Raised
Intermediary Fees	4%	\$12,000	4%	\$42,800
Purchase of Nectar Series Properties	8.3%	\$250,000	91.6%	\$980,000
Operating Capital	12.7%	\$38,000	4.4%	\$47,200
Total	100%	\$300,000	100%	\$1,070,000

Nectar Series intends to use a portion of the net proceeds of this Offering to purchase the Units, which comprise a fifteen-unit condominium building expected to be constructed and operational in the second quarter of 2021. Nectar Series estimates the total purchase price for all four of the Units to be \$980,000, approximately \$140,000 of which will be used to pay for closing costs and furnishing costs expected to be incurred to prepare each Unit for leasing. If the Maximum Amount is raised, the remaining \$90,000 will be used as operating capital and to pay for the expenses of this Offering. Nectar Series will purchase as many Units as can be purchased with the proceeds of the Offering, less the operating capital required to pay for the expenses of the offering and other general operating expenses of Nectar Series, so long as the Target Offering is met.

The Manager has discretion to alter the use of proceeds set forth above to adhere to Nectar Series' business plan and liquidity requirements. For example, economic conditions may alter the Company's general marketing or general working capital requirements. Additionally, the Manager is unable to precisely predict the total offering expenses, which will be paid using the operating capital of Nectar Series.

Nectar Series will be responsible for reimbursing the Manager, or its affiliates, for the expenses of the financial and legal service providers and escrow related fees, all of which were incurred in preparation of this Offering and were due in advance of the closing of the campaign.

THE OFFERING AND THE SECURITIES

The Offering

The Company is offering a minimum amount of \$300,000 (the “**Target Offering Amount**”) and up to a maximum amount of \$1,070,000 (the “**Maximum Offering Amount**”) of membership interests in Nectar Series (“**Nectar Series**”), a series of the Company (the “**Nectar Series Interests**” or “**Securities**”) on a best efforts basis as described in this Form C (this “**Offering**”). We must raise an amount equal to or greater than the Target Offering Amount by March 15, 2021 (the “**Offering Deadline**”). Unless we raise at least the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be cancelled and all committed funds will be returned. Potential purchasers of the Securities are referred to herein as “**Investors**” or “**you**”.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Company’s asset value, net worth, revenues or other established criteria of value, and should not be considered indicative of the actual value of the Securities. The minimum amount that an Investor may invest in the Offering is \$100, which is subject to adjustment in the Company’s sole discretion.

The Securities

The Securities offered herein are membership interests in the Nectar Series and represent only a right to the assets of the Nectar Series. The Securities do not represent a right to assets of the Company, the Manager, or any other series now or later formed by the Company. The Nectar Series Interests purchased and held by each person who becomes a Member of Nectar Series may be expressed as a number of units or a percentage of each such Member's ownership of the Nectar Series Interests.

Series LLC Organization

The Company is a series limited liability company formed pursuant to Section 18-215 of the LLC Act. The purchase of membership interests in a Series of the Company is an investment only in that particular Series and not an investment in the Company as a whole. In accordance with the LLC Act, each Series is, and any other Series if issuing membership interests in the future will be, a separate series of the Company and not in a separate legal entity. The Company has not issued, and does not intend to issue, any class of any Series membership interests entitled to any preemptive, preferential or other rights that are not otherwise available to the Investors purchasing Nectar Series Interests in connection with any Offering.

Subject to the provisions of the Operating Agreement, the Manager can cause the Company to establish one or more Series of the Company through the creation of a written series designation (a “Series Designation”) for each new Series. A Series Designation relates solely to the Series established thereby and shall not be construed: (i) to affect the terms and conditions of any other Series, or (ii) to designate, fix or determine the rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of membership interests associated with any other Series, or the Members associated therewith. The terms and conditions for each Series are as set forth in the Operating Agreement and in the Series Designation, as applicable. Upon approval of any Series Designation by the Manager, the Series Designation is attached to the Operating Agreement as an Exhibit. The Series Designation establishing a Series may: (i) specify a name or names under which the business and affairs of such Series may be conducted; (ii) designate, fix and determine the relative rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of the membership interests of such Series and the members associated therewith (to the extent such terms differ from those set forth in the Operating Agreement); and (iii) designate or authorize the designation of specific officers to be associated with such Series. The Series Designation for Nectar Series is attached to the Operating Agreement.

Title to the properties purchased by each Series may be held by, or for the benefit of, the applicable Series of the Company through a Delaware limited liability company which will be a wholly-owned subsidiary of the applicable Series. We intend for Nectar Series to own only the Units. New Series will be formed and will issue their own membership interests for future properties. An Investor who invests in an Offering of a Series will not have any indirect interest in any properties or assets of any other Series unless the Investor also participates in a separate series offering associated with that such property.

Section 18-215(b) of the LLC Act provides that, if certain conditions are met (including that certain provisions are in the formation and governing documents of the series limited liability company, and upon the closing of an offering for a Series, the records maintained for any such Series account for the assets associated with such Series separately from the assets of the limited liability company, or any other Series), then the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a particular Series shall be enforceable only against the assets of such Series and not against the assets of the limited liability company generally or any other Series. Accordingly, the Company expects the Manager to maintain separate, distinct record, and bank accounts, for each Series and its associated assets and liabilities. As such, the assets of a Series include only the property associated with that Series and other related assets (e.g., cash reserves). As noted in the “Risk Factors” section, the limitations on inter-series liability provided by Section 18-215(b) have never been tested in federal bankruptcy courts and it is possible that a bankruptcy court could determine that the assets of one Series should be applied to meet the liabilities of the other Series or the liabilities of the Company generally where the assets of such other Series or of the Company generally are insufficient to meet the Company’s liabilities.

Section 18-215(c) of the LLC Act provides that a Series established in accordance with Section 18-215(b) may carry on any lawful business, purpose or activity, other than the business of banking, and has the power and capacity to, in its own name, contract, hold title to assets (including real, personal and intangible property), grant liens and security interests, and sue and be sued. The Company intends for each Series to conduct its business and enter into contracts in its own name to the extent such activities are undertaken with respect to a particular Series and title to the relevant Property will be held by, or for the benefit of, the relevant Series.

