Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe a comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

2. We note your response to prior comment 4 and reissue in part. We note your disclosure discussing the example of the Sponsor and its potential \$1.3 million in profit.

Risk Factors

Risk Related to Our Operations

We have incurred significant net losses since inception..., page 7

3. Please revise this risk factor and elsewhere throughout your Risk Factors section as appropriate to discuss your ability to continue as a going concern. We note your disclosure elsewhere throughout the registration statement, including the discussion titled "Going Concern" in your MD&A section beginning on page 77.

There can be no assurance that we will be able to regain compliance or comply with..., page 48

4. Revise to disclose the dates by which you are expected take action or, if you fail to do so, your common stock risks de-listing under NYSE listing standards. For example, elaborate upon how you intend to regain compliance with the global market capitalization continued listing standard and by what date you are required to do so.

Plan of Distribution, page 163

5. We note your disclosure on page 163 that your Selling Securityholders may sell their securities in one or more underwritten offerings on a firm commitment or best efforts basis. Please confirm your understanding that the retention by a Selling Securityholder of an underwriter would constitute a material change to your plan of distribution requiring a post-effective amendment. Refer to your undertaking provided pursuant to Item 512(a)(1)(iii) of Regulation S-K.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

Please contact Kate Beukenkamp at 202-551-3861 or Mara Ransom at 202-551-3264 with any other questions.

Sincerely,
