2. ***Representations and Warranties of the Company.*** The Company represents and warrants to each Investor that:

(a) *Due Incorporation, Qualification, etc.* The Company (i) is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware; (ii) has the power and authority to own, lease and operate its properties and carry on its business as now conducted; and (iii) is duly qualified, licensed to do business and in good standing as a foreign corporation in each jurisdiction where the failure to be so qualified or licensed could reasonably be expected to have a material adverse effect on the Company.

(c) *Enforceability.* Each Transaction Document executed, or to be executed, by the Company has been, or will be, duly executed and delivered by the Company and constitutes, or will constitute, a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(d) *Non-Contravention.* The execution and delivery by the Company of the Transaction Documents executed by the Company and the performance and consummation of the transactions contemplated thereby do not and will not (i) violate the Company's Certificate of Incorporation or Bylaws (as amended, the "**Charter Documents**") or any material judgment, order, writ, decree, statute, rule or regulation applicable to the Company; (ii) violate any provision of, or result in the breach or the acceleration of, or entitle any other Person to accelerate (whether after the giving of notice or lapse of time or both), any material mortgage, indenture, agreement, instrument or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any Lien upon any property, asset or revenue of the Company or the suspension, revocation, impairment, forfeiture, or nonrenewal of any material permit, license, authorization or approval applicable to the Company, its business or operations, or any of its assets or properties.

(e) *Approvals.* No consent, approval, order or authorization of, or registration, declaration or filing with, any governmental authority or other Person (including, without limitation, the shareholders of any Person) is required in connection with the execution and delivery of the Transaction Documents executed by the Company and the performance and consummation of the transactions contemplated thereby, other than such as have been obtained and remain in full force and effect and other than such qualifications or filings under applicable securities laws as may be required in connection with the transactions contemplated by this Agreement.

(f) *No "Bad Actor" Disqualification.* The Company has exercised reasonable care, in accordance with Securities and Exchange Commission rules and guidance, to determine whether any Covered Person (as defined below) is subject to any of the "bad actor" disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act ("**Disqualification Events**"). To the Company's knowledge, no Covered Person is subject to a Disqualification Event, except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3) under the Securities Act. The Company has complied, to the extent applicable, with any disclosure obligations under Rule 506(e) under the Securities Act. (g) *Accuracy of Information Furnished.* The Company does not represent or warrant that it will achieve any financial projections provided in any certificates, statements or information furnished to Investors and represents only that such projections were prepared in good faith.

(h) *No Other Representations and Warranties.* Except for the representations and warranties contained in this **Section 2**, the Company makes no express or implied representation or warranty, and the Company hereby disclaims any such representation or warranty with respect to the execution and delivery of this Agreement, the Transaction Documents and the transactions contemplated hereby and thereby.

3. ***Representations and Warranties of Investors.*** Each Investor, for that Investor alone, represents and warrants to the Company upon the acquisition of a Note as follows:

(a) *Binding Obligation.* Such Investor has full legal capacity, power and authority to execute and deliver this Agreement and to perform its obligations hereunder. This Agreement and the Transaction Documents constitute valid and binding obligations of such Investor, enforceable in accordance with their terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors’ rights generally and general principles of equity.

(b) *Securities Law Compliance.* Such Investor has been advised that the Notes and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. Such Investor is aware that the Company is under no obligation to effect any such registration with respect to the Notes or the underlying securities or to file for or comply with any exemption from registration. Such Investor has not been formed solely for the purpose of making this investment and is purchasing the Notes to be acquired by such Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. If Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Investor hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to purchase the Notes or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Notes, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, conversion, sale, or transfer of the Notes. Investor’s subscription and payment for and continued beneficial ownership of the Notes will not violate any applicable securities or other laws of the Investor’s jurisdiction.

(c) *Access to Information.* Such Investor acknowledges that the Company has given such Investor access to the corporate records and accounts of the Company and to all information in its possession relating to the Company, has made its officers and representatives available for interview by such Investor, and has furnished such Investor with all documents and other information required for such Investor to make an informed decision with respect to the purchase of the Notes.

(d) *Tax Advisors.* Such Investor has reviewed with its own tax advisors the U.S. federal, state and local and non-U.S. tax consequences of this investment and the transactions contemplated by this Agreement. With respect to such matters, such Investor relies solely on any such advisors and not on any statements or representations of the Company or any of its agents, written or oral. Such Investor understands that it (and not the Company) shall be responsible for its own tax liability that may arise as a result of this investment and the transactions contemplated by this Agreement.