All of the Series membership interests offered by this Form C will be duly authorized and validly issued. Upon payment in full of the consideration payable with respect to the Series membership interests, as determined by the Manager, the holders of such Series membership interests will not be liable to the Company to make any additional capital contributions with respect to such Series membership interests (except for the return of distributions under certain circumstances as required by Sections 18-215, 18-607 and 18-804 of the LLC Act). Holders of Series membership interests have no conversion, exchange, sinking fund, redemption or appraisal rights, no pre-emptive rights to subscribe for any membership interests and no preferential rights to distributions.

Purchase Procedures

In order to purchase the Securities, you must make a commitment to purchase by completing the subscription process hosted by OpenDeal Portal LLC dba Republic (the “**Intermediary**”), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Company are required to correct any errors or omissions made by the Investor.**

Investor funds will be held in escrow with Prime Trust, LLC until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment

until up to 48 hours prior to the Offering Deadline, or such earlier time as such earlier time the Company designates pursuant to Regulation CF, using the cancellation mechanism provided by the Intermediary. **Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds.**

The Company will notify Investors when the Target Offering Amount has been reached. If the Company reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering at least five (5) days after reaching the Target Offering Amount and will provide notice of such closing to the Investors. If any material change (other than reaching the Target Offering Amount) occurs related to the Offering prior to the Offering Deadline, the Company will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering, the Investor's investment commitment will be cancelled and the committed funds will be returned without interest or deductions. If an Investor does not cancel an investment commitment before the Target Offering Amount is reached, the funds will be released to the Company upon the closing of the Offering and the Investor will receive the Securities in exchange for their investment. Any Investor funds received after the initial closing will be released to the Company upon a subsequent closing and the Investor will receive Securities via electronic certificate/PDF in exchange for their investment as soon as practicable thereafter.

Investment commitments are not binding on the Company until they are accepted by the Company, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Company rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

Transfer Agent and Registrar

The Company will act as transfer agent and registrar for the Securities.

Distributions

The Manager has sole discretion in determining what distributions of Free Cash Flow, if any, are made to Members except as otherwise limited by law or the Operating Agreement. **"Free Cash Flow"** consists of the net income (as determined under GAAP) generated by such series plus any change in net working capital and depreciation and amortization (and any other non-cash Operating Expenses) and less any capital expenditures related to the Property related to such Series. The Manager may maintain Free Cash Flow funds in a deposit account or an investment account for the benefit of the series. The Company expects the Manager to make distributions of any Free Cash Flow on a semi-annual basis as set forth below. However, the Manager may change the timing of distributions or determine that no distributions shall be made in its sole discretion.

Although the Manager intends to make distributions semi-annually, it may, in its sole discretion, at any time and from time to time, declare, make and pay distributions of cash to the Members of any Series. Subject to the terms of any Series Designation (including, without limitation, the Preferential Rights, if any, of holders of any other class of membership interests of any Series), distributions shall be paid to the holders of the membership interests of any Series on an equal per-interest basis as of the Record Date selected by the Manager. Notwithstanding any provision to the contrary contained in this Agreement, neither the Company nor any Series shall be required to make a distribution to any Member on account of its interest in the Company or a Series if such distribution would violate the Delaware Act or other applicable law.

Dissolution

The Company shall dissolve, and its affairs shall be wound up, upon (i) an election to dissolve the Company by the Manager; (ii) the sale, exchange or other disposition of all or substantially all of the assets and properties of all Series (which shall include the obsolescence of a Series Property) and the subsequent election to dissolve the Company by the Manager; (iii) the entry of a decree of judicial dissolution of the Company pursuant to the provisions of the Delaware Act; (iv) at any time that there are no Members of the Company, unless the business of the Company is continued in accordance with the Delaware Act. Nectar Series shall terminate, and its affairs shall be wound up, upon: (i) the dissolution of the Company; (ii) the sale, exchange or other disposition of all or substantially all of the assets and properties of Nectar Series and the subsequent election to dissolve the Company by the Manager; (iii) an election to terminate the Series by the Manager; or (iv) at any time that there are no Members of Nectar Series, unless the business of Nectar Series is continued in accordance with the Delaware Act. Each Series shall be responsible for all costs and expenses incidental to the termination and winding up of such Series and its share of the costs and expenses incidental to the termination and winding up of the Company as allocated to it in accordance with the Operating Agreement.

Voting and Control

The Manager is not required to hold an annual meeting of Members. The Members owning membership interests in any Series shall have the voting rights, if any, as set forth in each Series Designation. The Nectar Series Designation offers extremely limited voting rights. Specifically, it entitles the Record Holders to one vote per membership interest on any and all matters submitted to the consent or approval of the Members of Nectar Series.

The affirmative vote of the holders of not less than a majority of the Nectar Series Interests then outstanding shall be required for: (a) any amendment to the Operating Agreement (including the Nectar Series Designation) that would adversely change the rights of the Nectar Series Interests; (b) mergers, consolidations or conversions of the Nectar Series, but not the Company; and (c) all such other matters as the Manager, determines shall require the approval of the holders of the outstanding Nectar Series Interests voting as a separate class.

Additionally, upon a "Manager Material Default" as defined in the Operating Agreement, fifty-one percent (51%) of the Members of such Series may elect to remove the Managing Member

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that the Investor may eventually have in the Company.

Restrictions on Transfer

The Nectar Series Interests are subject to restrictions on transferability. An Interest Holder may not transfer, assign or pledge its Nectar Series Interests without the consent of the Manager. The Manager may withhold consent in its sole discretion. Additionally, a Transfer shall be void or will be prohibited if it has or may:

- cause all or any portion of the assets of the Company or any Series to constitute plan assets for purposes of ERISA;

- violate or be inconsistent with any representation or warranty made by the transferring Member; or
- may adversely affect the Company or a Series as determined by the Manager in its sole discretion.

Notwithstanding the foregoing, any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Company; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. “Member of the family” as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them.

In addition to the foregoing restrictions, prior to making any transfer of the Securities, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Company with an opinion of counsel reasonably satisfactory to the Company stating that a registration statement is not necessary to effect such transfer.

