1. We noted your letter dated March 12, 2021 and we request additional analysis supporting your estimated fair value of shares of the Company's ordinary shares. Please quantify the impact of each factors that you list to support the difference in valuation between the December 2020 Valuations and Preliminary Assumed IPO price. Please clearly explain in greater detail why these factors do not represent new information that suggest that the December 2020 Valuations were based on inaccurate data and assumptions and, thus, a revision might be warranted. In this regard, tell us whether changes in revenue and operating results supports the valuations throughout the year ending December 31, 2020 and indicate whether that performance heightens and accelerates supporting the rapid
