Preliminary Proxy Statement on Schedule 14A

Risk Factors

The Extension Amendment contemplated by the Extension Amendment Proposal . . . , page 17

1. We note your Form 8-K filed on February 23, 2024 discloses that you received a letter from the NYSE American about the commencement of proceedings to delist your Class A ordinary shares because you failed to consummate a business combination within 36 months of the effectiveness of your initial public offering registration statement. We further note your disclosure in Form 8-K filed on April 23, 2024 stating that you received a written notice from New York Stock Exchange Regulation, Inc. regarding your failure to satisfy NYSE American's continued listing standards since you did not timely file your Annual Report on Form 10-K for the fiscal year ended December 31, 2023, which we note, still has not been filed. Please revise your risk factor to disclose the relevant and current facts that could impact the nature and timing of delisting.