Power of Attorney

The Investor will be admitted as a member of the Company and will be bound by the provisions of, and deemed to be a party to, the Operating Agreement and the Nectar Series Designation. Each Investor will also be required to execute a power of attorney, which grants to the Manager a power of attorney to, among other things, execute and file documents required for the Company's qualification, continuance, or dissolution. NECTAR SERIES, A SERIES OF SMART VYLON, LLC
NOTES TO FINANCIAL STATEMENTS
AS OF SEPTEMBER 14, 2020 (INCEPTION)

NOTE 1 – NATURE OF OPERATIONS

Nectar Series, a Series of Smart Vylon, LLC (the "Company") was organized as a limited liability company and series of Smart Vylon, LLC on September 14, 2020. Smart Vylon, LLC, a Delaware series limited liability company, was converted in April 2020 from a Delaware corporation that was originally incorporated on December 17, 2019 to a series limited liability company to facilitate private investments in specific real estate properties in Mexico. Each series of Smart Vylon, LLC has its own manager, assets, and members that are separate from the managers, assets, and members from other series organized under Smart Vylon, LLC. The profits and losses of a particular series may be attributed only to the members associated with that series. The Company's headquarters are in Dover, Delaware. As of September 14, 2020 (Inception), the Company had not begun operations.

As of September 14, 2020 (Inception), the Company had no operating history and will likely incur losses prior to generating positive retained earnings. These matters raise substantial concern about the Company's ability to continue as a going concern (see Note 6). During the next twelve months, the Company intends to fund its operations with funding from a crowdfunding campaign (see Note 7) and funds from revenue producing activities, if and when such can be realized. If the Company cannot secure additional short-term capital, it may cease operations. These financial statements and related notes thereto do not include any adjustments that might result from these uncertainties.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America ("US GAAP"). The accompanying unaudited financial statements do not include all the information and notes required by GAAP for complete financial statements. In the opinion of management, all adjustments considered necessary for the fair presentation of the unaudited financial statements for the years presented have been included.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and footnotes thereto. Actual results could materially differ from these estimates. It is reasonably possible that changes in estimates will occur in the near term.

Significant estimates inherent in the preparation of the accompanying financial statements include valuation of provision for refunds and chargebacks, equity transactions and contingencies.

Risks and Uncertainties

The Company has a limited operating history. The Company's business and operations are sensitive to general business and economic conditions in the United States. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition or changes in consumer taste. These adverse conditions could affect the Company's financial condition and the results of its operations.

Concentration of Credit Risk

The Company maintains its cash with a major financial institution located in the United States of America, which it believes to be credit worthy. The Federal Deposit Insurance Corporation insures balances up to \$250,000. At times, the Company may maintain balances in excess of the federally insured limits.

Cash and Cash Equivalents

The Company considers short-term, highly liquid investment with original maturities of three months or less at the time of purchase to be cash equivalents. Cash consists of funds held in the Company's checking account. As of September 14, 2020 (Inception), the Company had no cash on hand.

Fixed Assets

Property and equipment are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is provided using the straight-line method, based on useful lives of the assets which range from three to forty years.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based on this assessment there was no impairment for September 14, 2020 (Inception), as there were no fixed assets as of September 14, 2020 (Inception).

Fair Value Measurements

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and such principles also establish a fair value hierarchy that prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.
- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

Income Taxes

The Company is a limited liability company. Accordingly, under the Internal Revenue Code, all taxable income or loss flows through to its members. Therefore, no provision for income tax has been recorded in the statements. Income from the Company is reported and taxed to members on their individual tax returns.

The Company complies with FASB ASC 740 for accounting for uncertainty in income taxes recognized in a company's financial statements, which prescribes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. FASB ASC 740 also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. Based on the Company's evaluation, it has been concluded

that there are no significant uncertain tax positions requiring recognition in the Company's financial statements. The Company believes that its income tax positions would be sustained on audit and does not anticipate any adjustments that would result in a material change to its financial position.

Revenue Recognition

Effective January 1, 2019, the Company adopted Accounting Standards Codification 606, Revenue from Contracts with Customers ("ASC 606"). Revenue is recognized when performance obligations under the terms of the contracts with our customers are satisfied. As of September 14, 2020 (Inception), the Company has not yet generated any revenue.

Accounts Receivable

Trade receivables due from customers are uncollateralized customer obligations due under normal trade terms requiring payment within 30 days from the invoice date. Trade receivables are stated at the amount billed to the customer. Payments of trade receivables are allocated to the specific invoices identified on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoices. As of September 14, 2020 (Inception), the company had no accounts receivable.

The Company estimates an allowance for doubtful accounts based upon an evaluation of the current status of receivables, historical experience, and other factors as necessary. It is reasonably possible that the Company's estimate of the allowance for doubtful accounts will change.

Advertising

The Company expenses advertising costs as they are incurred.

Recent Accounting Pronouncements

In February 2019, FASB issued ASU No. 2016-02, Leases, that requires organizations that lease assets, referred to as "lessees", to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases with lease terms of more than 12 months. ASU 2019-02 will also require disclosures to help investors and other financial statement users better understand the amount, timing, and uncertainty of cash flows arising from leases and will include qualitative and quantitative requirements. The new standard for nonpublic entities will be effective for fiscal years beginning after December 15, 2020, and interim periods within those fiscal years, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

In June 2018, FASB amended ASU No. 2018-07, Compensation – Stock Compensation, to expand the scope of Topic 718, Compensation – Stock Compensation, to include share-based payment transactions for acquiring goods and services from nonemployees. The new standard for nonpublic entities will be effective for fiscal years beginning after December 15, 2019, and interim periods within fiscal years beginning after December 15, 2020, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

In August 2018, amendments to existing accounting guidance were issued through Accounting Standards Update 2018-15 to clarify the accounting for implementation costs for cloud computing arrangements. The amendments specify that existing guidance for capitalizing implementation costs incurred to develop or obtain internal-use software also applies to implementation costs incurred in a hosting arrangement that is a service contract. The guidance is effective for fiscal years beginning after December 15, 2020, and interim periods within fiscal years beginning after December 15, 2021, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date, including those above, that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact on our financial statements.

NOTE 3 – INCOME TAXES

The Company will file its income tax return for the period ended December 31, 2020, which will remain subject to examination by the Internal Revenue Service under the statute of limitations for a period of three years from the date it is filed.

