Upon the death or incapacity of a Member, any membership interests in the Company shall transfer to the beneficiaries of such Member.

11. **Drag Along Right.** In the event that the Managing Members determine that the Members should sell their entire Percentage Interest in the Company, or a *pro rata* portion thereof (an “Interest Sale”), then each Member hereby agrees to execute and deliver all related documentation and take such other action in support of such Interest Sale as shall reasonably be requested by the Managing Members in order to carry out such Interest Sale, including without limitation executing and delivering instruments of conveyance and transfer, and any purchase agreement, membership interest assignments (free and clear of impermissible liens, claims and encumbrances) and any similar or related documents.

comply with the provisions of this Section 14 shall not be a default under this Agreement unless the Members' investments in the Company are materially prejudiced by the failure to comply.

15. **Admission of Additional Members.** The Managing Members may cause the Company to admit one or more additional members to the Company and/or create different classes of members, so long as, as a result of such admission of additional members or creation of an additional class, the economic rights of the Members within a class are affected proportionately.
