General

1. You indicate that you will be entering into a forward purchase agreement with Millennium Management LLC. Assuming Millennium purchases 4.95% of the units in the offering, clarify whether Millennium is required to purchase at least 4.95% of the forward purchase securities or whether it can specify any amount it wishes to purchase. Disclose whether the agreement specifies the purchase price of the securities.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