NOTE 4 – MEMBERS' CAPITAL

Members' Equity

Contributions to and distributions from the Company will be held on the balance sheet as members' equity. As of September 14, 2020 (Inception), no contributions or distributions have been made.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Company is not currently involved with and does not know of any pending or threatening litigation against the Company.

NOTE 6 – GOING CONCERN

These financial statements are prepared on a going concern basis. The Company has not begun operations as of September 14, 2020 (Inception). The Company's ability to continue is dependent upon management's plan to raise additional funds and achieve profitable operations. The financial statements do not include any adjustments that might be necessary if the Company is not able to continue as a going concern.

NOTE 7 – SUBSEQUENT EVENTS

COVID-19

In January 2020, the World Health Organization has declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Company, its performance, and its financial results.

Crowdfunded Offering

The Company is offering (the "Crowdfunded Offering") up to \$1,070,000 in interest purchase agreements. The Company is attempting to raise a minimum amount of \$25,000 in this offering and up to \$1,070,000 maximum. The Company must receive commitments from investors totaling the minimum amount by the offering deadline listed in the Form C, as amended, in order to receive any funds.

The Crowdfunded Offering is being made through OpenDeal Portal LLC (the "Intermediary" aka "Republic" or "Republic.co"). The Intermediary will be entitled to receive a 4% commission fee and 1% of the securities issued in this offering.

Management's Evaluation

Management has evaluated subsequent events through September 21, 2020, the date the financial statements were available to be issued. Based on this evaluation, no additional material events were identified which require adjustment or disclosure in the financial statements.

The execution and delivery of this Subscription Agreement will not violate or be in conflict with any order, judgment, injunction, agreement or controlling document to which the Subscriber is a party or by which it is bound.

6.10. Any power of attorney of the Subscriber granted in favor of the Manager contained in the Operating Agreement has been executed by the Subscriber in compliance with the laws of the state, province or jurisdiction in which such agreements were executed.

6.11. The Subscriber is either (a) a natural person resident, (b) a partnership, corporation or limited liability company organized under the laws of the United States, (c) an estate of which any executor or administrator is a U.S. person, (d) a trust of which any trustee is a U.S. person, (e) an agency or branch of a foreign entity located in the United States, (f) a non-discretionary account or similar account (other than an estate or trust) held by a dealer or other fiduciary for the benefit or account of a U.S. person, or (g) a partnership or corporation organized or incorporated under the laws of a foreign jurisdiction that was formed by a U.S. person principally for the purpose of investing in securities not registered under the Securities Act. 6.12. Any information which the Subscriber has heretofore furnished or is furnishing herewith to the Company is true, complete and accurate and may be relied upon by the Manager, or the Company in particular, in determining the availability of an exemption from registration under federal and state securities laws in connection with the Offering. The Subscriber further represents and warrants

that it will notify and supply corrective information to the Company immediately upon the occurrence of any change therein occurring prior to the Company' s issuance of the Nectar Series Interests.

6.13. The Subscriber is not, nor is it acting on behalf of, a "benefit plan investor" within the meaning of 29 C.F.R. § 2510.3-10 I (f)(2), as modified by Section 3(42) of the Employee Retirement Income Security Act of 1974 (such regulation , the "**Plan Asset Regulation**", and a benefit plan investor described in the Plan Asset Regulation, a "**Benefit Plan Investor**"). For the avoidance of doubt, the term Benefit Plan Investor includes all employee benefit plans subject to Part 4, Subtitle B, Title I of ERISA, any plan to which Section 4975 of the Internal Revenue Code applies and any entity, including any insurance company general account, whose underlying assets constitute "plan assets", as defined under the Plan Asset Regulation, by reason of a Benefit Plan Investor ' s investment in such entity.

6.14. The Subscriber is satisfied that the Subscriber has received adequate information with respect to all matters which it or its advisors, if any, consider material to its decision to make this investment.

6.15. Within five (5) days after receipt of a written request from the Manager of the Subscriber, the Subscriber will provide such information and deliver such documents as may reasonably be necessary to comply with any and all laws and ordinances to which the Company is subject.

6.16. THE NECTAR SERIES INTERESTS OFFERED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY STATE SECURITIES LAWS AND ARE BEING OFFERED AND SOLD IN RELIANCE ON EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF SAID ACT AND SUCH LAWS. THE Nectar Series INTERESTS ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED BY THE OPERATING AGREEMENT. THE NECTAR SERIES INTERESTS HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC, ANY STATE SECURITIES COMMISSION OR ANY OTHER REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THIS OFFERING OR THE ACCURACY OR ADEQUACY OF THE MEMORANDUM OR THIS SUBSCRIPTION AGREEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

6.17. The Subscriber should check the Office of Foreign Assets Control ("OFAC") website at [http:// www.treas.gov/ofac](http://www.treas.gov/ofac) before making the following representations. The Subscriber represents that the amounts invested by it in the Company in the Offering were not and are not directly or indirectly derived from activities that contravene federal, state or international laws and regulations, including anti-money laundering laws and regulations. Federal regulations and Executive Orders administered by OFAC prohibit, among other things, the engagement in transactions with, and the

provision of services to, certain foreign countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <http://www.treas.gov/ofac>. In addition, the programs administered by OFAC (the "OFAC Programs") prohibit dealing with individuals, including specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs, or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists. Furthermore, to the best of the Subscriber's knowledge, none of: (a) the Subscriber; (b) any person controlling or controlled by the Subscriber; (c) if the Subscriber is a privately-held entity, any person having a beneficial interest in the Subscriber; or (d) any person for whom the Subscriber is acting as agent or nominee in connection with this investment is a country, territory, individual or entity named on an OFAC list, or a person or entity prohibited under the OFAC Programs. Please be advised that the Company may not accept any amounts from a prospective investor if such prospective investor cannot make the representation set forth in the preceding paragraph. The Subscriber agrees to promptly notify the Company should the Subscriber become aware of any change in the information set forth in these representations. The Subscriber understands and acknowledges that, by law, the Company may be obligated to "freeze the account" of the Subscriber, either by prohibiting additional subscriptions from the Subscriber, declining any redemption requests and/or segregating the assets in the account in compliance with governmental regulations, and the Company may also be required to report such action and to disclose the Subscriber's identity to OFAC. The Subscriber further acknowledges that the Company may, by written notice to the Subscriber, suspend the redemption rights, if any, of the Subscriber if the Company reasonably deems it necessary to do so to comply with anti-money laundering regulations applicable to the Company or any of the Company's other service providers. These individuals include specially designated nationals, especially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