(e) *No “Bad Actor” Disqualification Events.* Neither (i) such Investor, (ii) any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members, nor (iii) any beneficial owner of any of the Company’s voting equity securities (in accordance with Rule 506(d) of the Securities Act) held by such Investor is subject to any Disqualification Event (as defined in Section 2(f)) except for Disqualification Events covered by Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed reasonably in advance of the Closing in writing in reasonable detail to the Company.

(f) *No Other Representations and Warranties.* Investor acknowledges and agrees that he, she, or it is relying only on the representations and warranties made by the Company in **Section 2** hereof and Investor is not relying on any written or oral information concerning the Company provided by the Company or any person associated with the Company, including without limitation any officer, director, employee or stockholder of the Company.

4. ***Conditions to Closing of the Investors.*** Each Investor’s obligations at the Closing are subject to the fulfillment, on or prior to the Closing Date, of all of the following conditions, any of which may be waived in whole or in part by all of the Investors:

(a) *Representations and Warranties.* The representations and warranties made by the Company in **Section 2** hereof shall have been true and correct when made, and shall be true and correct on the Closing Date.

(c) *Legal Requirements.* At the Closing, the sale and issuance by the Company, and the purchase by the Investors, of the Notes shall be legally permitted by all laws and regulations to which the Investors or the Company are subject.

(d) *Proceedings and Documents.* All corporate and other proceedings in connection with the transactions contemplated at the Closing and all documents and instruments incident to such transactions shall be reasonably satisfactory in substance and form to the Investors.

(e) *Transaction Documents.* The Company shall have duly executed and delivered to the Investors the following documents:

(i) This Agreement; and

(ii) Each Note issued hereunder.

5. ***Conditions to Additional Closings of the Investors.*** The obligations of any Investor participating in an Additional Closing are subject to the fulfillment, on or prior to the applicable Additional

Closing Date, of all of the following conditions, any of which may be waived in whole or in part by all of the Investors participating in such Additional Closing:

(a) *Representations and Warranties.* The representations and warranties made by the Company in **Section 2** hereof shall be true and correct in all material respects on the applicable Additional Closing Date.

6. ***Conditions to Obligations of the Company.*** The Company's obligation to issue and sell the Notes at the Closing and at each Additional Closing is subject to the fulfillment, on or prior to the Closing Date or the applicable Additional Closing Date, of the following conditions, any of which may be waived in whole or in part by the Company:

(a) *Representations and Warranties.* The representations and warranties made by the applicable Investors in **Section 3** hereof shall be true and correct when made, and shall be true and correct on the Closing Date and the applicable Additional Closing Date.

(b) *Governmental Approvals and Filings.* Except for any notices required or permitted to be filed after the Closing Date or the applicable Additional Closing Date with certain federal and state securities commissions, the Company shall have obtained all governmental approvals required in connection with the lawful sale and issuance of the Notes.

(d) *Purchase Price.* Each Investor shall have delivered to the Company the Purchase Price in respect of the Note being purchased by such Investor referenced in **Section 1(b)** hereof.

7. ***Miscellaneous.***

(a) *Waivers and Amendments.* Any provision of this Agreement and the Notes may be amended, waived or modified only upon the written consent of the Company and a Majority in Interest of Investors. Any amendment or waiver effected in accordance with this paragraph shall be binding upon all of the parties hereto. Notwithstanding the foregoing, this Agreement may be amended to add a party as an Investor hereunder in connection with Additional Closings without the consent of any other Investor, by delivery to the

Company of a counterparty signature page to a Note. Such amendment shall take effect at the Additional Closing and such party shall thereafter be deemed an “Investor” for all purposes hereunder.

(b) *Governing Law.* This Agreement and all actions arising out of or in connection with this Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to the conflicts of law provisions of the State of California or of any other state.

(c) *Survival.* The representations, warranties, covenants and agreements made herein shall survive the execution and delivery of this Agreement for one year from the date of this Agreement first written above. No claim for breach of any such representations, warranties, covenants and agreements may be made after the expiration of such survival period.

(d) *Successors and Assigns.* Subject to the restrictions on transfer described in **Sections 7(e)** and **7(f)** below, the rights and obligations of the Company and the Investors shall be binding upon and benefit the successors, assigns, heirs, administrators and transferees of the parties.

