## CHANGES IN ECONOMIC CONDITIONS COULD HURT COLOSSO DI RODI GREEK BISTRO

Factors like global or national economic recessions, changes in interest rates, changes in credit markets, changes in capital market conditions, declining employment, changes in real estate values, changes in tax policy, changes in political conditions, and wars and other crises, among other factors are unpredictable and could negatively affect Colosso di Rodi Greek Bistro's financial performance or ability to continue to operate. ## LIMITED SERVICES

Colosso di Rodi Greek Bistro operates with a very limited scope, offering only particular services to potential clients, making them vulnerable to changes in customer preferences.

## YOU MIGHT LOSE YOUR MONEY

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Note is not like that at all. The ability of Colosso di Rodi Greek Bistro to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

## COMPETITION

The market in which we operate is highly competitive and could become increasingly competitive with new entrants in the market. Colosso di Rodi Greek Bistro competes with many other businesses, both large and small, on the basis of quality, price, location, and customer experience. Changes in customer preference away from Colosso di Rodi Greek Bistro's core business or the inability to compete successfully against the with other competitors could negatively affect Colosso di Rodi Greek Bistro's financial performance.

The validity and accuracy of these assumptions will depend in large part on future events over which Colosso di Rodi Greek Bistro and the key persons will have no control. Changes in assumptions or their underlying facts could significantly affect the forecasts. To the extent that the assumed events do not occur, the outcome may vary significantly from the projected outcomes. Consequently, there can be no assurance that the actual operating results will correspond to the forecasts provided herein. Additionally, Colosso di Rodi Greek Bistro is a newly established entity and therefore has no operating history from which forecasts could be projected with.

## THE COMPANY MIGHT NEED MORE CAPITAL

Colosso di Rodi Greek Bistro might need to raise more capital in the future to fund/expand operations, buy property and equipment, hire new team members, market its services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If Colosso di Rodi Greek Bistro is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

## INCOMPLETE OFFERING INFORMATION

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, it is possible that you would make a different decision if you had more information.

## LACK OF ONGOING INFORMATION

Colosso di Rodi Greek Bistro will be required to provide some information to investors for at least 12 months following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and Colosso di Rodi Greek Bistro is allowed to stop providing annual information in certain circumstances.

## UNINSURED LOSSES

Although Colosso di Rodi Greek Bistro will carry some insurance, Colosso di Rodi Greek Bistro may not carry enough insurance to protect against all risks to the business. Additionally, there are some kinds of risks that are very difficult or impossible to insure against, at least at a reasonable cost. Therefore, Colosso di Rodi Greek Bistro could incur an uninsured loss that could damage its business.

## CHANGES IN LAWS

Changes in laws or regulations, including but not limited to zoning laws, environmental laws, tax laws, consumer protection laws, securities laws, antitrust laws, and health care laws, could negatively affect Colosso di Rodi Greek Bistro's financial performance or ability to continue to operate. ## YOU DO HAVE A DOWNSIDE

Conversely, if Colosso di Rodi Greek Bistro fails to generate enough revenue, you could lose some or all of your money.

## PAYMENTS AND RETURN ARE UNPREDICTABLE

Because your payments are based on the revenue of Colosso di Rodi Greek Bistro, and the revenue of Colosso di Rodi Greek Bistro can go up or down (or even disappear altogether) unpredictably, it is impossible to predict how much you will receive and when. And because the payments are unpredictable, so is your ultimate return.