6.18. To the best of the Subscriber's knowledge, none of: (a) the Subscriber; (b) any person controlling or controlled by the Subscriber; (c) if the Subscriber is a privately-held entity, any person having a beneficial interest in the Subscriber; or (d) any person for whom the Subscriber is acting as agent or nominee in connection with this investment is a senior foreign political figure, or an immediate family member or close associate of a senior foreign political figure. A "senior foreign political figure" is a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-owned corporation. In addition, a "senior foreign political figure" includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure. "Immediate family" of a senior foreign political figure typically includes the figure's parents, siblings, spouse, children and in-laws. A "close associate" of a senior foreign political figure is a person who is widely and publicly known to maintain an unusually close relationship with the senior foreign political figure, and includes a person who is in a position to conduct substantial domestic

and international financial transactions on behalf of the senior foreign political figure.

6.19. If the Subscriber is affiliated with a non-U.S. banking institution (a "**Foreign Bank**"), or if the Subscriber receives deposits from, makes payments on behalf of, or handles other financial transactions related to a Foreign Bank, the Subscriber represents and warrants to the Company that: (a) the Foreign Bank has a fixed address, other than solely an electronic address, in a country in which the Foreign Bank is authorized to conduct banking activities; (b) the Foreign Bank maintains operating records related to its banking activities; (c) the Foreign Bank is subject to inspection by the banking authority that licensed the Foreign Bank to conduct banking activities; and (d) the Foreign Bank does not provide banking services to any other Foreign Bank that does not have a physical presence in any country and that is not a regulated affiliate.

6.20. The Subscriber has read and reviewed the confidentiality provisions found Article XIV of the Company's Operating Agreement, which are hereby incorporated by reference and the Subscriber affirms their understanding and consent to each of the representations and warranties of the parties hereto set forth in this Section 6 and made as of the date hereof shall be true and accurate as of the Closing applicable to the subscription made hereby as if made on and as of the date of such Closing.

6.21. Each of the representations and warranties of the parties hereto set forth in this Section 5 and made as of the date hereof shall be true and accurate as of the Closing applicable to the subscription made hereby as if made on and as of the date of such Closing.

7. **Indemnification.** The Subscriber agrees to indemnify and hold harmless the Company, Nectar Series, the Manager of the Subscriber and their respective officers, directors, employees, agents, members, partners, control persons and affiliates (each of which shall be deemed third party beneficiaries hereof) from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened) based upon or arising out of any actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or breach by the Subscriber of any covenant or agreement made by the Subscriber herein or in any other document delivered in connection with this Subscription Agreement. Notwithstanding the foregoing, no representation, warranty, covenant or acknowledgment made herein by the Subscriber shall be deemed to constitute a waiver of any rights granted to it under the Securities Act or state securities laws.

8. **Irrevocability: Binding Effect.** The Subscriber hereby acknowledges and agrees that the subscription hereunder is irrevocable by the Subscriber, except as required by applicable law, and that this Subscription Agreement shall survive the death or disability of the Subscriber and shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors,

legal representatives, and permitted assigns. If the Subscriber is more than one person, the obligations of the Subscriber hereunder shall be joint and several and the agreements, representations, warranties, and acknowledgments herein shall be deemed to be made by and be binding upon each such person and such person's heirs, executors, administrators, successors, legal representatives, and permitted assigns.

9. **Modification.** This Subscription Agreement shall not be modified or waived except by an instrument in writing signed by the party against whom any such modification or waiver is sought.

10. **Assignability.** This Subscription Agreement and the rights, interests and obligations hereunder are not transferable or assignable by the Subscriber and the transfer or assignment of the Nectar Series Interests shall be made only in accordance with all applicable laws and the Operating Agreement. Any assignment contrary to the terms hereof shall be null and void and of no force or effect.

11. **Applicable Law and Jurisdiction.** This Subscription Agreement and the rights and obligations of the Subscriber arising out of or in connection with this Subscription Agreement, the Operating Agreement and the Offering Memorandum shall be construed in accordance with and governed by the internal laws of the State of Delaware without regard to principles of conflict of laws. The Subscriber (a) irrevocably submits to the non-exclusive jurisdiction and venue of the state and federal courts sitting in Philadelphia, Pennsylvania, in any action arising out of this Subscription Agreement, the Operating Agreement and the Offering Memorandum and (b) consents to the service of process by mail.

12. **Miscellaneous.**

12.1. **Entire Agreement.** This Subscription Agreement, together with the Operating Agreement, constitute the entire agreement between the Subscriber and the Company with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings, if any, relating to the subject matter hereof. The terms and provisions of this Subscription Agreement may be waived, or consent for the departure therefrom granted, only by a written document executed by the party entitled to the benefits of such terms or provisions.

12.2. **Survival.** The covenants, agreements, representations and warranties of the Company and the Subscriber made, and the indemnification rights provided for, in this Subscription Agreement shall survive the execution and delivery hereof and delivery of the Nectar Series Interests, regardless of any investigation made by or on behalf of any party, and shall survive delivery of any payment for the Subscription Amount.

12.3. **Fees.** Except to the extent otherwise described in the Offering Memorandum, each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants or others engaged by such party) in connection with this Subscription Agreement and the transactions contemplated hereby whether or not the transactions contemplated

hereby are consummated.

12.4. Electronic Signatures. This Subscription Agreement may be executed in one or more counterparts each of which shall be deemed an original (including signatures sent by facsimile transmission or by email transmission of a PDF scanned document or other electronic signature), but all of which shall together constitute one and the same instrument.

12.5. Electronic Delivery Authorization. The Company may make reports and other communications available in electronic form, such as E-mail or by posting on a web site (with notification of the posting by E-mail). You hereby consent to receive deliveries of reports and other communications from the Company (including annual and other updates of our consumer privacy policies and procedures) exclusively in electronic form without separate mailing of paper copies. Your consent to electronic delivery of such information may be revoked at any time upon written notice to the Company.

