Amendment No. 1 to Registration Statement on Form F-1

Material United States and Dutch Income Tax Considerations, page 177

1. We note your revised disclosure and your response to comment 5. It appears that you do not intend to file a tax opinion relating to the U.S. tax consequences of this transaction. Please tell us why you have determined that such a tax opinion is not required for this transaction considering, for example, the uncertainty relating to your PFIC status. Alternatively, please file an opinion that addresses U.S. tax matters. Refer to Item 601 of Regulation S-K and Section III.A of Staff Legal Bulletin No. 19.
