Amendment No. 1 to Registration Statement on Form S-4 Filed March 22, 2021

Status as a Controlled Company, page 12

1. We note your response to comment five in our letter dated March 4, 2021 and the risk factor on page 52 which discloses that CCG will control the voting of at least 50% of Parent's outstanding common stock after the business combination. Please revise to disclose throughout the filing, including on the cover page, that CCG will control the voting of at least 50% of Parent's outstanding common stock after the business combination, and provide analysis explaining how the combined entity will be deemed a "controlled company" as defined by the NYSE.