12.6. Severability. Each provision of this Subscription Agreement shall be considered separable and, if for any reason any provision or provisions hereof are determined to be invalid or contrary to applicable law, such invalidity or illegality shall not impair the operation of or affect the remaining portions of this Subscription Agreement.

12.7. Headings. Headings herein are for descriptive purposes only and shall not control or alter the meaning of this Subscription Agreement as set forth in the text.

12.8. Definitions. Words and expressions which are used but not defined in this Subscription Agreement shall have the meanings given to them in the Operating Agreement.

Under the penalties of perjury, I certify that:

Section 3.6 Record Holders. The Company may recognize the Record Holder as the owner of an Interest and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Interest on the part of any other Person, regardless of whether the Company shall have actual or other notice thereof, except as otherwise provided by law or any applicable

rule, regulation, guideline or requirement of any National Securities Exchange or over-the-counter market on which such Interests are listed for trading (if ever). Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring or holding Interests, as between the Company on the one hand, and such other Persons on the other, such representative Person shall be the Record Holder of such Interests.

Section 3.7 Splits.

(a) Subject to paragraph (c) of this Section and Section 3.4, and unless otherwise provided in any Series Designation, the Manager may make a pro rata distribution of Interests of any Series to all Record Holders of such Series, or may effect a subdivision or combination of Interests of any Series, in each case, on an equal per Interest basis and so long as, after any such event, any amounts calculated on a per Interest basis or stated as a number of Interests are proportionately adjusted.

(b) Whenever such a distribution, subdivision or combination of Interests is declared, the Manager shall select a date as of which the distribution, subdivision or combination shall be effective. The Manager shall send notice thereof at least ten (10) Business Days prior to the date of such distribution, subdivision or combination to each Record Holder as of a date not less than five (5) Business Days prior to the date of such distribution, subdivision or combination. The Manager also may cause a firm of independent public accountants selected by it to calculate the number of Interests to be held by each Record Holder after giving effect to such distribution, subdivision or combination. The Manager shall be entitled to rely on any certificate provided by such firm as conclusive evidence of the accuracy of such calculation.

(c) Subject to Section 3.4 and unless otherwise provided in any Series Designation, the Company shall not issue fractional Interests upon any distribution, subdivision or combination of Interests. If a distribution, subdivision or combination of Interests would otherwise result in the issuance of fractional Interests, each fractional Interest shall be rounded to the nearest whole Interest (and a 0.5 Interest shall be rounded to the next higher Interest).

Section 3.8 Agreements. The rights of all Members and the terms of all Interests are subject to the provisions of this Agreement (including any Series Designation).

Subject to the restrictions on Transfer and ownership limitations contained below, the Manager, or its appointee, shall keep or cause to be kept on behalf of the Company and each Series a register that will set forth the Record Holders of each of the Interests and information regarding the Transfer of each of the Interests. Section 4.3 Transfer Restrictions.

(a) No Transfer of any Member's Interest, whether voluntary or involuntary, shall be valid or effective, and no transferee shall become a Record Holder or Substituted Member if such Transfer violates any of the provisions in this Section 4.3. The Manager shall not recognize a transferee as a Record Holder or Substitute Member unless all of the conditions of Section 4.3(b) are also satisfied.

(b) No Transfer of any Members Interests, whether voluntary or involuntary, shall be valid or effective and shall be void *ab initio* if the Manager, in its sole discretion, determines that such Transfer has or may:

(ix) may adversely affect the Company or a Series as determined by the Manager in its sole discretion.

(c) In the event any Transfer permitted by this Section shall result in beneficial ownership by multiple Persons of any Members' interest in the Company, the Manager may require one or more trustees or nominees to be designated to represent a portion of or the entire interest transferred for the purpose of receiving all notices which may be given and all payments which may be made under this Agreement, and for the purpose of exercising the rights which the transferor as a Member had pursuant to the provisions of this Agreement.

(d) A transferee recognized by the Manager as a Record Holder shall be entitled to any future distributions attributable to the Interests transferred to such transferee and to transfer such Interests in accordance with the terms of this Agreement; *provided, however*, that such transferee shall not be entitled to the other rights of a Member as a result of such Transfer until he or she becomes a Substitute Member.

(e) The Company and each Series shall incur no liability for distributions made in good faith to the transferring Member until a written instrument of Transfer has been received by the Company and recorded on its books and the effective date of Transfer has passed.

(f) Any other provision of this Agreement to the contrary notwithstanding, any Substitute Member shall be bound by the provisions hereof. Prior to recognizing any Transfer in accordance with this Section, the Manager may require, in its sole discretion:

(i) the transferring Member and each transferee to execute one or more deeds or other instruments of Transfer in a form satisfactory to the Manager;

(ii) each transferee to acknowledge its assumption (in whole or, if the Transfer is in respect of part only, in the proportionate part) of the obligations of the transferring Member by executing a Form of Adherence (or any other equivalent instrument as determined by the Manager);

(g) The transferring Member shall bear all costs and expenses arising in connection with any proposed Transfer, whether or not the Transfer proceeds to completion, including any legal fees incurred by the Company or any broker or dealer, any costs or expenses in connection with any opinion of counsel, and any transfer taxes and filing fees.

Section 4.4 Transfer of Interests of Manager. The Manager may Transfer its Interests, if any, acquired at any time and from time to time. The Members hereby authorize the Manager to assign its rights, obligations and title as Manager to an Affiliate without the prior consent of any other Person, and, in connection with such transfer, designate such Affiliate of either Manager as a successor or Manager, provided, that the Manager shall notify the applicable Members of such change in the next regular communication to such Members.

Section 4.5 Death or Disability of a Member. Upon the Disability or death of a Member, that Member will cease to be a Member of the Company or a Series, as the case may be, and that disabled Member or the legal representative of that deceased Member's estate (or the trustee of a living trust established by that deceased Member if that Member's Interests have been transferred to a trust) shall not exercise any rights of a Member except such assignee may receive the distributions to which the deceased or disabled Member would be entitled.

