Draft Registration Statement on Form S-1

Cover Page

1. We note your disclosure that you will have 24 months from the closing of the initial public offering to consummate your initial business combination. Please clarify, if true, that you may amend your organizational documents to extend your business combination deadline. If there are reasons why you cannot or will not seek shareholder approval to extend such deadline, please state so. Please add similar clarification elsewhere in your filing where you describe the deadline.

Summary

Competitive Strengths, page 5

2. Please revise to balance your disclosure in this section by also disclosing the current trading price of each of Rimini Street and Whole Earths Brands, and also provide a quantification of the amount of public shares that were outstanding immediately prior to

those merger transactions.

Redemption rights for public shareholders upon completion of our initial business combination, page 29

3. We note your statement that your public shareholders will have the opportunity to redeem their shares upon the completion of your business combination. Please revise here, and elsewhere as appropriate, to disclose whether the shareholders will be permitted to redeem their shares regardless of whether they abstain, vote for, or against, the proposed transaction or whether they must vote against it.

Risk Factors

If we are deemed to be an investment company..., page 49

4. We note your statement that the assets in your trust account will be invested only in U.S. government treasury obligations with a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 under the Investment Company Ac. Please revise your disclosure to state clearly the risk that nevertheless, you could be considered to be operating as an unregistered investment company. Please confirm that if your facts and circumstances change over time, you will update your disclosure to reflect how those changes impact the risk that you may be considered to be operating as an unregistered investment company.

We may be unable to obtain additional financing . . . , page 56

5. We note your statement that you believe that the net proceeds of this offering and the sale of the private placement warrants will be sufficient to allow you to complete your initial business combination. We also note your disclosures elsewhere that you intend to target companies whose enterprise valuation is between \$1.0 billion and \$5.0 billion. Please revise to reconcile.

Use of Proceeds, page 79

6. We refer to your statement on page 39 that the "as adjusted" information contemplates repayment of up to \$700,000 in loans from GPIC, Ltd., and \$400,000 in loans from IDS III LLC. You also state here in note 2 that these loans will be repaid upon completion of the offering "out of the \$600,000 of offering proceeds that has been allocated for the payment of offering expenses (other than underwriting commissions) not held in the trust account." However, the \$600,000 amount does not appear to be included in the second table, which shows the use of net proceeds that are not held in the trust account. In addition, please clarify how you will repay any loans that exceed this \$600,000 amount. In this regard, we note your statement in note 2 that as of December 31, 2023, the outstanding amount was already \$682,182.
