At The Gap Year Girls, we hold the value that individually we self-source solutions by knowing our own selves and trusting our guts when it comes to satisfying our goals through perseverance and impactful problem-solving. It is my job to hold the vision for where we are going as a company so that our team can perform their best through the core principles that we stand for and support my business partner, and co-founder, Celeste Rajczi so that we can achieve our dream.

As a team, we have made progress in the right direction, and each day I measure thi ...see mor

The World

After over 2 decades of a solid career in marketing music, design, and the arts, I decided to take a career break to reinvigorate my perspective and broaden my creativity. I left Los Angeles and at 50 years old, started my transition by thru-hiking the entirety of the Appalachian Trail (2180 miles) as a solo woman hiker. Being my first time as a hiker, I gained a newfou ...see mor