Section 4.6 Notice of Restricted Transfer. Any Person who Transfers one or more Interests shall immediately give written notice to the Company of such Transfer, and shall provide to the Company such other information as the Company may request, including, but not limited to, the transferees name, address, email address, and the Ethereum transaction hash or transaction ID of the transfer.

Section 5.4 Exculpation, Indemnification, Advances and Insurance.

(a) Subject to other applicable provisions of this Article V including Section 5.6, the Indemnified Persons shall not be liable to the Company or any Series for any acts or omissions by any of the Indemnified Persons arising from the exercise of their rights or performance of their duties and obligations in connection with the Company or any Series, this Agreement or any investment made or held by the Company or any Series, including with respect to any acts or omissions made while serving at the request of the Company or on behalf of any Series as an officer, director, member, partner, fiduciary or trustee of another Person, other than such acts or omissions that have been determined in a final, non-appealable decision of a court of competent jurisdiction to constitute fraud, willful misconduct or gross negligence. The Indemnified Persons shall be indemnified by the Company and, to the extent Expenses and Liabilities are of any Series, each such Series, in each case, to the fullest extent permitted by law, against all expenses and liabilities (including judgments, fines, penalties, interest, amounts paid in settlement with the approval of the Company and counsel fees and disbursements on a solicitor and client basis) (collectively, **Expenses and Liabilities**) arising from the performance of any of their duties or obligations in connection with their service to the Company or each such Series or this Agreement, or any investment made or held by the Company, each such Series, including in connection with any civil, criminal, administrative, investigative or other action, suit or proceeding to which any such Person may hereafter be made party by reason of being or having been a manager of the Company or such Series under Delaware law, an Officer of the Company or of such Series, or an officer, director, member, partner, fiduciary or trustee of another Person, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud,

willful misconduct or gross negligence. Without limitation, the foregoing indemnity shall extend to any liability of any Indemnified Person, pursuant to a loan guaranty or otherwise, for any indebtedness of the Company or any Series (including any indebtedness which the Company or any Series has assumed or taken subject to), and the Manager or the Officers are hereby authorized and empowered, on behalf of the Company or any Series, to enter into one or more indemnity agreements consistent with the provisions of this Section in favor of any Indemnified Person having or potentially having liability for any such indebtedness. It is the intention of this paragraph that the Company and each applicable Series indemnify each Indemnified Person to the fullest extent permitted by law, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud, willful misconduct or gross negligence.

(b) The provisions of this Agreement, to the extent they restrict the duties and liabilities of an Indemnified Person otherwise existing at law or in equity, including Section 5.7, are agreed by each Member to modify such duties and liabilities of the Indemnified Person to the maximum extent permitted by law.

(c) Any indemnification under this Section (unless ordered by a court) shall be made by each applicable Series. To the extent, however, that an Indemnified Person has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, such Indemnified Person shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by such Indemnified Person in connection therewith.

(d) Any Indemnified Person may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under paragraph (a). The basis of such indemnification by a court shall be a determination by such court that indemnification of the Indemnified Person is proper in the circumstances because such Indemnified Person has met the applicable standards of conduct set forth in paragraph (a). Neither a contrary determination in the specific case under paragraph (c) nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the Indemnified Person seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this paragraph shall be given to the Company promptly upon the filing of such application. If successful, in whole or in part, the Indemnified Person seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

(e) To the fullest extent permitted by law, expenses (including attorney's fees) incurred by an Indemnified Person in defending any civil, criminal, administrative or investigative action, suit or proceeding may, at the option of the Manager, be paid by each applicable Series in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount

if it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by each such Series as authorized in this Section.

(f) The indemnification and advancement of expenses provided by or granted pursuant to this Section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under this Agreement, or any other agreement (including without limitation any Series Designation), vote of Members or otherwise, and shall continue as to an Indemnified Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnified Person unless otherwise provided in a written agreement with such Indemnified Person or in the writing pursuant to which such Indemnified Person is indemnified, it being the policy of the Company that indemnification of the persons specified in paragraph (a) shall be made to the fullest extent permitted by law. The provisions of this Section shall not be deemed to preclude the indemnification of any person who is not specified in paragraph (a) but whom the Company or an applicable Series has the power or obligation to indemnify under the provisions of the Delaware Act.

(g) The Company and any Series may, but shall not be obligated to, purchase and maintain insurance on behalf of any Person entitled to indemnification under this Section against any liability asserted against such Person and incurred by such Person in any capacity to which they are entitled to indemnification hereunder, or arising out of such Persons status as such, whether or not the Company would have the power or the obligation to indemnify such Person against such liability under the provisions of this Section.

(h) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section shall, unless otherwise provided when authorized or ratified, inure to the benefit of the heirs, executors and administrators of any person entitled to indemnification under this Section.

(i) The Company and any Series may, to the extent authorized from time to time by the Manager, provide rights to indemnification and to the advancement of expenses to employees and agents of the Company or such Series.

(j) If this Section or any portion of this Section shall be invalidated on any ground by a court of competent jurisdiction each applicable Series shall nevertheless indemnify each Indemnified Person as to expenses (including attorney's fees), judgments, fines, and amounts paid in settlement with respect to any action, suit, proceeding or investigation, whether civil, criminal or administrative, including a grand jury proceeding or action or suit brought by or in the right of the Company, to the full extent permitted by any applicable portion of this Section that shall not have been invalidated.

(k) Each of the Indemnified Persons may, in the performance of his, her or its duties, consult with legal counsel, accountants, and other experts, and any act or omission by such Person on behalf of the Company or any Series in furtherance of the interests of the Company or such Series in good faith in reliance upon, and in accordance with, the advice of such legal counsel, accountants or other experts will be full justification for any

such act or omission, and such Person will be fully protected for such acts and omissions; *provided* that such legal counsel, accountants, or other experts were selected with reasonable care by or on behalf of such Indemnified Person.

(l) An Indemnified Person shall not be denied indemnification in whole or in part under this Section because the Indemnified Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(m) Any liabilities which an Indemnified Person incurs as a result of acting on behalf of the Company or any Series (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the Internal Revenue Service, penalties assessed by the Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities indemnifiable under this Section, to the maximum extent permitted by law.

