## Report of Independent Certified Public Accountant's

MedCoShare, Inc.  
Philadelphia, PA 19125

We have reviewed the accompanying financial statements of MedCoShare, Inc., which comprise the balance sheet as of September 30, 2020, and the related statements of income and retained earnings and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**MEDCOSHARE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2020**

**Note 1:**      **Summary of Significant Accounting Policies**

Organization - The Company was incorporated on July 29, 2019 under the state laws of Delaware and registered as a Foreign Company in the state of Pennsylvania on August 10, 2019. The principal activity of the Company is to provide office space for physicians and healthcare practitioners, who serve the public in private practice, throughout the United States of America.

Accounts Receivable - As of the balance sheet date, there are no outstanding accounts receivable and as a result there are no reserves for bad debts. Bad debt expense will be recognized using the direct write-off method when such receivables are determined to be uncollectible.

Revenue and Cost Recognition - The Company follows the accrual method of accounting, consistent with generally accepted accounting principles, for their financial statement reporting and they utilize the cash method of accounting for their respective income tax returns.

Fixed Assets- Fixed assets are stated at cost, less accumulated depreciation. Depreciation is provided over the estimated useful lives of the assets by using straight-line and declining balance methods of depreciation over a ten-year period. Repair and maintenance costs are expensed, while additions and betterments are capitalized.

The cost and related accumulated depreciation of assets sold or retired are eliminated from the accounts and any gains or losses are reflected in earnings.

Income Taxes – The Company files its Corporate Income Tax Returns as a “C” Corporation. No Income Tax accrual has been made on these financial statements as the company has not accrued any income tax liability.

Concentration of Credit Risk - The Company engages principally in providing office space for the healthcare community. The Company performs ongoing credit evaluations of its tenant’s financial condition and generally requires no collateral. Actual losses have been within management’s expectations and have not been material in any period.