(e) *Registration, Transfer and Replacement of the Notes.* The Notes issuable under this Agreement shall be registered notes. The Company will keep, at its principal executive office, books for the registration and registration of transfer of the Notes. Prior to presentation of any Note for registration of transfer, the Company shall treat the Person in whose name such Note is registered as the owner and holder of such Note for all purposes whatsoever, whether or not such Note shall be overdue, and the Company shall not be affected by notice to the contrary. Subject to any restrictions on or conditions to transfer set forth in any Note, the holder of any Note, at its option, may in person or by duly authorized attorney surrender the same for exchange at the Company’s chief executive office, and promptly thereafter and at the Company’s expense, except as provided below, receive in exchange therefor one or more new Note(s), each in the principal requested by such holder, dated the date to which interest shall have been paid on the Note so surrendered or, if no interest shall have yet been so paid, dated the date of the Note so surrendered and registered in the name of such Person or Persons as shall have been designated in writing by such holder or its attorney for the same principal amount as the then unpaid principal amount of the Note so surrendered. Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note and (a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it; or (b) in the case of mutilation, upon surrender thereof, the Company, at its expense, will execute and deliver in lieu thereof a new Note executed in the same manner as the Note being replaced, in the same principal amount as the unpaid principal amount of such Note and dated the date to which interest shall have been paid on such Note or, if no interest shall have yet been so paid, dated the date of such Note.

(f) *Assignment by the Company.* The rights, interests or obligations hereunder may not be assigned, by operation of law or otherwise, in whole or in part, by the Company without the prior written consent of a Majority in Interest of Investors.

(g) *Entire Agreement.* This Agreement together with the other Transaction Documents constitute and contain the entire agreement among the Company and Investors and supersede any and all prior agreements, negotiations, correspondence, understandings and communications among the parties, whether written or oral, respecting the subject matter hereof.

(h) *Notices.* All notices, requests, demands, consents, instructions or other communications required or permitted hereunder shall be in writing and faxed, mailed or delivered to each party as follows: (i) if to an Investor, at such Investor’s address or facsimile number set forth in the Company’s records, or at such other address as such Investor shall have furnished the Company in writing, or (ii) if to the Company, at the Company’s headquarters or at such other address or facsimile number as the Company shall

have furnished to the Investors in writing. All such notices and communications will be deemed effectively given the earlier of (i) when received, (ii) when delivered personally, (iii) one business day after being delivered by facsimile (with receipt of appropriate confirmation), (iv) one business day after being deposited with an overnight courier service of recognized standing or (v) four days after being deposited in the U.S. mail, first class with postage prepaid.

(i) *Expenses.* The Company and the Investors shall each pay their own expenses in connection with the transactions contemplated by this Agreement.

(j) *Separability of Agreements; Severability of this Agreement.* The Company's agreement with each of the Investors is a separate agreement and the sale of the Notes to each of the Investors is a separate sale. Unless otherwise expressly provided herein, the rights of each Investor hereunder are several rights, not rights jointly held with any of the other Investors. Any invalidity, illegality or limitation on the enforceability of the Agreement or any part thereof, by any Investor whether arising by reason of the law of the respective Investor's domicile or otherwise, shall in no way affect or impair the validity, legality or enforceability of this Agreement with respect to other Investors. If any provision of this Agreement shall be judicially determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(k) *Tax Withholding.* Notwithstanding any other provision of this Agreement, the Company shall be entitled to deduct and withhold from any amounts payable or otherwise deliverable pursuant to this Agreement such amounts as may be required to be deducted or withheld therefrom under any provision of applicable law, and to request and be provided any necessary tax forms and information, including Internal Revenue Service Form W-9 or Form W-8BEN, as applicable, from each beneficial owner of the Note. To the extent such amounts are so deducted or withheld and paid over to the appropriate taxing authority, such amounts shall be treated for all purposes under this Agreement as having been paid to the person to whom such amounts otherwise would have been paid.

(l) *Counterparts.* This Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement. Facsimile and PDF copies of signed signature pages will be deemed binding originals.

