Preliminary Proxy Statement on Schedule 14A

General

1. We note that the company's Class A shares are listed on the New York Stock Exchange. We also note that you are proposing to extend the time period to complete a business combination for up to 39 months from the closing of your initial public offering. The NYSE Rule 102.06 requires that a special purpose acquisition company complete a business combination within 36 months. Please disclose that your proposal to extend your termination deadline beyond 36 months does not comply with this NYSE rule and describe the risks of your non-compliance with this rule, including that your shares may be subject to NYSE delisting.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