(n) The Manager shall, in the performance of its duties, be fully protected in relying in good faith upon the records of the Company and any Series and on such information, opinions, reports or statements presented to the Company by any of the Officers or employees of the Company or of any Series, or by any other Person as to matters the Manager reasonably believes are within such other Persons professional or expert competence.

(o) Any amendment, modification or repeal of this Section or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability of or other rights of any indemnitee under this Section as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted and provided such Person became an indemnitee hereunder prior to such amendment, modification or repeal.

Section 5.5 Duties of Officers.

(a) Except as set forth in Sections 5.4 and 5.6, as otherwise expressly provided in this Agreement or required by the Delaware Act, (i) the duties and obligations owed to the Company by the Officers, if any, shall be the same as the duties and obligations owed to a corporation organized under DGCL by its officers, and (ii) the duties and obligations owed to the Members by the Officers shall be the same as the duties and obligations owed to the stockholders of a corporation under the DGCL by its officers.

(b) The Manager shall have the right to exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it thereunder either directly or by or through the duly authorized Officers of the Company or of a Series, and the Manager shall not be responsible for the misconduct or negligence on the part of any such Officer duly appointed or duly authorized by the Manager in good faith.

Section 5.6 Standards of Conduct and Modification of Duties of the Manager.

Notwithstanding anything to the contrary herein or under any applicable law, including, without limitation, Section 18 1101(c) of the Delaware Act, the Manager and any Covered Person, in exercising its rights hereunder in its capacity as the manager of the Company or any Series, shall have no duty or obligation (fiduciary or otherwise) except as stated in this Agreement. The Manager shall not have any duty (including any fiduciary duty) to the Company, any Series, the Members or any other Person to self-dealing or corporate opportunities, all of which are hereby expressly waived. Notwithstanding the foregoing, neither the Manager nor any Covered Person shall be liable to the Company, a Series, or any other Covered Person for any loss, damage, or claim incurred by reason of any action taken or omitted to be taken so long as such action or omission does not constitute fraud or willful misconduct by the Manager or such Covered Person.

Section 5.7 Reliance by Third Parties. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Company or any Series shall be entitled to assume that the Manager and any Officer of the Company or any Series has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company or such Series and to enter into any contracts on behalf of the Company or such Series, and such Person shall be entitled to deal with the Manager or any Officer as if it were the Company's or such Series sole party in interest, both legally and beneficially. Each Member hereby waives, to the fullest extent permitted by law, any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the Manager or any Officer in connection with any such dealing. In no event shall any Person dealing with the Manager or any Officer or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the Manager or any Officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company or any Series by the Manager or any Officer or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement were in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company or any Series and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company or the applicable Series.

Section 5.8 Related Party Transactions. Notwithstanding that it may constitute a conflict of interest, the Manager and/or their respective Affiliates may engage in any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service or the establishment of any salary, other compensation or other terms of employment) with the Company or any Series, so long as (x) such transaction is on arm's length terms at market rate and (y) such transaction is approved by the Manager, acting in good faith. Without limiting the generality of the foregoing, each of the Members hereby acknowledges and expressly consents to each of the following:

- (a) the Company or any Series' payment of expenses to the Manager in connection with the purchase, sale, lease and management of real property;

(b) with respect to any Series, the purchase of real property, as described in such Series' Offering Document, from an affiliate or part related to the Manager or its principals,

(c) the entering into and periodic renewal of the Property Management Agreement in accordance with Section 5.9; and

(d) any other transaction expressly contemplated by the terms of this Agreement.

Section 5.9 Appointment of a Property Manager for Real Property Interests. The Manager exercises ultimate authority over the Series Property. Pursuant to Section 5.3, the Manager has the right to delegate its responsibilities under this Agreement in respect of the management of the Series Property. The Manager may, on behalf of the Company or any Series, appoint a Property Manager to manage Series Property consisting of real property interests on a discretionary basis, and to exercise, to the exclusion of the Manager (but under the supervision and authority of the Manager), all the powers, rights and discretions conferred on the Manager in respect of the Series Property and, the Manager on behalf of each Series, may enter into a property management agreement pursuant to which a Property Manager is formally appointed to manage such Series Property. Any consideration payable to a Property Manager for managing such Series Property will be negotiated by the Manager and remain separate from fees, if any, paid to the Manager.

Section 5.10 The Manager May Engage in Other Activities. The Manager shall not be obligated to devote all of its time or business efforts to the affairs of the Company or any particular Series, provided that the Manager shall devote the time, effort and skill as it determines in its sole discretion may be necessary or appropriate for the proper operation of the Company and each Series. Subject to the foregoing, the Manager may have other business interests and may engage in other activities in addition to those related to the Company and each Series. The Manager and its respective Affiliates may acquire interests in the Series, companies, partnerships, or any other Person issuing securities managed or administered by the Manager. The Manager's interests may be of a different class or type, with different rights and preferences, than those held by the Members. Likewise, the Manager may acquire or possess interests in other companies or business ventures that are competitive with the Company and each Series. None of the Members of the Company any Series will have the right, by virtue of this Agreement, to share or participate in other investments or activities of the Manager or to the income derived therefrom. Except as expressly set forth in this Agreement, the Manager and each Member, and their respective Affiliates may engage in or possess any interest in other business ventures of any kind, nature or description, independently or with others, whether those ventures are competitive with the Company or any Series or otherwise.

ARTICLE VI FEES AND EXPENSES

SUBSTITUTE FORM W-9 FOR FEDERAL INCOME TAX BACKUP WITHHOLDING

SUBSTITUTE FORM W-9 FOR FEDERAL INCOME TAX BACKUP WITHHOLDING

To prevent the application of federal income tax backup withholding, the Company must receive from each holder of its membership interests a correct Taxpayer Identification Number ("**TIN**"). An individual's social security number is his or her TIN and must be provided in the space below. An entity's TIN is its employer identification number of "EIN". Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld by the Company, if any. Certain taxpayers, including all corporations, are not subject to these backup withholding and reporting requirements. If you have not received a TIN but have applied for a TIN, please write "Applied For" below.

Under the penalty of perjury, the undersigned hereby certifies as follows:

1. The number shown on this form is my correct taxpayer identification number; and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person as defined by the Internal Revenue Code.
