Registration Statement on Form S-1 filed February 4, 2021

General

1. We note that the calculation of registration fee table includes the Class A ordinary shares underlying redeemable warrants included in the units. However, the risk factor on page 49 indicates you are not registering the Class A ordinary shares issuable upon exercise of the warrants. Please reconcile or advise.

Risk Factors, page 35

2. Given the length of this section, please revise to comply with Item 105 of Regulation S-K so that the risk factors are organized logically with relevant headings.
