File No. 333-254009

Dear Mr. MacDougall:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our March 24, 2021 letter.

Form S-1/A filed March 26, 2021

General

1. We note your response to comment 3. Please revise to identify the "third parties" that agreed to purchase \$100 million of forward purchase shares.
2. We note your response to comment 4. Please revise to clarify the difference between "financial consulting services" in the fifth bullet point on page 36 and services covered by the fourth bullet point for "a consulting fee." In this regard, it is unclear why the broad range of services identified in bullet point 4 would not already cover "structuring advice." Additionally, please quantify the total potential payments in the bullet points on page 36 as an approximate percentage of the initial business combination assuming a transaction with an entity of your target size.