The following is a statement of the rights of Investor and the conditions to which this Note is subject, and to which Investor, by the acceptance of this Note, agrees:

8. ***Payments.***

9. ***Events of Default.*** The occurrence of any of the following shall constitute an “**Event of Default**” under this Note and the other Transaction Documents:

(a) *Failure to Pay.* The Company shall fail to pay (i) when due any principal payment on the due date hereunder or (ii) any interest payment or other payment required under the terms of this Note or any other Transaction Document on the date due and such payment shall not have been made within five (5) Business Days of the Company's receipt of written notice to the Company of such failure to pay; or

(c) *Involuntary Bankruptcy or Insolvency Proceedings.* Proceedings for the appointment of a receiver, trustee, liquidator or custodian of the Company, or of all or a substantial part of the property thereof, or an involuntary case or other proceedings seeking liquidation, reorganization or other relief with respect to the Company or any of its Subsidiaries, if any, or the debts thereof under any bankruptcy, insolvency or other similar law now or hereafter in effect shall be commenced and an order for relief entered or such proceeding shall not be dismissed or discharged within 45 days of commencement.

(d) *Liquidity Event.* A Liquidity Event shall have occurred.

10. ***Rights of Investor upon Default.*** Upon the occurrence of any Event of Default (other than an Event of Default described in **Sections 2(b) or 2(c)**) and at any time thereafter during the continuance of such Event of Default, Investor may, with the written consent of a Majority in Interest of Investors, by written notice to the Company, declare all outstanding Obligations payable by the Company hereunder to be immediately due and payable without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the other Transaction Documents to the contrary notwithstanding. Upon the occurrence of any Event of Default described in **Sections 2(b) and 2(c)**, immediately and without notice, all outstanding Obligations payable by the Company hereunder shall automatically become immediately due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the other Transaction Documents to the contrary notwithstanding. In addition to the foregoing remedies, upon the occurrence and during the continuance of any Event of Default, Investor may, with the written consent of a Majority in Interest of Investors, exercise any other right power or remedy granted to it by the Transaction Documents or otherwise permitted to it by law, either by suit in equity or by action at law, or both.

11. ***Conversion.***

(b) *Conversion Procedure.*

(i) Conversion Pursuant to Section 4(a). If this Note is to be automatically converted, written notice shall be delivered to Investor at the address last shown on the records of the Company for Investor or given by Investor to the Company for the purpose of notice, notifying Investor of the conversion

to be effected, specifying the Conversion Price, the principal amount of the Note to be converted, the accrued and unpaid interest to be converted (if any), the date on which such conversion is expected to occur and calling upon such Investor to surrender to the Company, in the manner and at the place designated, the Note. Upon such conversion of this Note, Investor hereby agrees to execute and deliver to the Company all transaction documents entered into by other purchasers participating in the Qualified Financing, including a purchase agreement, an investor rights agreement and other ancillary agreements, with customary representations and warranties and transfer restrictions (including, without limitation, a 180-day lock-up agreement in connection with an initial public offering). Investor also agrees to deliver the original of this Note (or a notice to the effect that the original Note has been lost, stolen or destroyed and an agreement acceptable to the Company whereby the holder agrees to indemnify the Company from any loss incurred by it in connection with this Note) at the closing of the Qualified Financing for cancellation; *provided, however*, that upon the closing of the Qualified Financing, this Note shall be deemed converted and of no further force and effect, whether or not it is delivered for cancellation as set forth in this sentence. The Company shall, as soon as practicable thereafter, issue and deliver to such Investor a certificate or certificates for the number of shares to which Investor shall be entitled upon such conversion, including a check payable to Investor for any cash amounts payable as described in **Section 4(b)(ii)**. Any conversion of this Note pursuant to **Section 4(a)** shall be deemed to have been made immediately prior to the closing of the Qualified Financing and on and after such date the Persons entitled to receive the shares issuable upon such conversion shall be treated for all purposes as the record holder of such shares.

(ii) Fractional Shares; Interest; Effect of Conversion. No fractional shares shall be issued upon conversion of this Note. In lieu of the Company issuing any fractional shares to the Investor upon the conversion of this Note, the Company shall pay to Investor an amount equal to the product obtained by multiplying the applicable conversion price by the fraction of a share not issued pursuant to the previous sentence. In addition, to the extent not converted into shares of capital stock, the Company shall pay to Investor any interest accrued on the amount converted and on the amount to be paid by Company pursuant to the previous sentence. Upon conversion of this Note in full and the payment of the amounts specified in this paragraph, Company shall be forever released from all its obligations and liabilities under this Note and this Note shall be deemed of no further force or effect, whether or not the original of this Note has been delivered to the Company for cancellation.
