Alternative Protein VC | MBA/MS - Stanford GSB | ex-Morgan Stanley
San Francisco Bay Area

Experience

Lever VC
Partner
2022 - Present (1 year)

Lever VC's US\$80 million Fund I invests in early-stage companies in the alternative protein sector (plant-based and cell-cultivated meat, egg and dairy companies, and related ingredients and technologies). Lever VC invests globally, with team members in the US, Hong Kong, mainland China, Singapore, Europe, Israel and Brazil. Entrepreneurs and startups interested in connecting with Lever VC about possible investment can reach me at: yaqi@levervc.com
